

**PROPOSITION 65 SETTLEMENT AGREEMENT
(Susan Davia AG Notice 2017-01680)**

1. INTRODUCTION

1.1 The Parties

This settlement agreement (“Agreement” or “Settlement Agreement”) is entered into by and between Susan Davia and Earth Pak LLC (“Settling Defendant” or “Earth Pak”), with Davia and Earth Pak each referred to as a “Party” and collectively referred to as the “Parties.”

1.2 Davia

Davia is an individual residing in the State of California who seeks to promote awareness of exposure to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer products.

1.3 Earth Pak, LLC

Davia alleges that Earth Pak is an LLC business person who distributed the products subject to this Agreement into California in the course of doing business (Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code §§ 25249.6 *et seq.* (“Proposition 65”)).

1.4 General Allegations

Davia alleges that Earth Pak participated in the manufacture (or other acquisition), distribution and/or sale, in the State of California, of vinyl/PVC waterproof storage bags and phone cases (including, but not limited to, Original Waterproof Dry Bag & Cell Phone Case, Waterproof Dry Bag with Outside Zippered Pocket, Waterproof Dry Bag Backpack with Double Straps, Premium 35L Dry Bag Backpack with Large Zippered Pocket (all sizes and colors)), which bags and cases exposed users to di(2-ethylhexyl)phthalate (DEHP) and diisononyl phthalate (“DINP”) without first providing a “clear and reasonable warning” under Proposition 65. These storage bags and phone cases shall hereafter be referred to as “Covered Products”. DEHP and DINP are listed as carcinogens and/or reproductive and developmental toxins pursuant to Proposition 65. DEHP, DINP and other listed phthalates, shall hereinafter, where applicable, be referred to as the “Listed Chemical” or “Listed Chemicals”.

1.5 Notice of Violation

On July 6, 2017, Davia served Earth Pak and various public enforcement agencies with a document entitled “60-Day Notice of Violation” that provided public enforcers and the noticed entities with notice of alleged violations of Health & Safety Code § 25249.6 for failing to warn consumers of the presence of DEHP and DINP found in Covered Products sold in California. Each Earth Pak received this 60-Day Notice of Violation (the “Notice”).

Each Earth Pak and Davia represent that, as of the date each executes this Agreement, it is not aware of any public enforcer that is diligently prosecuting a Proposition 65 enforcement action related to DEHP or DINP in the Covered Products as identified in that Notice to Earth Pak.

1.6 No Admission

This Agreement resolves claims that are denied and disputed by Earth Pak. The Parties enter into this Agreement pursuant to a full, final and binding settlement of any and all claims between the Parties for the purpose of avoiding prolonged litigation. Earth Pak denies the material factual and legal allegations contained in the Notices, maintains that it did not knowingly or intentionally expose California consumers to any Listed Chemical through the reasonably foreseeable use of the Covered Products and otherwise contends that, all Covered Products it has manufactured, distributed and/or sold in California have been and are in compliance with all applicable laws. Nothing in this Agreement shall be construed as an admission by Earth Pak of any fact, finding, issue of law, or violation of law, nor shall compliance with this Agreement constitute or be construed as an admission by Earth Pak of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Earth Pak. However, notwithstanding the foregoing, this section shall not diminish or otherwise affect Earth Pak’s obligations, responsibilities, and duties under this Agreement.

1.7 Consent to Jurisdiction

For purposes of this Agreement only, the Parties stipulate that the Marin County Superior Court has jurisdiction over Earth Pak as to the allegations in the Notice and that venue is proper in the County of Marin. As an express part of this Agreement, this Agreement shall be considered as

made pursuant to Code of Civil Procedure Section 664.6, and the Marin County Superior Court shall retain jurisdiction over the Parties to enforce this Agreement until performance in full of the terms of the settlement.

4. MONETARY PAYMENTS

4.1 Civil Penalty

As a condition of settlement of all the claims referred to in this Consent to Judgment, Earth Pak shall cause to be paid a total of \$5,000 in civil penalties in accordance with California Health &

Safety Code § 25249.12(c)(1) & (d).

4.2 Augmentation of Penalty Payments

For purposes of the penalty assessment under this Agreement, Davia is relying entirely upon Earth Pak and its counsel for accurate, good faith reporting to Davia of the nature and amounts of relevant sales activity. If within nine (9) months of the Effective Date, Davia discovers and presents to Earth Pak evidence that the Covered Products have been distributed by Earth Pak in sales volumes materially different than those identified by Earth Pak prior to execution of this Agreement, then Earth Pak shall be liable for an additional penalty amount of \$10,000.00. Earth Pak shall also be liable, in accordance with the requirements of Code of Civil Procedure section 1021.5 for any reasonable, additional attorney fees expended by Davia in discovering such additional retailers or sales. Davia agrees to provide Earth Pak with a written demand for all such additional penalties and attorney fees under this Section. After service of such demand, Earth Pak shall have thirty (30) days to agree to the amount of fees and penalties owing by Earth Pak and submit such payment to Davia in accordance with the method of payment of penalties and fees identified in Section 4.1 and 4.4. Should this thirty (30) day period pass without any such resolution between the parties and payment of such additional penalties and fees, Davia shall be entitled to file a formal legal claim for additional civil penalties pursuant to this Section and shall be entitled to all reasonable attorney fees and costs, in accordance with the requirements of Code of Civil Procedure section 1021.5, relating to such claim.

4.3 Reimbursement of Davia's Fees and Costs

The Parties acknowledge that Davia and her counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving this fee issue to be resolved after the material terms of the agreement had been settled. Earth Pak then expressed a desire to resolve the fee and cost issue shortly after the other settlement terms had been finalized. The Parties then attempted to (and did) reach an accord on the compensation due to Davia and her counsel under general contract principles and the private attorney general doctrine codified at California Code of Civil Procedure section 1021.5, for all work performed in this matter, except fees

that may be incurred on appeal. Under these legal principles, Earth Pak shall cause to be paid to Davia's counsel the amount of \$20,933.58 for fees and costs incurred investigating, litigating and enforcing this matter. Such payment shall be made payable to "Sheffer Law Firm".

Products that were sold by Earth Pak into California before the Effective Date. As to Davia only, Earth Pak's compliance with the terms of this settlement shall be deemed compliance with Proposition 65 as to exposures to DEHP and DINP in the Covered Products.

5.1.2 Davia also provides a general release herein which shall be effective as a full and final accord and satisfaction, as a bar to all claims, actions and causes of action, of any nature, character or kind, known or unknown, suspected or unsuspected, arising out of the subject matter of the Notice as to Covered Products sold by Earth Pak or Releasees into California prior to the Effective Date. Earth Pak acknowledges that it is familiar with Section 1542 of the California Civil Code, which provides as follows:

6. POST EXECUTION CONVERSION TO CONSENT JUDGMENT

Within twelve months of the execution of this Settlement Agreement Earth Pak may ask Davia, in writing, to file a complaint, incorporate the terms of this Settlement Agreement into a proposed consent judgment, and to seek the court's approval of the consent judgment pursuant to Health and Safety Code section 25249.7, or as may be otherwise allowed by law. If so requested,
