## SETTLEMENT AGREEMENT

### BETWEEN

**SHEFA LMV, INC.**

### AND

**IFG CORPORATION**

Shefa LMV, INC. (“Shefa”) and IFG Corporation (“Defendant”), (Shefa and Defendant collectively are referred to as the “Parties”) enter into this agreement (“Settlement Agreement”) for the purpose of avoiding prolonged and costly litigation to settle Shefa's allegations that Defendant violated the California Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code §25249.6 4 *et seq.* (“Proposition 65”). The effective date of this Settlement Agreement shall be the date this Settlement Agreement is fully executed (the “Effective Date”).

#### **1.0 Introduction**

1.1 Shefa is a California-based entity that seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer and industrial products.

1.2 Shefa alleges that Defendant manufactures, imports, sells, or distributes for sale in the state of California plastic jump rope products that contain Di-[2-Ethylhexyl]Phthalate) (“DEHP”) without first providing a clear and reasonable warning as required by Proposition 65.

1.3 DEHP is listed pursuant to Proposition 65 as a chemical known to cause cancer and birth defects or other reproductive harm.

1.4 The products covered by this Settlement Agreement are plastic jump rope products manufactured by or for Defendant, imported by or for Defendant, or distributed or sold

by or for Defendant, including, but not limited to, Layer8® Women's Speed Jump Rope; Model: FLJ100; UPC: 739754379192 (the "Covered Products").

1.5 On January 1, 1988, the Governor of California added DEHP to the list of chemicals known to the State to cause cancer.

1.6 On October 24, 2003, the Governor of California added DEHP to the list of chemicals known to the State to cause reproductive toxicity.

1.7 These additions took place more than twelve (12) months before Shefa served its "60-Day Notice of Violation" which is further described below.

1.8 DEHP is referred to hereinafter as the "Listed Chemical"

1.9 On or about May 26, 2017, Shefa served Defendant, as well as certain relevant public enforcement agencies with a document entitled "60-Day Notice Of Violation" ("Notice") advising of its intent to sue for violations of Proposition 65 arising from or related to Covered Products containing the Listed Chemical.

1.10 The Notice alleged that Defendant violated Proposition 65 by failing to warn consumers in California that use of Covered Products exposed users to the Listed Chemical.

1.11 To the best of the Parties' knowledge, no public enforcer has commenced and is diligently prosecuting the same allegations against Defendant.

1.12 Defendant denies the material, factual and legal allegations contained in the Notice and maintains that all of the products that it has sold and distributed in California, including the Covered Products, are and have been in compliance with all laws.

1.13 The Parties enter into this Settlement Agreement to settle disputed claims between the Parties as alleged in the Notice and as set forth below concerning the Parties' and the Covered Products' compliance with Proposition 65 (the "Dispute").

1.14 By execution of this Settlement Agreement, the Parties do not admit any facts or conclusions of law, including, but not limited to, any facts or conclusions of law regarding any violation of Proposition 65, or any other statutory, regulatory, common law, or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission against interest by any Party of any fact, conclusion of law, issue of law, or violation of law.

1.15 Nothing in this Settlement Agreement, nor compliance with its terms, shall constitute or be construed, considered, offered, or admitted as evidence of an admission against interest or evidence of fault, wrongdoing, or liability by Defendant, its officers, directors, employees, or parents, subsidiaries or affiliated corporations, or any person acting for Defendant, or any direct or indirect customer of Defendant who sold or sells the Covered Products, in any administrative or judicial proceeding or litigation in any court, agency, or forum.

1.16 Except for the allegations settled and compromised, nothing in this Settlement Agreement shall prejudice, waive, or impair any right, remedy, argument, or defense that Shefa or Defendant may have against one another in any other legal proceeding as to allegations unrelated to the Dispute or claims released herein.

## **2.0 Release**

2.1 This Settlement Agreement is a full, final, and binding resolution between Shefa, acting in its individual capacity only, and not its representative capacity, on the one hand, and (a) Defendant, and its owners, parents, subsidiaries, affiliates, sister and related companies, employees, shareholders, members, officers, directors, insurers, agents, attorneys, predecessors, successors, and assigns (collectively the "Releasees"), and (b) all entities to whom Releasees directly or indirectly provide, distribute, or sell the Covered Products, including but not limited to distributors, wholesalers, customers, retailers, franchisees, cooperative members, and

licensees, including The TJX Companies, Inc. ("Downstream Releasees"), on the other hand, of any violation(s) or claimed violation(s) of Proposition 65 or any statutory or common law claim that has been, could have been or may in the future be asserted against the Releasees and/or Downstream Releasees regarding exposing persons to the Listed Chemical and the failure to warn about exposure to the Listed Chemical arising in connection with the Covered Products manufactured, shipped, and/or otherwise distributed prior to the Effective Date, even if sold by Downstream Releasees after the Effective Date. The Parties agree that compliance with the terms of this Settlement Agreement by Defendant shall be deemed to be compliance with Proposition 65 by Releasees and Downstream Releasees with respect to any exposures to the Listed Chemical in the Covered Products manufactured, distributed, or sold by Defendant after the Effective Date.

2.2 The Covered Products subject to this Settlement Agreement are limited to those manufactured by or for Defendant, or imported by or for Defendant, or distributed by or for Defendant or sold by or for Defendant.

2.3 Shefa, its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives and releases with respect to the Covered Products all rights to institute or participate in, directly or indirectly, any form of legal action, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses (including, but not limited to, investigation fees, expert fees, and attorneys' fees) (collectively the "Claims"), against Releasees and/or Downstream Releasees that arise under Proposition 65 or any other statutory or common law claims that were or could have been asserted in respect of any Covered Products sold up to the Effective Date, including without limitation to the extent that

such claims relate to Releasees' and/or Downstream Releasees' alleged exposure of persons to the Listed Chemical contained in the Covered Products or any failure by Releasees and Downstream Releasees to warn about exposures to the Listed Chemical contained in the Covered Products.

2.4 Shefa acknowledges that it is familiar with Section 1542 of Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Shefa, its past and current agents, representatives, attorneys, successors, and/or assignees, in its individual and not representative capacity, expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of Civil Code § 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.

### **3.0 Defendant's Duties**

3.1 Commencing on the Effective Date, Defendant shall only sell or offer for sale in California Covered Products that are Compliant Products. For purposes of this Settlement Agreement, Compliant Products are defined as those Covered Products containing the Listed Chemical in a concentration less than or equal to 1000 parts per million ("ppm") (0.1%) when

analyzed pursuant to a scientifically reliable application of U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or any other scientifically reliable methodology for determining the Listed Chemical content in a substance of the form of the Covered Products herein (“Reformulation Standard”), or those Covered Products exhibiting a warning in compliance with Proposition 65 (“Compliant Warning”).

3.2 Whenever a clear and reasonable warning is required under Section 3.1 for Covered Product offered for sale in the State of California, it shall state one of the warnings described in Section 3.3 in such a conspicuous and prominent manner as to be likely to be read and understood by the consumer prior to or at the time of the sale or purchase.

3.3 The Parties agree that any of the following warnings shall constitute a Compliant Warning for the Listed Chemical in the Covered Products:

3.5 If modifications or amendments to Proposition 65 or its regulations after the Effective Date are inconsistent with, or provide warning specifications or options different from, the specifications in this Settlement Agreement, Defendant may modify the content and delivery methods of its warnings to conform to the modified or amended provisions of Proposition 65 or its regulations.
