

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Alicia Chin and Ryder Fleet Products, Inc.

This Settlement Agreement is entered into by and between Alicia Chin (“Chin”) and Ryder Fleet Products, Inc. (“Ryder”). Together, Chin and Ryder are collectively referred to as the “Parties”. Chin is an individual residing in California who seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products.

Ryder employs ten or more individuals and is considered a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health and Safety Code § 25249.6, *et seq.* (“Proposition 65”)

1.2 General Allegations

Chin alleges that Ryder imported, manufactured, distributed for sale, shipped for sale, sold, and/or offered for sale in California PVC gloves # H016 (“Product(s)”) that contain diisononyl phthalate (“DINP”) without first providing the exposure warning required by Proposition 65. DINP is listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer.

1.3 Notice of Violation(s)

On or about July 21, 2017, Chin served Ryder, American Safety Associates, L.L.C. (“ASA”), and certain requisite public enforcement agencies with a “60-Day Notice of Violation” (“Notice”) alleging that Ryder and ASA violated Proposition 65 by failing to warn their customers and consumers in California that the Product exposes users to DINP. To the best of the Parties’ knowledge, no public enforcer has commenced and is diligently prosecuting an action against the violations alleged in the Notice.

1.4 No Admission

Ryder denies the material, factual, and legal allegations contained in the Notice and Complaint, and maintains that all of the products it has imported, manufactured, distributed for sale, shipped for sale, sold, and/or offered for sale in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission of any fact, finding, conclusion of law, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission of any fact, finding, conclusion of law, issue of law, or violation of law. This Section shall not, however, diminish or otherwise affect Ryder's obligations, responsibilities, and duties under this Settlement Agreement.

1.5 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean October 15, 2017.

2. INJUNCTIVE RELIEF: REFORMULATION

2.1 Reformulated Products

Commencing on the Effective Date, and continuing thereafter, Ryder agrees to only import, manufacture, distribute for sale, ship for sale, sell, and/or offer for sale in California (a) "Reformulated Products" or (b) Products with a clear and reasonable warning, as defined by the California Code of Regulations, Title 27, Div. 4, Chap. 1, Art. 6 (commencing at §25600). For purposes of this Settlement Agreement, "Reformulated Products" are Products containing DINP in concentrations of less than 0.1 percent (1,000 parts per million) when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or other methodology utilized by federal or state government agencies for the purpose of determining DINP content in a solid substance.

2.2 Clear and Reasonable Warning

For purposes of this Settlement Agreement and commencing on the Effective Date, Ryder shall, for all Products it imports, manufactures, distributes for sale, ships for sale, sells,

and/or offers for sale in California that are not Reformulated Products, provide clear and reasonable warnings as set forth in subsection 2.2(a) below. Ryder shall employ the use of the warning symbol, which consists of a black exclamation point in a yellow equilateral triangle¹ with a bold black outline, provided in subsection 2.2(a) below. The warning symbol must be placed to the left of the text of the warning in a size no smaller than the height of the word "WARNING". The warning shall be prominently placed with such conspicuousness as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the customer or user understands to which specific Products the warning applies, so as to minimize the risk of customer confusion.

- (a)  **WARNING:** This product can expose you to chemicals including DINP, which is known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.

3. MONETARY SETTLEMENT TERMS

3.1 Civil Penalty Payments

Pursuant to Health & Safety Code § 25249.7(b), in settlement of all the claims referred to in this Settlement Agreement, Ryder shall pay a total of \$5,000.00 in civil penalties in accordance with this section. Each penalty payment will be allocated in accordance with Health and Safety Code § 25249.12(c)(1) and (d), with seventy-five percent (75%) to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining twenty-five (25%) to Chin.

Ryder shall issue two checks for its initial civil penalty payment. The civil penalty to be paid as follows:

¹ If the sign, label or shall tag for the product is not printed using the color yellow, the symbol may be provided in black and white.

(i) a check shall be delivered to "OEHHA" in the amount of \$3,750.00, at the address of "Mike Gyurics, Fiscal Operations Branch Chief, Office of Environmental Health Hazard Assessment, P. O. Box 4010, Sacramento, CA 95812-4010";

(ii) a check payable to Alicia Chin in the amount of \$1,250.00, at the address of "O'Neil Dennis, Esquire, 385 Grand Avenue, Suite 300, Oakland, California, 94610".

3.2 Reimbursement of Attorney's Fees and Costs

The parties acknowledge that Chin and her counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving the issue to be resolved after the material terms of this Settlement Agreement had been settled. Shortly after the other settlement terms had been finalized, Tinley expressed a desire to resolve Chin's fees and costs. The Parties then attempted to, and did, reach an accord on the compensation due to Chin and her counsel under general contract principles and the private attorney general doctrine codified at California Code of Civil Procedure section 1021.5 for all work performed through the mutual execution of this Settlement Agreement. On or before the Effective Date, Ryder shall pay \$10,000.00 for the fees and costs incurred by Chin in investigating, bringing this matter to Shelby's attention, and negotiating a settlement in the public interest. The payment shall be paid to "O'Neil Dennis" and delivered to:

O'Neil Dennis, Esq.
385 Grand Avenue, Suite 300
Oakland, CA 94610

In the event that Proposition 65 is repealed, preempted, or is otherwise rendered inapplicable by reason of law generally, or as to the Products, then Ryder shall provide written notice to Chin of any asserted change in the law, and shall have no further injunctive obligations pursuant to this Settlement Agreement with respect to, and to the extent that, the Products are so affected.
