CASE NO. RG18902964

STIPULATED CONSENT
JUDGMENT

Health & Safety Code § 25249.5 *et seq.*

Action Filed: April 30, 2018

Trial Date: None set

23 **1. INTRODUCTION**

24 **1.1** On April 30, 2018, Plaintiff Environmental Research Center, Inc. (“ERC”), a non-
25 profit corporation, as a private enforcer and in the public interest, initiated this action by filing a
26 Complaint for Injunctive and Declaratory Relief and Civil Penalties (the “Complaint”) pursuant
27 to the provisions of California Health and Safety Code section 25249.5 *et seq.* (“Proposition
28

1 65”), against FitPro USA LLC (“FitPro”) and Does 1-100. In this action, ERC alleges that one
2 of the products manufactured, distributed, or sold by FitPro contains lead, a chemical listed
3 under Proposition 65 as a carcinogen and reproductive toxin, and exposes consumers to this
4 chemical at a level requiring a Proposition 65 warning. This product (referred to hereinafter
5 individually as a “Covered Product”) is: (1) FitPro Energy & Performance Range Active Greens
6 Green Apple.

7 1.2 ERC and FitPro are hereinafter referred to individually as a “Party” or
8 collectively as the “Parties.”

9 1.3 ERC is a 501 (c)(3) California non-profit corporation dedicated to, among other
10 causes, helping safeguard the public from health hazards by reducing the use and misuse of
11 hazardous and toxic chemicals, facilitating a safe environment for consumers and employees,
12 and encouraging corporate responsibility.

13 1.4 For purposes of this Consent Judgment, FitPro does not dispute that it is a business
14 entity that has employed ten or more persons at all times relevant to this action, and qualifies as a
15 “person in the course of doing business” within the meaning of Proposition 65. FitPro
16 manufactures, distributes, and/or sells the Covered Product.

17 1.5 The Complaint is based on allegations contained in ERC’s Notice of Violation
18 dated February 20, 2018 that was served on the California Attorney General, other public
19 enforcers, and FitPro (“Notice”). A true and correct copy of the 60-Day Notice dated February
20 20, 2018 is attached hereto as **Exhibit A** and is incorporated herein by reference. More than 60
21 days have passed since the Notice was served on the Attorney General, public enforcers, and
22 FitPro and no designated governmental entity has filed a complaint against FitPro with regard
23 to the Covered Product or the alleged violations.

24 1.6 ERC’s Notice and Complaint allege that use of the Covered Product exposes
25 persons in California to lead without first providing clear and reasonable warnings in violation
26 of California Health and Safety Code section 25249.6. FitPro denies all material allegations
27 contained in the Notice and Complaint.

28 ///

1 1.7 The Parties have entered into this Consent Judgment in order to settle,
2 compromise, and resolve disputed claims and thus avoid prolonged and costly litigation.
3 Nothing in this Consent Judgment nor compliance with this Consent Judgment shall constitute or
4 be construed as an admission by any of the Parties or by any of their respective officers,
5 directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, franchisees,
6 licensees, customers, suppliers, distributors, wholesalers, or retailers of any fact, issue of law, or
7 violation of law.

8 1.8 Except as expressly set forth herein, nothing in this Consent Judgment shall
9 prejudice, waive, or impair any right, remedy, argument, or defense the Parties may have in any
10 current or future legal proceeding unrelated to these proceedings.

11 1.9 The Effective Date of this Consent Judgment is the date on which it is entered as
12 a Judgment by this Court.

13 1.10 FitPro has ceased sales of the Covered Product and shall continue its cessation of
14 sales of the Covered Product.

15 **2. JURISDICTION AND VENUE**

16 For purposes of this Consent Judgment and any further court action that may become
17 necessary to enforce this Consent Judgment, the Parties stipulate that this Court has subject matter
18 jurisdiction over the allegations of violations contained in the Complaint, personal jurisdiction
19 over FitPro as to the acts alleged in the Complaint, that venue is proper in Alameda County, and
20 that this Court has jurisdiction to enter this Consent Judgment as a full, final and binding
21 resolution of all claims up through and including the Effective Date which were or could have
22 been asserted in this action based on the facts alleged in the Notice and Complaint.

