**SETTLEMENT AGREEMENT**

**BETWEEN**

**SHEFA LMV, INC.**

**AND**

**NPW GIFTS**

Shefa LMV, INC. (“Shefa”) and Natural Products Ltd., doing business as NPW (“NPW”), (Shefa and NPW collectively are referred to as the “Parties”) enter into this agreement (“Settlement Agreement”) for the purpose of avoiding prolonged and costly litigation to settle Shefa’s allegations that Defendant violated the California Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code §25249.6 *et seq.* (“Proposition 65”). The effective date of this Settlement Agreement shall be the date upon which it is fully executed by all Parties hereto (the “Effective Date”).

**1.0 Introduction**

1.1 Shefa is a California-based entity that seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer and industrial products.

1.2 Shefa alleges that NPW manufactures, imports, sells, or distributes for sale in the State of California travel bottles in plastic storage bag products that contain Di-[2-Ethylhexyl] Phthalate (“DEHP”) without first providing a clear and reasonable warning as required by Proposition 65.

1.3 DEHP is listed pursuant to Proposition 65 as a chemical known to cause cancer and birth defects or other reproductive harm.

1.4 The products covered by this Settlement Agreement are travel bottles in plastic

storage bag products manufactured by or for NPW, imported by or for NPW, or distributed or sold by or for NPW to others, including, but not limited to, Beauty Junk Glam On The Go Travel, Bottles Set; NP32901; UPC5037200032901 (the “Covered Products”).

1.5 On January 1, 1988, the Governor of California added DEHP to the list of chemicals known to the State to cause cancer.

1.6 On October 24, 2003, the Governor of California added DEHP to the list of chemicals known to the State to cause reproductive toxicity.

1.7 These additions took place more than twelve (12) months before Shefa served its “60-Day Notice of Violation” which is further described below.

1.8 DEHP is referred to hereinafter as the “Listed Chemical.”

1.9 On or about October 04, 2017, Shefa served NPW, as well as certain relevant public enforcement agencies, with a document entitled “60-Day Notice Of Violation” (“Notice”) advising of its intent to sue for violations of Proposition 65 arising from or related to Covered Products containing the Listed Chemical.

1.10 The Notice alleged that NPW violated Proposition 65 by failing to warn consumers in California that use of Covered Products exposed users to the Listed Chemical.

1.11 To the best of the Parties’ knowledge, no public enforcer has commenced and is diligently prosecuting the same allegations against NPW.

1.12 NPW denies the material, factual and legal allegations contained in the Notice and maintains that all of the products that it has sold and distributed in California, including the Covered Products, are and have been in compliance with all laws.

1.13 The Parties enter into this Settlement Agreement to settle disputed claims between the Parties as alleged in the Notice and as set forth elsewhere herein concerning the Covered

Products and compliance with Proposition 65 (the “Dispute”).

1.14 By execution of this Settlement Agreement, the Parties do not admit any facts or conclusions of law, including, but not limited to, any facts or conclusions of law regarding any violation of Proposition 65, or any other statutory, regulatory, common law, or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission against interest by any Party of any fact, conclusion of law, issue of law, or violation of law.

1.15 Nothing in this Settlement Agreement, nor compliance with its terms, shall constitute or be construed, considered, offered, or admitted as evidence of an admission against interest or evidence of fault, wrongdoing, or liability by NPW, its officers, directors, employees, or parents, subsidiaries, or affiliated corporations, or any person acting for NPW, or any direct or indirect customer of NPW who sold or sells the Covered Products, in any administrative or judicial proceeding or litigation in any court, agency, or forum.

1.16 Except for the allegations settled and compromised, nothing in this Settlement Agreement shall prejudice, waive, or impair any right, remedy, argument, or defense that Shefa or NPW may have against one another in any other legal proceeding as to allegations unrelated to the Dispute or claims released herein.

## **2.0 Release**

2.1 This Settlement Agreement is a full, final, and binding resolution between Shefa, individually and *not* in its representative capacity, and (a) NPW, and its owners, parents, subsidiaries, affiliates, sister and related companies, employees, shareholders, members, officers, directors, insurers, agents, attorneys, predecessors, successors, and assigns (collectively the “Releasees”), and (b) all entities to whom Releasees directly or indirectly provide, distribute, or sell the Covered Products, including but not limited to distributors, wholesalers, customers,

retailers, franchisees, cooperative members, and licensees, including Charming Charlie Holding Inc. (“Downstream Releasees”), on the other hand, of any violation(s) or claimed violation(s) of Proposition 65 or any statutory or common law claim that has been, could have been, or may in the future be asserted against the Releasees and/or Downstream Releasees regarding exposing persons in California to the Listed Chemical and the failure to warn about exposure to the Listed Chemical arising in connection with the Covered Products manufactured, shipped, and/or otherwise distributed prior to the Effective Date, even if sold by Downstream Releasees after the Effective Date. The Parties agree that compliance with the terms of this Settlement Agreement by NPW shall be deemed to be compliance with Proposition 65 by Releasees and Downstream Releasees with respect to any exposures to the Listed Chemical in the Covered Products manufactured, distributed, or sold by NPW after the Effective Date.

