

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1. Ecological Alliance, LLC and Winters Instruments, Inc.

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and Winters Instruments, Inc. ("Winters"), on the other hand, with Ecological and Winters collectively referred to as the "Parties."

1.2. General Allegations

Ecological alleges that Winters manufactured and distributed and offered for sale in the State of California thermowells containing lead and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed lead under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

1.3. Product Description

The products that are covered by this Settlement Agreement are defined as thermowells that Winters has sold or caused to be sold, offered for sale or distributed in California and that contain lead. All such items shall be referred to herein as the "Products."

1.4. Notice of Violation

On August 2, 2017, Ecological served Winters, Amazon.com, Inc., and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" ("Notice") that provided Winters and such public enforcers with notice that Winters was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers

that the Products exposed users in California to lead. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission

The parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Winters's compliance with Proposition 65. Specifically, Winters denies the material factual and legal allegations contained in Ecological's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Winters of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Winters of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Winters. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Winters under this Settlement Agreement.

1.6. Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

2. INJUNCTIVE RELIEF: WARNING

2.1. Warning

Products shall be accompanied by a warning as described in Section 2.2 below, no later than 90 days after the Effective Date. The warning requirements set forth in Section 2.2 below

shall apply only to Products that are distributed, marketed, sold or shipped for sale in the State of California. The warning requirement shall not apply to Products that are already in the stream of commerce as of the Effective Date or that Winters places into the stream of commerce within 90 days of the Effective Date.

2.2. Warning Language

Where required, Winters shall provide Proposition 65 warnings as follows:

(a) Winters may use any of the following warning statements in full compliance with this Section and/or Cal. Health & Safety Code section 25249.6 et seq.:

(1) **WARNING:** This product contains a chemical known to the State of California to cause birth defects and other reproductive harm.

(2) **WARNING:** This product contains chemicals known to the State of California to cause cancer and birth defects, or other reproductive harm.

(3) **WARNING:** This product can expose you to lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more info go to www.P65Warnings.ca.gov.

(b) If Winters elects to use the warning statements identified in either 2.2(a)(3) or (4), it may also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the sign,

label or shelf tag for the product is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word "WARNING".

(c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(d) If Proposition 65 warnings for lead should no longer be required, Winters shall have no further obligations pursuant to this Settlement Agreement

(e) Reformulation Option. Winters shall also have the option to reformulate the Products. If reformulated, the Products shall be deemed to comply with Proposition 65 (Cal. Health & Safety Code section 25249.6 et seq. and be exempt from any warning requirements for lead if the exposed metal components of the Products meet the following criteria: the alloy from which the components are made shall have a lead content by weight of no more than 0.01% (100 parts per million or "100 ppm"). Winters may comply with the above criteria by relying on information obtained from its suppliers regarding the content of the alloy from which the components are made, provided such reliance is in good faith. Obtaining test results showing that the lead content is no more than 0.01% using a method of sufficient sensitivity to establish a limit of less than 100 ppm shall be deemed to establish good faith reliance.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, Winters shall pay a total of \$100 in civil penalties in accordance with this Section. The penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Ecological. Ecological's counsel shall be responsible for delivering OEHHA's portion of any penalty payment made under this Settlement Agreement.

4. REIMBURSEMENT OF FEES AND COSTS

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Winters shall reimburse Ecological's counsel for fees and costs, incurred as a result of investigating and bringing this matter to Winters's attention. Winters shall pay Ecological's counsel \$6,400 for all attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice.

6.1. Release of Winters, Downstream Customers and Upstream Vendors

Winters' willingness to enter into this agreement is based upon the understanding that this agreement will fully and finally resolve all claims related to the Products brought by Ecological, and that this agreement, once final, will have res judicata effect to the maximum extent allowed by law with regard to Ecological's Proposition 65 allegations concerning the Products, as described in Section 1.3 and 1.4, above.

Ecological acknowledges that it is familiar with California Civil Code section 1542, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Ecological, in its capacity only, and on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of California Civil Code section 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.
