

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Anthony E. Held, Ph.D., P.E. (“Held”) and ToolPro, Inc. (“ToolPro”), with Held and ToolPro each individually referred to as a “Party” and, collectively, as the “Parties.” Held is an individual residing in the State of California who seeks to promote awareness of exposures to toxic chemicals and to improve human health, by reducing or eliminating hazardous substances used in consumer products. ToolPro employs ten or more persons and is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code § 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

Held alleges that ToolPro manufactures, imports, sells and/or distributes for sale, in or into California, vinyl/PVC spring clamp grips containing di(2-ethylhexyl)phthalate (“DEHP”), and that it does so without first providing the health hazard warning required by Proposition 65. DEHP is listed pursuant to Proposition 65 as a chemical known to cause birth defects or other reproductive harm.

1.3 Product Description

The products covered by this Settlement Agreement are vinyl/PVC spring clamp grips containing DEHP that are manufactured, imported, sold or distributed for sale in California by ToolPro, including, but not limited to, the *ToolPro 4” Spring Clamps, TP05140, UPC #6 76308 05140 4* (hereinafter, “Products”).

1.4 Notice of Violation

On December 13, 2017, Held served ToolPro, the California Attorney General, and other requisite public enforcers with a 60-Day Notice of Violation (“Notice”), alleging that ToolPro violated Proposition 65 when it failed to warn its customers and consumers in California of the health risks associated with exposures to DEHP from the Products. To the best of the Parties’

knowledge, no public enforcer has commenced and is diligently prosecuting an action to enforce the violations alleged in the Notice.

1.5 No Admission

ToolPro denies the material, factual, and legal allegations in the Notice, and maintains that all of the products it sold and distributed for sale in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by ToolPro of any fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by ToolPro of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by ToolPro. This Section shall not, however, diminish or otherwise affect ToolPro's obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean August 30, 2018.

2. INJUNCTIVE RELIEF: REFORMULATED PRODUCTS AND WARNINGS

Commencing on the Effective Date and continuing thereafter, ToolPro agrees to only manufacture for sale, import for sale, sell or distribute for sale, in California, Products that are either: (a) Reformulated Products, as defined in Section 2.1, below; or (b) Products bearing one of the Proposition 65-compliant health hazard warnings, detailed in Sections 2.2 and 2.3, below.

2.1 Reformulated Products Defined

For purposes of this Consent Judgment, "Reformulated Products" are defined as Products containing DEHP in maximum concentrations of less than 0.1 percent (1,000 parts per million) in any accessible component (i.e., any component that may be touched during a reasonably foreseeable use) when analyzed by a laboratory accredited by the State of California, a federal agency, or a nationally accrediting organization. For purposes of compliance with this reformulation standard, testing samples shall be prepared and extracted using Consumer Product Safety Commission ("CPSC") methodology CPSC-CH-C1001.09.3 and analyzed using U.S.

Environmental Protection Agency (“EPA”) methodology 8270D, or other equivalent methodologies utilized by federal or state agencies for the purpose of determining DEHP content in a solid substance.

2.2 Clear and Reasonable Warnings

Commencing on the Effective Date and continuing thereafter, for all Products that do not qualify as Reformulated Products, ToolPro agrees to provide clear and reasonable warnings, as set forth in this Section, for all Products manufactured, distributed or sold, in California. Each warning shall be prominently placed with such conspicuousness as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions *before* purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Product the warning applies, so as to minimize the risk of consumer confusion. For purposes of this Settlement Agreement, a clear and reasonable warning displayed or transmitted according the above criteria, and containing the following statement, shall satisfy these requirements:

 **WARNING:** This product can expose you to chemicals, including DEHP, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov

Or, if placed directly on a Product or the Product’s packaging and/or labeling, ToolPro may use the following short-form warning statement, provided it appears in a type size no smaller than the largest type size used for other consumer information on the Product’s label and in no case smaller than 6-point type:

 **WARNING:** Cancer and Reproductive Harm - www.P65Warnings.ca.gov/product

2.3 Internet Product Warnings

In the event ToolPro sells Products that do not qualify as Reformulated Products via the internet to customers located in California, the warning requirements of this Section shall be satisfied if, prior to purchase: (a) one of the foregoing warnings, described in Section 2.2, appears on the same page, in the same type size or larger than the Product description text, as the Product; (b) a warning appears on the same web page as the price for the Product, in the same type size or larger than the Product description text; (c) a warning appears on one or more web pages displayed to the consumer prior to purchase, in the same type size or larger than the Product description text; or (d) a hyperlink, clearly marked “WARNING,” appears on the Product display page, in type large enough so that the consumer does not have to search for it, and a prominently placed warning appears elsewhere, such as on the Product description page, in a manner that clearly associates it with the Product to which the warning applies, prior to checkout or purchase.

3. MONETARY SETTLEMENT TERMS

3.1 Civil Penalty Payment

Pursuant to Health and Safety Code § 25249.7(b), and in settlement of all the claims alleged in the Notice and referred to in this Settlement Agreement, within five days of the Effective Date, ToolPro agrees to pay \$2,250 in civil penalties. The civil penalty payment shall be allocated according to Health and Safety Code §§ 25249.12(c)(1) and (d), with seventy-five percent (75%) of the penalty paid to the California Office of Environmental Health Hazard Assessment (“OEHHA”), and the remaining twenty-five percent (25%) of the penalty paid to Held. ToolPro shall issue its payment in two checks for the following amounts: (a) “OEHHA” in the amount of \$1,687.50; and (b) “Russell Held, Client Trust Account” in the amount of \$562.50. Held’s counsel shall be responsible for delivering OEHHA’s portion of any penalty payment made under this Settlement Agreement.

3.2 Attorneys' Fees and Costs

The parties acknowledge that Held and his counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving the issue to be resolved after the material terms of this Settlement Agreement had been settled. After the Parties reached an agreement as to all other settlement terms, the Parties then reached an accord on the compensation due to Held and his counsel, under general contract principles and the private attorney general doctrine, codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution of this Settlement Agreement. Under these legal principles, the parties agree that ToolPro shall pay \$22,500 to Held and his counsel for all fees and costs incurred in investigating, bringing this matter to the attention of ToolPro's management, and negotiating a settlement in the public interest.

Within five days of the Effective Date, ToolPro shall make the first of three equal installment payments of \$7,500 each, in the form of a check payable to "The Chanler Group" and delivered to the address listed in Section 3., below. The following two installments payments of \$7,500 each, payable to "The Chanler Group" and delivered to the address in Section 3.3, shall be due on or before November 5, 2018 and December 20, 2018, respectively.

3.3 Payment Address

All payments required by this Settlement Agreement shall be delivered to:

The Chanler Group
Attn: Proposition 65 Controller
2560 Ninth Street
Parker Plaza, Suite 214
Berkeley, CA 94710

4. CLAIMS COVERED AND RELEASED

4.1 Held's Release of ToolPro

This Settlement Agreement is a full, final, and binding resolution between Held, on his own behalf and not on behalf of the public, and ToolPro, of any violation of Proposition 65 that was or could have been asserted by Held, on his own behalf, on behalf of his past and current agents, representatives, attorneys, successors, and assignees, against ToolPro, its parents,

The releases provided by Held under this Settlement Agreement are provided solely on Held’s behalf and are not releases on behalf of the public.

4.2 ToolPro’s Release of Held

ToolPro, on its own behalf and on behalf of its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against Held and his attorneys and other representatives, for any and all actions taken or statements made by Held and his attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Products.

If, subsequent to the execution of this Settlement Agreement, any provision of this

Settlement Agreement is held by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or otherwise rendered inapplicable by reason of law generally, or as to the Products, then ToolPro may provide written notice to Held of any asserted change in the law, and shall have no further injunctive obligations pursuant to this Settlement Agreement with respect to, and to the extent that, the Products are so affected.
