

## SETTLEMENT AND RELEASE AGREEMENT

### 1. INTRODUCTION

#### 1.1. Ecological Alliance, LLC and The Chicago Faucet Company

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and The Chicago Faucet Company. ("Chicago Faucet"), on the other hand, with Ecological and Chicago Faucet collectively referred to as the "Parties."

#### 1.2. General Allegations

Ecological alleges that Chicago Faucet manufactured and distributed and offered for sale in the State of California repair kits containing lead and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed lead under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

#### 1.3. Product Description

The products that are covered by this Settlement Agreement are defined as repair kits that Chicago Faucet has or caused to be sold, offered for sale or distributed in California and that contain lead. All such items shall be referred to herein as the "Products."

#### 1.4. Notice of Violation

On September 13, 2017, Ecological served Chicago Faucet, Jet.com, Inc., and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" ("Notice") that provided Chicago Faucet and such public enforcers with notice that Chicago Faucet was allegedly in violation of California Health & Safety Code section 25249.6 for failing

to warn consumers and customers that the Products exposed users in California to lead. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

**1.5. No Admission**

The parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Chicago Faucet's compliance with Proposition 65. Specifically, Chicago Faucet denies the material factual and legal allegations contained in Ecological's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Chicago Faucet of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Chicago Faucet of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Chicago Faucet. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Chicago Faucet under this Settlement Agreement.

**1.6. Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

**2. INJUNCTIVE RELIEF: WARNING**

Ecological, in its capacity only, and on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of California Civil Code section 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.
