

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 John Moore and COKeM International, Ltd.

This Settlement Agreement (“Settlement Agreement”) is entered into by and between John Moore (“Moore”) and COKeM International, Ltd. (“COKeM”) with Moore and COKeM collectively referred to as the “Parties.” Moore is an individual residing in California who seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. COKeM employs ten or more persons and is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code §§ 25249.5 *et seq.* (“Proposition 65”).

1.2 General Allegations

Moore alleges that COKeM manufactures, imports, sells and/or distributes for sale in California, products containing di(2-ethylhexyl)phthalate (“DEHP”), and that it does so without providing the health hazard warning that Moore alleges is required by Proposition 65. DEHP is listed pursuant to Proposition 65 as a chemical known to the State of California to cause birth defects and other reproductive harm.

1.3 Product Description

The products that are covered by this Settlement Agreement are headphones with vinyl/PVC ear cushions containing DEHP including, but not limited to, the *The Joker Over-Ear Headphones, Model: SVEHH004P, UPC #6 96055 25635 8, #8 15416 02201 6* that are manufactured, imported, distributed, sold and/or offered for sale by COKeM in the State of California, hereinafter the “Products.”

1.4 Notice of Violation

On or about September 12, 2017, Moore served COKeM, and certain requisite public enforcement agencies with a 60-Day Notice of Violation (“Notice”), alleging that COKeM violated Proposition 65 when it failed to warn its customers and consumers in California that the Products expose users to DEHP. To the best of the Parties’ knowledge, no public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notice.

1.5 No Admission

COKeM denies the material, factual and legal allegations contained in the Notice and maintains that all products that it has sold and distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by COKeM of any fact, finding, issue of law or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by COKeM of any fact, finding, conclusion, issue of law or violation of law. This Section shall not, however, diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term “Effective Date” shall mean March 22, 2018.

2. INJUNCTIVE RELIEF: REFORMULATION

2.1 Reformulation Standards

“Reformulated Products” are defined as those Products containing DEHP in concentrations less than 0.1 percent (1,000 parts per million) when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or any other methodology utilized by federal or state agencies for the purpose of determining the DEHP content in a solid substance.

2.2 Reformulation Commitment

As of the Effective Date, COKeM shall not manufacture, import, distribute, sell or offer the Products for sale in the State of California unless they are Reformulated Products pursuant to Section 2.1 above.

3. MONETARY SETTLEMENT TERMS

3.1 Payments Pursuant to Health and Safety Code § 25249.7(b)(2)

Pursuant to Health and Safety Code section 25249.7(b)(2), and in settlement of all claims alleged in the Notice or referred to in this settlement Agreement, COKeM shall pay a total of \$2,000 in civil penalties in accordance with this Section. The penalty payment will be allocated in accordance with California Health & Safety Code § 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty remitted to Moore. Within 5 business days of the execution of this Agreement by all parties and COKeM’s receipt of a W-9 for each payee, COKeM shall issue the following checks: (1) to “John Moore, Client Trust Account” in the amount of \$500; and (2) to the “Office of Environmental Health Hazard Assessment” in the amount of \$1,500. Upon receipt, Moore and his counsel will then ensure payment to OEHHA. All penalty payments shall be delivered to the addresses listed in Section 3.3 below.

3.2 Reimbursement of Attorneys’ Fees and Costs

The Parties acknowledge that Moore and his counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving the issue to be resolved after the material terms of the agreement had been settled. Shortly after the other settlement terms had been finalized, COKeM expressed a desire to resolve Moore’s fees and costs. The Parties then negotiated a resolution of the compensation due to Moore and his counsel under general contract principles and the private attorney general doctrine codified at California Code of Civil Procedure § 1021.5. For all work performed through the mutual execution of this agreement, COKeM shall reimburse Moore and his counsel \$17,250. COKeM’s payment shall be delivered to the address in Section 3.3, within 5 business

days of the execution of this Agreement by all parties and COKeM's receipt of a W-9 for the payee, in the form of a check payable to "The Chanler Group." The reimbursement shall cover all fees and costs incurred by Moore investigating, bringing this matter to COKeM's attention and negotiating a settlement of the matter.

4. CLAIMS COVERED AND RELEASED

4.1 Moore's Release of Proposition 65 Claims

Moore acting on his own behalf, and *not* on behalf of the public, releases COKeM, its parents, subsidiaries, affiliated entities under common ownership, directors, officers, agents employees, attorneys, and each entity to whom COKeM directly or indirectly distributes or sells Products, including, but not limited, to downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members, and licensees (collectively, "Releasees"), from all claims for violations of Proposition 65 through the Effective Date based on unwarned exposures to DEHP in the Products, as set forth in the Notice. Compliance with the terms of this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposures to DEHP from the Products, as set forth in the Notice. The Parties further understand and agree that this Section 4.1 release shall not extend upstream to any entities that manufactured the Products or any component parts thereof, or any distributors or suppliers who sold the Products or any component parts thereof to COKeM.

4.2 Moore's Individual Releases of Claims

Moore, in his individual capacity only and *not* in his representative capacity, provides a release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities, and demands of Moore of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of alleged or actual exposures to DEHP in the Products manufactured, imported, distributed, or sold by COKeM prior to the Effective Date. The Parties further understand and agree that this Section 4.2 release shall not extend upstream to any entities that manufactured the Products, or any component parts thereof, or any distributors or suppliers who sold the Products, or any component parts thereof to COKeM. Nothing in this Section affects Moore's right to commence or prosecute an action under Proposition 65 against a Releasee that does not involve COKeM's Products.

4.3 COKeM's Release of Moore

COKeM, on behalf of itself, its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against Moore and his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Moore and his attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter with respect to the Products.

In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or if any of the provisions of this Settlement Agreement are rendered inapplicable or no longer required as a result of any such repeal or preemption or rendered inapplicable by reason of law generally as to the Products, then COKeM shall provide written notice to Moore of any asserted change in the law and shall have no further injunctive obligations pursuant to this Settlement Agreement with respect to, and to the extent that, the Products are so affected.
