

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties. This Settlement Agreement is entered into by and between Anthony Ferreiro ("Ferreiro") and Fashion Enterprises, LLC dba Trend Lab, LLC ("Trend Lab"). Together, Ferreiro and Trend Lab are collectively referred to as the "Parties." Ferreiro is an individual that resides in the State of California, and seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Ferreiro alleges that Trend Lab is a company engaged in the course of doing business and is subject to the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code § 25249.6, *et seq.* ("Proposition 65").

1.2 General Allegations. Ferreiro alleges that Trend Lab has imported, distributed and/or sold in the State of California Trend Lab Diaper Bags that contain Diisononyl phthalate (DINP) without providing a requisite Proposition 65 exposure warning. On December 20, 2013, the State of California listed DINP as a chemical known to cause reproductive toxicity.

1.3 Product Description. The products covered by this Settlement Agreement are Trend Lab Diaper Bags (the "Product" or "Products") that have been imported, distributed, offered for sale and/or sold in California by Trend Lab, that contain DINP.

1.4 Notice of Violation. On October 26, 2017, Ferreiro served Trend Lab, Bed Bath & Beyond, Inc. ("BB&B"), Buy Buy Baby, Inc. ("Buy Buy Baby") and various public enforcement agencies with a document entitled "Notice of Violation of California Health & Safety Code § 25249.5, *et seq.*" (the "Notice"). The Notice provided Trend Lab and such others, including public enforcers, with notice that alleged that Trend Lab was in violation of California Health & Safety Code § 25249.5, for failing to warn consumers and customers that the Product exposed users in California to DINP. No public enforcer has diligently prosecuted the allegations set forth in the Notice.

1.5 No Admission. Trend Lab denies the material factual and legal allegations contained in the Notice and maintains that, to the best of its knowledge, all products that are or have been sold and distributed in California, including the Products, have been and are in compliance with

all laws. Nothing in this Settlement Agreement shall be construed as an admission by Trend Lab of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Trend Lab of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Trend Lab. However, Paragraph 1.5 shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement. Notwithstanding the allegations in the Notice, Trend Lab maintains that it has not knowingly manufactured, or caused to be manufactured, the Products for sale in California in violation of Proposition 65.

1.6 Effective Date. For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Agreement is last executed by the Parties.

2. INJUNCTIVE RELIEF: WARNINGS

2.1 Commencing ninety (90) days after the Effective Date, and continuing thereafter, Trend Lab shall not manufacture or order from any supplier any Products intended for retail sale in California that contains DINP on any component to which consumers are exposed in excess of 0.1% (1,000 ppm) (hereinafter "Reformulated Products") unless the Product is accompanied by a warning that complies with Article 6 of Title 27 of the California Code of Regulations. Products sold by Trend Lab before the date this Settlement Agreement is signed by both Parties may sell through without a warning even if not Reformulated Products. Until August 30, 2018, the warning shall consist of either:

- (a) The statement: "WARNING: This product contains a chemical known to the State of California to cause cancer."; or
- (b) (1) A symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline to the left of the word "warning" in bold all capital letters, followed by the statement "This product can expose you to chemicals including Diisononyl phthalate (DINP), which is known to the State of California to cause cancer. For more information, go to www.P65Warnings.ca.gov"; or (2) a warning consisting of a symbol that is a black exclamation point in a yellow equilateral triangle with a bold black outline to the left of the

word “warning” in bold all capital letters, followed by the statement “Cancer and Reproductive Harm - www.P65Warnings.ca.gov.”¹

For Products manufactured on and after August 30, 2018, the warning set forth in Paragraph 2.1(b) shall be used..

In the event the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, Trend Lab shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement.

2.2 The warning provided pursuant to Paragarapsh 2.1 shall be affixed to or printed on the Product’s packaging or labeling, or on a placard, shelf tag, sign or electronic device or automatic process, providing that the warning is displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. A warning may be contained in the same section of the packaging, labeling, or instruction booklet that states other safety warnings, if any, concerning the use of the product and shall be at least the same size as those other safety warnings.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE § 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, Trend Lab shall pay a total of \$500.00 as a Civil Penalty in accordance with this Section. The Civil Penalty payment shall be allocated in accordance with California Health & Safety Code § 25249.12(c)(1) and (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Ferreiro. The Civil Penalty payment(s) shall be delivered to the addresses identified in Paragraph 3.2, below. Trend Lab shall be liable for payment of interest, at a rate of 10% simple interest, for all amounts due and owing that are not received within the payment times set forth below.

