

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1. Ecological Alliance, LLC and Great Neck Saw Manufacturers, Inc.

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and Great Neck Saw Manufacturers, Inc. ("Great Neck"), on the other hand, with Ecological and Great Neck collectively referred to as the "Parties."

1.2. General Allegations

Ecological alleges that Great Neck manufactured and distributed and offered for sale in the State of California pliers containing Di(2-ethylhexyl)phthalate (DEHP) and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed DEHP under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

1.3. Product Description

The products that are covered by this Settlement Agreement are defined as pliers that Great Neck has sold, offered for sale or distributed in California and that contain DEHP. All such items shall be referred to herein as the "Products."

1.4. Notice of Violation

On November 3, 2017, Ecological served Great Neck, Big Lots Stores, Inc., and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" ("Notice") that provided Great Neck and such public enforcers with notice that Great Neck was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn

consumers and customers that the Products exposed users in California to DEHP. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission

The parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Great Neck's compliance with Proposition 65. Specifically, Great Neck denies the material factual and legal allegations contained in Ecological's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Great Neck of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Great Neck of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Great Neck. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Great Neck under this Settlement Agreement.

1.6. Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

2. INJUNCTIVE RELIEF: REFORMULATION AND WARNINGS

Great Neck shall manufacture, import, or otherwise source for authorized sale in California only Reformulated Products, as defined pursuant to Section 2.1 below, unless such Products are labeled with a clear and reasonable Proposition 65 warning pursuant to Section 2.3

below. Products that were acquired or supplied to third parties by Great Neck prior to 90 days after the Effective Date shall be deemed exempted from the requirements of this Section 2 and shall be permitted to be sold through as previously manufactured, packaged and labeled.

2.1. Reformulation Standards

“Reformulated Products” are defined as those Products containing DEHP in concentrations less than 0.1 percent (1,000 parts per million) when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or any other methodology utilized by federal or state agencies for the purpose of determining the DEHP content in a solid substance.

2.2. Extended Reformulation Commitment

As of the Effective Date, Great Neck shall also not manufacture, import, or distribute the Products for sale in the State of California unless they contain concentrations of less than 0.1 percent (1,000 parts per million) each of butyl benzyl phthalate (“BBP”), di-n-butyl phthalate (“DBP”), di-isodecyl phthalate (“DIDP”), diisononyl phthalate (“DINP”), and Di-n-hexyl Phthalate (DnHP) (collectively, the “Additional Listed Phthalates,”) when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or any other methodology utilized by federal or state agencies for the purpose of determining phthalate content in a solid substance.

2.3. Warning Language

Where required, Great Neck shall provide Proposition 65 warnings as follows:

- (a) Great Neck may use any of the following warning statements in full compliance with this Section:

- (1) **WARNING:** This product contains a chemical known to the State of California to cause birth defects and other reproductive harm.
- (2) **WARNING:** This product contains chemicals known to the State of California to cause cancer and birth defects, or other reproductive harm.
- (3) **WARNING:** This product can expose you to chemicals including DEHP, which are known to the State of California to cause cancer, birth defects or other reproductive harm. For more info go to www.P65Warnings.ca.gov.

- (5) **WARNING:** This product contains one or more chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. *Wash hands after handling.*

(b) If Great Neck elects to use the warning statements identified in either 2.3(a)(3) or (4), it may also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the sign, label or shelf tag for the product is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word "WARNING".

(c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties

recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(d) If Proposition 65 warnings for DEHP should no longer be required, Great Neck shall have no further obligations pursuant to this Settlement Agreement.

3. **PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)**

In settlement of all the claims referred to in this Settlement Agreement, Great Neck shall pay a total of \$400 in civil penalties in accordance with this Section. The penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Ecological. Ecological's counsel shall be responsible for delivering OEHHA's portion of any penalty payment made under this Settlement Agreement.

4. **REIMBURSEMENT OF FEES AND COSTS**

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Great Neck shall reimburse Ecological's counsel for fees and costs, incurred as a result of investigating and bringing this matter to Great Neck's attention. Great Neck shall pay Ecological's counsel \$9,600 for all attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice.

5. **PAYMENT INFORMATION**

By January 10, 2018, Great Neck shall make a total payment of Ten Thousand Dollars (\$10,000) for the civil penalties and attorney's fees / costs by wire transfer to Plaintiff's counsel Custodio & Dubey LLP:

Ecological acknowledges that it is familiar with California Civil Code section 1542, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Ecological, in its capacity only, and on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of California Civil Code section 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.

7. **GOVERNING LAW**

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California.
