SETTLEMENT AGREEMENT

BETWEEN SHEFA LMV, INC. AND VIBRATEX, INC.

Shefa LMV, INC. (“Shefa”) and Vibratex, Inc. (“Defendant”), collectively referred to as the “Parties,” enter into this agreement (“Settlement Agreement”) for the purpose of avoiding prolonged and costly litigation to settle Shefa’s allegations that Defendant and certain Releasees and Additional Releasees, as defined below, violated the California Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code §25249.6 et seq. (“Proposition 65”). The effective date of this Settlement Agreement shall be the date upon which it is fully executed by all Parties hereto (the “Effective Date”).

1.0 Introduction

1.1 Shefa is a California-based entity that seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer and industrial products.

1.2 Shefa alleges that Defendant manufactures, imports, sells, or distributes for sale in the State of California, massager products that contain Di(2-ethylhexyl)phthalate (“DEHP”) and/or Diisononyl Phthalate (“DINP”) without first providing a clear and reasonable warning as required by Proposition 65.

1.3 DEHP is listed pursuant to Proposition 65 as a carcinogen and a reproductive toxin.

1.4 DINP is listed pursuant to Proposition 65 as a carcinogen.

1.5 The products covered by this Settlement Agreement are massager products manufactured by or for Defendant, imported by or for Defendant, or distributed or sold by Defendant, including, but not limited to, The Girls Amie Vibratex Vibrator and the Magic Wand

Personal Massager (“Covered Products”).

1.6 On January 1, 1988, the State of California added DEHP to the list of chemicals known to the State to cause cancer.

1.7 On October 4, 2003, the State of California added DEHP to the list of chemicals known to the State to cause reproductive harm.

1.8 On December 20, 2013, the State of California added DINP to the list of chemicals known to the State to cause cancer.

1.9 These additions took place more than twelve (12) months before Shefa served Defendant with its “60-Day Notice of Violation,” which is further described below.

1.10 DINP and DEHP are referred to hereinafter as the “Listed Chemicals.”

1.11 On or about July 10, 2017, Shefa served LFP, Inc. and Defendant, as well as certain relevant public enforcement agencies with a document entitled “60-Day Notice of Violation” (“LFP Notice”) advising of its intent to sue for alleged violations of Proposition 65 arising from or related to the Covered Products containing DINP.

1.12 On or about January 19, 2018, Shefa served Hitachi Ltd., as well as certain relevant public enforcement agencies with a document entitled “60-Day Notice of Violation” (“Hitachi Notice”) advising of its intent to sue for alleged violations of Proposition 65 arising from or related to the Covered Products containing DEHP.

1.13 On or about May 18, 2018, Shefa served Defendant, as well as certain relevant public enforcement agencies with a document entitled “60-Day Notice of Violation” (“Vibratex Notice”) advising of its intent to sue for alleged violations of Proposition 65 arising from or related to the Covered Products containing the Listed Chemicals.

1.14 The Vibratex Notice alleged that Defendant violated Proposition 65 by failing to

warn consumers in California that use of Covered Products purportedly exposed users to the Listed Chemicals.

1.15 To the best of the Parties' knowledge, no public enforcer has commenced and is diligently prosecuting the same allegations against Defendant.

1.16 Defendant denies the material, factual and legal allegations contained in the Notice, and maintains that all of the products that it has sold and distributed in California, including the Covered Products, are and have been in compliance with all laws, including Proposition 65.

1.17 The Parties enter into this Settlement Agreement to settle disputed claims between the Parties as alleged in the LFP Notice, Hitachi Notice and Vibratex Notice and as set forth below concerning the Parties' and the Covered Products' compliance with Proposition 65 (the "Dispute").

1.18 By entering into this Settlement Agreement, the Parties do not admit any facts or conclusions of law, including, but not limited to, any facts or conclusions of law regarding any alleged violation of Proposition 65, or any other statutory, regulatory, common law, or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission against interest, by any Party, of any alleged fact, conclusion of law, issue of law, or violation of law.

1.19 Nothing in this Settlement Agreement, nor compliance with its terms, shall constitute or be construed, considered, offered, or admitted as evidence of an admission against interest or evidence of fault, wrongdoing, or liability by Defendant, its officers, directors, employees, parents, subsidiaries or affiliated corporations, any person acting for Defendant, any direct or indirect customer of Defendant who sold or sells the Covered Products, and/or any Additional Releasees, as defined below, in any administrative or judicial proceeding or litigation

in any court, agency, or forum.

2.0 Release

2.1 This Settlement Agreement is a full, final, and binding resolution between Shefa, individually and *not* in its representative capacity and (a) Defendant, and its owners, parents, subsidiaries, affiliates, sister and related companies, employees, licensors, licensees, brands, shareholders, members, officers, directors, insurers, agents, attorneys, predecessors, successors, and assigns (collectively, “Releasees”), and (b) all entities from which Releasees have obtained the Covered Products and to whom Releasees directly or indirectly have provided, distributed, or sold the Covered Products, including but not limited to suppliers, distributors, wholesalers, customers, retailers, franchisees, cooperative members, and licensees, including LFP, Inc. and Hitachi Ltd., and their respective attorneys, officers, directors, employees, agents, contractors, subcontractors, predecessors, successors, assigns, subsidiaries, parent(s) and affiliated companies (and each of the officers, directors, legal representatives, insurers, and assigns thereof) (collectively, “Additional Releasees”), on the other hand, of any violation(s) or claimed violation(s) of Proposition 65, or any statutory or common law claim that has been, could have been or may in the future be asserted against the Releasees and/or Additional Releasees regarding exposing persons to the Listed Chemicals and the failure to warn about exposure to the Listed Chemicals arising in connection with the Covered Products manufactured, shipped, and/or otherwise distributed prior to the Effective Date, even if sold by Additional Releasees after the Effective Date.