2.2 The Covered Products subject to this Settlement Agreement are limited to those manufactured by or for NPW, or imported by or for NPW, or distributed by or for NPW, or sold by or for NPW.

2.3 Shefa, on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees, but not in its capacity as representative of the public, hereby waives and releases with respect to the Covered Products all rights to institute or participate in, directly or indirectly, any form of legal action, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses (including, but not limited to, investigation fees, expert fees, and attorneys’ fees) (collectively the “Claims”), against Releasees and/or Downstream Releasees that arise under Proposition 65 or any other statutory or common law claims that were or could have been asserted in respect of any Covered Products sold up to the Effective Date, including

without limitation to the extent that such claims relate to Releasees' and/or Downstream Releasees' alleged exposure of persons to the Listed Chemical contained in the Covered Products, or any failure by Releasees and Downstream Releasees to warn about exposures to the Listed Chemical contained in the Covered Products.

2.4 Shefa acknowledges that it is familiar with Section 1542 of the California Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Shefa, its past and current agents, representatives, attorneys, successors, and/or assignees, in its individual and *not* representative capacity, expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of California Civil Code Section 1542, as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.

### **3.0 Defendant's Duties**

3.1 Commencing on the Effective Date, NPW shall only sell or offer for sale in California Covered Products that are "Compliant Products." For purposes of this Settlement Agreement, "Compliant Products" are defined as those Covered Products containing the Listed Chemical in a concentration less than or equal to 1,000 parts per million ("ppm") (0.1%) when

analyzed pursuant to a scientifically reliable application of U.S. Environmental Protection Agency testing methodologies 3580A and 8270C, or any other scientifically reliable methodology for determining the Listed Chemical content in a substance of the form of the Covered Products herein (“Reformulation Standard”), or those Covered Products exhibiting a warning in compliance with Proposition 65 (“Compliant Warning”).

3.2 Whenever a clear and reasonable warning is required under Section 3.1 for Covered Products offered for sale in the State of California, it shall state one of the warnings described in Section 3.3 in such a conspicuous and prominent manner as to be likely to be read and understood by the consumer prior to or at the time of the sale or purchase.

3.3 The Parties agree that any of the following warnings shall constitute a Compliant Warning for the Listed Chemical in the Covered Products:

(a) the text, **“WARNING This product can expose you to chemicals, including DEHP, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).”** accompanied by and placed to the right of a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline sized to be no smaller than the word, “WARNING” as provided by regulations adopted on or about August 30, 2016; or

(b) the text, **“WARNING Cancer and Reproductive Harm - [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).”** accompanied by and placed to the right of a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline sized to be no smaller than the word, “WARNING” as provided by regulations adopted on or about August 30, 2016.

The triangular warning symbol specified in Section 3.3(a) and 3.3(b) shall be in yellow with a black exclamation mark; *provided however*, the symbol may be printed in black and white if the Covered Products' label is not printed against a yellow background.

3.4 The Parties agree that the specifications for Compliant Warnings in this Settlement Agreement comply with Proposition 65 and its regulations as of the date of this Settlement Agreement, and with regulations adopted on or about August 30, 2016 and which became effective August 30, 2018.

3.5 If modifications or amendments to Proposition 65 or its regulations after the Effective Date are inconsistent with, or provide warning specifications or options different from, the specifications in this Settlement Agreement, NPW may modify the content and delivery methods of its warnings to conform to the modified or amended provisions of Proposition 65 or its regulations and that such modified warnings shall be deemed to comply fully with the provisions of this Settlement Agreement.

10.3 Within thirty (30) days (or such additional time as the Parties may mutually agree upon) of receiving the notice described in Section 10.2, NPW and Shefa shall meet and confer on the alleged violation. If NPW refutes the alleged violation (for example, by establishing the Covered Products meet the Reformulation Standard by producing test results documenting same), no further action is necessary. If NPW is unable to refute the violation, then NPW shall send the store or other place at which the Covered Products were available for sale to the public a letter directing that the Covered Products be immediately removed from inventory and returned to NPW.