4. REIMBURSEMENT OF FEES AND COSTS

The Parties acknowledge that Ferreiro and his counsel offered to reach preliminary agreement on the material terms of this dispute before reaching terms on the amount of fees and costs to be reimbursed to them. The Parties thereafter reached an accord on the compensation due to Ferreiro and his counsel under general contract principles and the private attorney general doctrine and principles codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution of this agreement. Under these legal principles, Trend Lab shall reimburse Ferreiro’s counsel for fees and costs incurred as a result of investigating and bringing this matter to Trend Lab’ attention, and negotiating a settlement in the public interest. Within ten (10) business days of the Effective Date, Trend Lab shall issue a check payable to “Brodsky & Smith, LLC” in the amount of \$14,500.00 for delivery to the address identified in Paragraph 3.2(a)(i), above.

5. RELEASE OF ALL CLAIMS

5.1 Release of Trend Lab and Downstream Customers and Entities. This Settlement Agreement is a full, final and binding resolution between Ferreiro, acting on his own behalf, and Trend Lab, of any violation of Proposition 65 that was or could have been asserted by Ferreiro or on behalf of his past and current agents, representatives, attorneys, successors, and/or assigns (“Releasers”) for failure to provide warnings for alleged exposures to DINP contained in the Products, and Releasers hereby release any such claims against Trend Lab and its parents, subsidiaries, affiliated entities, shareholders, marketplaces, directors, officers, agents, employees, attorneys, successors and assignees, and each entity to whom Trend Lab directly or indirectly distributes or sells

the Products, including but not limited to, upstream and downstream distributors, wholesalers, customers, retailers, including but not limited to Bed Bath & Beyond and Buy Buy Baby, and their respective subsidiaries, affiliates and parents, franchisees, shareholders, marketplaces, directors, officers, agents, employees, attorneys, successors and assignees, cooperative members and licensees, (collectively, the "Releasees"), from all claims for violations of Proposition 65 through the Effective Date based on their failure to warn about alleged exposures to the chemical DINP that is contained in the Products, and were manufactured, distributed, sold and/or offered for sale by Trend Lab to customers and consumers in the State of California.

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to Sections 3 and 4 above, Ferreiro, on behalf of himself, his past and current agents, representatives, attorneys, successors and/or assignees, hereby covenants not to sue and waives any right to institute, participate in, directly or indirectly, any form of legal action and releases all claims that he may have, including without limitation, all actions and causes of action in law and in equity, all obligations, expenses (including without limitation all attorneys' fees, expert fees, and investigation fees, and costs), damages, losses, liabilities and demands against any of the Releasees of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of the alleged or actual exposure to the chemical DINP in the Products.

5.2 Trend Lab's Release of Ferreiro. Trend Lab, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives any and all claims against Ferreiro, his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Ferreiro and/or her attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with respect to the Products.

5.3 California Civil Code § 1542. It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Products will develop or be discovered. Ferreiro on behalf of himself only, on one hand, and Trend Lab, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims up through

the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in Paragraphs 5.1 and 5.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Ferreiro and Trend Lab each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5.4 Deemed Compliance with Proposition 65. Compliance by Trend Lab with this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposures to DINP in the Products.

5.5. Public Benefit. It is Trend Lab' understanding that the commitments it has agreed to herein, and actions to be taken by Trend Lab under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of Trend Lab that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to Trend Lab failure to provide a warning concerning exposure to DINP with respect to the Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Products addressed in this Settlement Agreement, provided that Trend Lab is in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected but only to the extent the deletion of the provision

deemed unenforceable does not materially affect, or otherwise result in the effect of the Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement.

7. **GOVERNING LAW**

The terms of this Settlement Agreement shall be governed by the law of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable or limited by reason of law generally, or as to the Products, Trend Lab shall provide written notice to Ferreiro of any asserted change in the law, and shall have no further obligations pursuant to this Settlement Agreement with respect to, and to the extent that, a Product is so affected.

8. **NOTICES**

Unless specified herein, all correspondence and notices required to be provided pursuant to this Settlement Agreement shall be in writing and personally delivered or sent by: (i) first-class (registered or certified mail) return receipt requested; or (ii) overnight or two-day courier on any party by the other party to the following addresses:

10. **COMPLIANCE WITH HEALTH & SAFETY CODE § 25249.7(f)**

Ferreiro agrees to comply with the reporting requirements referenced in Health & Safety Code § 25249.7(f).

11. **MODIFICATION**

This Settlement Agreement may be modified only by a written agreement of the Parties.

12. **ENTIRE AGREEMENT**