2.2 Shefa, its past and current agents, representatives, attorneys, successors, and/or assignees, but not in its capacity as a representative of the public, hereby waives and releases with respect to the Covered Products all rights to institute or participate in, directly or indirectly,

any form of legal action, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses (including, but not limited to, investigation fees, expert fees, and attorneys' fees) (collectively the "Claims"), against Releasees and/or Additional Releasees that arise under Proposition 65 or any other statutory or common law claims that were or could have been asserted with respect to any Covered Products sold up to the Effective Date, including without limitation to the extent that such claims relate to Releasees' and/or Additional Releasees' alleged exposure of persons to the Listed Chemicals contained in the Covered Products or any failure by Releasees and Additional Releasees to warn about exposures to the Listed Chemicals contained in the Covered Products.

2.3 Shefa acknowledges that it is familiar with Section 1542 of the California Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Shefa, its past and current agents, representatives, attorneys, successors, and/or assignees, in its individual and not representative capacity, expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of, California Civil Code section 1542, as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such

rights or benefits pertaining to the released matters. Shefa acknowledges and understands the significance and consequences of this specific waiver of California Civil Code section 1542.

2.4 It is the Parties' understanding that the commitments Defendant has agreed to herein, and the actions to be taken by Defendant under this Settlement Agreement, would confer a significant public benefit, as set forth in California Civil Procedure Code section 1021.5 and Cal. Admin. Code tit. 11, section 3201. As such, it is the Parties' intent that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to Defendant's, Releasees' or any Additional Releasees' failure to provide a warning concerning exposure to DEHP and/or DINP with respect to the Covered Products they have respectively manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Covered Products addressed in this Settlement Agreement, provided that Defendant is in material compliance with this Settlement Agreement.

3.0 Defendant's Duties

3.1 Commencing on the Effective Date, Defendant shall only sell or offer for sale, in California, Covered Products that are Compliant Products. For purposes of this Settlement Agreement, Compliant Products are defined as those Covered Products either (a) containing the Listed Chemicals in a concentration for each chemical of less than or equal to 1,000 parts per million ("ppm") (0.1%) when analyzed pursuant to a scientifically reliable application of U.S. Environmental Protection Agency testing methodologies 3580A and 8270C, or any other scientifically reliable methodology used for determining the Listed Chemicals concentration in a substance of the form of the Covered Products herein ("Reformulation Standard"), or (b)

exhibiting a warning in compliance with Proposition 65 (“Compliant Warning”).

3.2 Whenever a clear and reasonable warning is required under Section 3.1 for Covered Products offered for sale in the State of California, it shall state one of the warnings described in Section 3.3 in such a conspicuous and prominent manner as to be likely read and understood by the consumer prior to or at the time of the sale or purchase.

3.3 The Parties agree that the following warning shall constitute a Compliant Warning for the Listed Chemicals in the Covered Products:

(a) the text, “**WARNING:** Cancer and Reproductive Harm - www.P65Warnings.ca.gov.” accompanied by and placed to the right of a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline sized to be no smaller than the word, “WARNING” as provided by regulations adopted on or about August 30, 2016 and any subsequent amendments thereto.

3.4 No Proposition 65 warnings for the Listed Chemicals shall be required as to any Covered Products that are already in the stream of commerce as of the Effective Date.

3.5 In lieu of the warning set forth in Section 3.3, Defendant may use any warning that complies with Title 27, California Code of Regulations, section 25600 *et seq.*, as amended August 30, 2016 and subsequently thereafter.

9.1 This Settlement Agreement shall apply to, be binding upon, and inure to the benefit of, Shefa, Defendant, the Releasees and Additional Releasees. Defendant's compliance with this Settlement Agreement shall constitute compliance with Proposition 65 by Defendant, the Releasees and the Additional Releasees with regard to the Listed Chemicals in the Covered Products.

10.0 Enforcement of Settlement Agreement

10.1 Any Party may file suit before the Superior Court of the County of Los Angeles, consistent with the terms and conditions set forth in Sections 10.2 and 10.3 of this Settlement Agreement, to enforce the terms and conditions contained in this Settlement Agreement.

10.2 No action to enforce this Settlement Agreement may be commenced or maintained, and no notice of violation related to the Covered Products may be served or filed against Defendant, the Releasees or the Additional Releasees by Shefa, unless the Party seeking enforcement or alleging violation notifies the other Party of the specific act(s) alleged to constitute a breach of this Settlement Agreement at least ninety (90) days before serving or filing any action or Notice of violation and the entity receiving the notice fails to comply with the requirements set forth in Section 10.3 below. Any notice to Defendant alleging a new violation with respect to a Covered Product must contain (a) the name of the product, including SKU, if applicable, (b) specific dates when the product was sold after the Effective Date in California without reformulation or a warning, (c) the store or other place at which the product was available for sale to consumers, (d) evidence that the Reformulation Standard was exceeded or a warning was not provided, and (e) any other evidence or other support for the allegations in the notice.

10.3 Within thirty (30) days (or such additional time as the Parties may mutually agree

upon) of receiving the notice described in Section 10.2, Defendant and Shefa shall meet and confer on the alleged violation. If Defendant refutes the alleged violation (for example, by establishing the Covered Products are subject to the releases of claims herein or producing test results documenting the subject Covered Product meets the Reformulation Standard), no further action is necessary. If Shefa establishes the violation, then Defendant shall send the store or other place at which the product was available for sale to the public a letter directing that the subject Covered Product be immediately removed from inventory and returned to Defendant. Should the Parties be unable to resolve the dispute, any Party may seek relief under Section 10.1.