23 **3. INJUNCTIVE RELIEF**

24 Beginning on the Effective Date, FitPro shall be permanently enjoined from
25 manufacturing for sale in the State of California, "Distributing into the State of California," or
26 directly selling in the State of California, any Covered Product.

27 **4. SETTLEMENT PAYMENT**

28 4.1 In full satisfaction of all potential civil penalties, additional settlement payments,

1 attorney's fees, and costs, FitPro shall make a total payment of \$29,495.48 ("Total Settlement
2 Amount") to ERC within 5 days of the Effective Date ("Due Date"). FitPro shall make this
3 payment by wire transfer to ERC's account, for which ERC will give FitPro the necessary
4 account information. The Total Settlement Amount shall be apportioned as follows:

5 **4.2** \$1,500.00 shall be considered a civil penalty pursuant to California Health and
6 Safety Code section 25249.7(b)(1). ERC shall remit 75% (\$1,125.00) of the civil penalty to the
7 Office of Environmental Health Hazard Assessment ("OEHHA") for deposit in the Safe
8 Drinking Water and Toxic Enforcement Fund in accordance with California Health and Safety
9 Code section 25249.12(c). ERC will retain the remaining 25% (\$375.00) of the civil penalty.

10 **4.3** \$2,336.76 shall be distributed to ERC as reimbursement to ERC for reasonable
11 costs incurred in bringing this action.

12 **4.4** \$10,007.50 shall be distributed to Michael Freund as reimbursement of ERC's
13 attorney's fees, \$292.50 shall be distributed to Ryan Hoffman as reimbursement of ERC's
14 attorney's fees, while \$15,358.72 shall be distributed to ERC for its in-house legal fees. Except
15 as explicitly provided herein, each Party shall bear its own fees and costs.

16 **4.5** In the event that FitPro fails to remit the Total Settlement Amount owed under
17 Section 4 of this Consent Judgment on or before the Due Date, FitPro shall be deemed to be in
18 material breach of its obligations under this Consent Judgment. ERC shall provide written
19 notice of the delinquency to FitPro via electronic mail. If FitPro fails to deliver the Total
20 Settlement Amount within five (5) days from the written notice, the Total Settlement Amount
21 shall accrue interest at the statutory judgment interest rate provided in the California Code of
22 Civil Procedure section 685.010. Additionally, FitPro agrees to pay ERC's reasonable
23 attorney's fees and costs for any efforts to collect the payment due under this Consent
24 Judgment.

25 **5. MODIFICATION OF CONSENT JUDGMENT**

26 **5.1** This Consent Judgment may be modified only as to injunctive terms (i) by
27 written stipulation of the Parties and upon entry by the Court of a modified consent judgment or
28

1 (ii) by motion of either Party pursuant to Section 5.3 or 5.4 and upon entry by the Court of a
2 modified consent judgment.

3 **5.2** If FitPro seeks to modify this Consent Judgment under Section 5.1, then FitPro
4 must provide written notice to ERC of its intent ("Notice of Intent"). If ERC seeks to meet and
5 confer regarding the proposed modification in the Notice of Intent, then ERC must provide
6 written notice to FitPro within thirty (30) days of receiving the Notice of Intent. If ERC
7 notifies FitPro in a timely manner of ERC's intent to meet and confer, then the Parties shall
8 meet and confer in good faith as required in this Section. The Parties shall meet in person or
9 via telephone within thirty (30) days of ERC's notification of its intent to meet and confer.
10 Within thirty (30) days of such meeting, if ERC disputes the proposed modification, ERC shall
11 provide to FitPro a written basis for its position. The Parties shall continue to meet and confer
12 for an additional thirty (30) days in an effort to resolve any remaining disputes. Should it
13 become necessary, the Parties may agree in writing to different deadlines for the meet-and-
14 confer period.

