

## SETTLEMENT AND RELEASE AGREEMENT

### 1. INTRODUCTION

#### 1.1. Ecological Alliance, LLC and Smith Family Holdings, Inc.

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and Smith Family Holdings, Inc. ("Smith Family") and Smith Industries, Inc. dba "Jay R. Smith Mfg. Co." (Smith Co.), on the other hand (collectively "Smith"), with Ecological and Smith collectively referred to as the "Parties."

#### 1.2. General Allegations

Ecological alleges that Smith Family manufactured and distributed and offered for sale in the State of California vacuum breakers containing lead and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed lead under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm. Smith Family is an owner of Smith Co. Smith denies the allegations made by Ecological.

#### 1.3. Product Description

The products that are covered by this Settlement Agreement are defined as vacuum breakers or kits that either Smith Family or Smith Co. has or caused to be sold, offered for sale or distributed in California and that contain lead. All such items shall be referred to herein as the "Products."

#### 1.4. Notice of Violation

On September 11, 2017, Ecological served Smith Family, Jet.com, Inc., and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of

the State of California with a document entitled "60-Day Notice of Violation" ("Notice") that provided Smith Family and such public enforcers with notice that Smith Family was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to lead. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

**1.5. No Admission**

The parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Smith Family's compliance with Proposition 65. Specifically, Smith denies the material factual and legal allegations contained in Ecological's Notice and maintains that all products that it has manufactured for sale and distribution in California, including, without limitation, the Products, have been and are in compliance with Proposition 65 and all other statutory, regulatory, common law, equitable doctrine and requirements. Nothing in this Settlement Agreement shall be construed as an admission by Smith of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Smith of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Smith. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Smith under this Settlement Agreement.

**1.6. Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

## 2. INJUNCTIVE RELIEF: WARNING

### 2.1. Warning

Products shall be accompanied by a warning as described in Section 2.2 below, no later than 90 days after the Effective Date. The warning requirements set forth in Section 2.2 below shall apply only to Products that are distributed, marketed, sold or shipped for sale in the State of California. The warning requirement shall not apply to Products that are already in the stream of commerce as of the Effective Date or that Smith places into the stream of commerce within 90 days of the Effective Date.

### 2.2. Warning Language

Where required, Smith shall provide Proposition 65 warnings as follows:

- (a) Smith may use any of the following warning statements in full compliance with this Section:

(b) If Smith elects to use the warning statements identified in either 2.2(a)(3) or (4), it may also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the sign, label or shelf tag for the product is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word "WARNING".

(c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(d) If Proposition 65 warnings for lead should no longer be required, Smith shall have no further obligations pursuant to this Settlement Agreement.

The penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Ecological. Ecological's counsel shall be responsible for delivering OEHHA's portion of any penalty payment made under this Settlement Agreement.

**4. REIMBURSEMENT OF FEES AND COSTS**

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal

principles, Smith Co. shall reimburse Ecological's counsel for fees and costs, incurred as a result of investigating and bringing this matter to Smith Family's attention. Smith Co., for and on behalf of itself and Smith Family, shall pay Ecological's counsel \$4,800 for all attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice.

**5. PAYMENT INFORMATION**

Ecological acknowledges that it is familiar with California Civil Code section 1542, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Ecological, in its capacity only, and on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the
