

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between the CENTER FOR ADVANCED PUBLIC AWARENESS, INC. ("CAPA") and FOREVER 21, INC. ("Forever 21"), with Forever 21 and CAPA each individually referred to as a "Party" and collectively as the "Parties."

1.2 Introduction and General Allegations.

1.2.1 CAPA is a not-for profit corporation duly organized and existing in the State of California, which seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products.

1.2.2 Forever 21 employs ten or more persons, and CAPA alleges that Forever 21 is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code section 25249.6 *et seq.* ("Proposition 65").

1.2.3 CAPA alleges that Forever 21 imported, sold, and/or distributed for sale in California, handbags, totes, cosmetic bags and purses (collectively "handbags") containing Di-(2-ethylhexyl) phthalate ("DEHP") and Di-isononyl Phthalate ("DINP"), which are chemicals pursuant to Proposition 65 listed by the State of California to cause cancer and reproductive toxicity, and CAPA alleges that Forever 21 failed to provide the health hazard warning required by Proposition 65 for exposures to DEHP and DINP from its handbags, specifically the Neon Green LED Bag, the Smiley Face Tote Bag, and the Bag Medium Pink.

1.3 Product Description.

The products covered by this Settlement Agreement are handbags including without limitation the Neon Green LED Bag, the Smiley Face Tote Bag, and the Bag Medium Pink, which

were imported, sold and/or distributed for sale in California by Forever 21 with SKU#s 103904021, 00084277011, and 00089146011 ("Covered Products").

1.4 60 Day Notices of Violation and Exchange of Information.

On August 2, 2017 and October 16, 2017, CAPA served Forever 21, and the requisite public enforcement agencies with three 60-Day Notices of Violation ("Notices"), related to the Covered Products, alleging that Forever 21 violated Proposition 65. The Notices alleged that Forever 21 had failed to warn their customers and consumers in California of the health hazards associated with exposures to DEHP and DINP from its import, sale and/or distribution of the Covered Products.

CAPA subsequently provided Forever 21 with test results in CAPA's possession concerning its allegations. Forever 21 provided CAPA with sales data related to the Covered Products. To the best of the Parties' knowledge, no public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notices.

1.5 No Admission.

The Parties enter into this Settlement Agreement to settle disputed claims between the Parties as set forth below concerning the Parties' and the Covered Products' compliance with Proposition 65 (the "Dispute"). Specifically, CAPA alleges that Forever 21 imported, manufactured, sold or distributed for sale in the state of California, Covered Products which contained DEHP and DINP without first providing the clear and reasonable exposure warning required by Proposition 65, and Forever 21 denies that such a warning is required under Proposition 65 or any otherwise applicable law.

Forever 21 denies the material, factual, and legal allegations contained in the Notices and maintains that all of the products that it has imported, manufactured and/or sold and distributed in California, including the Covered Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Forever 21 of any fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Forever 21 of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Forever

21. This Section shall not, however, diminish or otherwise affect Forever 21 's obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date.

For purposes of this Settlement Agreement, the term "Effective Date" shall mean February 12, 2018.

2. INJUNCTIVE RELIEF: REFORMULATED PRODUCTS

2.1 Reformulation Standard.

Forever 21 agrees to only import, manufacture and/or sell or offer for sale or purchase for sale in or into California, Covered Products which are "Reformulated Products." For purposes of this Settlement Agreement, "Reformulated Products" shall mean Covered Products, including any printed, applied, dyed or other graphic image present on any accessible component of any Covered Product, containing less than or equal to 1,000 parts per million (0.1%) DINP and DIDP in each accessible component when analyzed pursuant to Environmental Protection Agency testing methodologies 3580A and 8270C, CPSC-CH-C1001-09.3, or equivalent methodologies utilized by federal or state agencies for the purpose of determining DEHP and DINP content in a solid substance, or any other methodology utilized by federal or state agencies for the purpose of determining phthalate content in a solid substance ("Reformulation Standard").