15 **5.3** In the event that FitPro initiates or otherwise requests a modification under
16 Section 5.1, and the meet and confer process leads to a joint motion or application for a
17 modification of the Consent Judgment, FitPro shall reimburse ERC its costs and reasonable
18 attorney's fees for the time spent in the meet-and-confer process and filing and arguing the
19 motion or application.

20 **5.4** Where the meet-and-confer process does not lead to a joint motion or
21 application in support of a modification of the Consent Judgment, then either Party may seek
22 judicial relief on its own. In any such contested court proceeding, ERC may seek costs and any
23 attorney's fees incurred in opposing the motion pursuant to California Code of Civil Procedure
24 section 1021.5.

25 **6. RETENTION OF JURISDICTION, ENFORCEMENT OF CONSENT**
26 **JUDGMENT**

27 This Court shall retain jurisdiction of this matter to enforce, modify, or terminate this
28 Consent Judgment.

1 **7. APPLICATION OF CONSENT JUDGMENT**

2 This Consent Judgment may apply to, be binding upon, and benefit the Parties and their
3 respective officers, directors, shareholders, employees, agents, parent companies, subsidiaries,
4 divisions, franchisees, licensees, customers (excluding private labelers), distributors, wholesalers,
5 retailers, predecessors, successors, and assigns. This Consent Judgment shall have no
6 application to any Covered Product which is distributed or sold exclusively outside the State of
7 California and which is not used by California consumers.

8 **8. BINDING EFFECT, CLAIMS COVERED AND RELEASED**

9 **8.1** This Consent Judgment is a full, final, and binding resolution between ERC, on
10 behalf of itself and in the public interest, and FitPro and its respective officers, directors,
11 shareholders, employees, agents, parent companies, subsidiaries, divisions, suppliers,
12 franchisees, licensees, customers (not including private label customers of FitPro), distributors,
13 wholesalers, retailers, and all other upstream and downstream entities in the distribution chain
14 of any Covered Product, and the predecessors, successors, and assigns of any of them
15 (collectively, "Released Parties"). ERC, on behalf of itself and in the public interest, hereby
16 fully releases and discharges the Released Parties from any and all claims, actions, causes of
17 action, suits, demands, liabilities, damages, penalties, fees, costs, and expenses asserted, or that
18 could have been asserted from the handling, use, or consumption of the Covered Product, as to
19 any alleged violation of Proposition 65 or its implementing regulations arising from the failure
20 to provide Proposition 65 warnings on the Covered Product regarding lead up to and including
21 the Effective Date.

22 **8.2** ERC on its own behalf only, and FitPro on its own behalf only, further waive
23 and release any and all claims they may have against each other for all actions or statements
24 made or undertaken in the course of seeking or opposing enforcement of Proposition 65 in
25 connection with the Notice and Complaint up through and including the Effective Date,
26 provided, however, that nothing in Section 8 shall affect or limit any Party's right to seek to
27 enforce the terms of this Consent Judgment.

28 **8.3** It is possible that other claims not known to the Parties, arising out of the facts

1 alleged in the Notice and Complaint, and relating to the Covered Product, will develop or be
2 discovered. ERC on behalf of itself only, and FitPro on behalf of itself only, acknowledge that
3 this Consent Judgment is expressly intended to cover and include all such claims up through
4 and including the Effective Date, including all rights of action therefore. ERC and FitPro
5 acknowledge that the claims released in Sections 8.1 and 8.2 above may include unknown
6 claims, and nevertheless waive California Civil Code section 1542 as to any such unknown
7 claims. California Civil Code section 1542 reads as follows:

8 A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE
9 CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER
10 FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF
11 KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS
12 OR HER SETTLEMENT WITH THE DEBTOR.

11 ERC on behalf of itself only, and FitPro on behalf of itself only, acknowledge and understand
12 the significance and consequences of this specific waiver of California Civil Code section
13 1542.

14 **8.4** Compliance with the terms of this Consent Judgment shall be deemed to
15 constitute compliance with Proposition 65 by any releasee regarding alleged exposures to lead
16 in the Covered Product as set forth in the Notice and Complaint.

17 **8.5** Nothing in this Consent Judgment is intended to apply to any occupational or
18 environmental exposures arising under Proposition 65, nor shall it apply to any of FitPro's
19 products other than the Covered Product.

20 **9. SEVERABILITY OF UNENFORCEABLE PROVISIONS**

21 In the event that any of the provisions of this Consent Judgment are held by a court to be
22 unenforceable, the validity of the remaining enforceable provisions shall not be adversely affected.

23 **10. GOVERNING LAW**

24 The terms and conditions of this Consent Judgment shall be governed by and construed in
25 accordance with the laws of the State of California.

26 **11. PROVISION OF NOTICE**

27 All notices required to be given to either Party to this Consent Judgment by the other shall
28 be in writing and sent to the following agents listed below via first-class mail. Courtesy copies via

27 Consent Judgment.

28 **12.2** If the California Attorney General objects to any term in this Consent Judgment,
the Parties shall use their best efforts to resolve the concern in a timely manner, and if possible
prior to the hearing on the motion.

12.3 If this Stipulated Consent Judgment is not approved by the Court, it shall be

13. EXECUTION AND COUNTERPARTS

This Consent Judgment may be executed in counterparts, which taken together shall be

3 **14. DRAFTING**

5 Party prior to its signing, and each Party has had an opportunity to fully discuss the terms and
6 conditions with legal counsel. The Parties agree that, in any subsequent interpretation and
7 construction of this Consent Judgment, no inference, assumption, or presumption shall be drawn,
8 and no provision of this Consent Judgment shall be construed against any Party, based on the fact
9 that one of the Parties and/or one of the Parties' legal counsel prepared and/or drafted all or any
10 portion of the Consent Judgment. It is conclusively presumed that all of the Parties participated
11 equally in the preparation and drafting of this Consent Judgment.

12 **15. GOOD FAITH ATTEMPT TO RESOLVE DISPUTES**

13 If a dispute arises with respect to either Party's compliance with the terms of this Consent
14 Judgment entered by the Court, the Parties shall meet and confer in person, by telephone, and/or in
15 writing and endeavor to resolve the dispute in an amicable manner. No action or motion may be
16 filed in the absence of such a good faith attempt to resolve the dispute beforehand.

17 **16. ENFORCEMENT**

18 ERC may, by motion or order to show cause before the Superior Court of Alameda
19 County, enforce the terms and conditions contained in this Consent Judgment. In any action
20 brought by ERC to enforce this Consent Judgment, ERC may seek whatever fines, costs,
21 penalties, or remedies as are provided by law for failure to comply with the Consent Judgment.
22 To the extent the failure to comply with the Consent Judgment constitutes a violation of
23 Proposition 65 or other laws, ERC shall not be limited to enforcement of this Consent Judgment,
24 but may seek in another action whatever fines, costs, penalties, or remedies as are provided by
25 law for failure to comply with Proposition 65 or other laws.

26 **17. ENTIRE AGREEMENT, AUTHORIZATION**

27 17.1 This Consent Judgment contains the sole and entire agreement and
28 understanding of the Parties with respect to the entire subject matter herein, and any and all

1 prior discussions, negotiations, commitments, and understandings related hereto. No
2 representations, oral or otherwise, express or implied, other than those contained herein have
3 been made by any Party. No other agreements, oral or otherwise, unless specifically referred to
4 herein, shall be deemed to exist or to bind any Party.

5 17.2 Each signatory to this Consent Judgment certifies that he or she is fully
6 authorized by the Party he or she represents to stipulate to this Consent Judgment.

7 **18. REQUEST FOR FINDINGS, APPROVAL OF SETTLEMENT AND ENTRY OF**
8 **CONSENT JUDGMENT**

9 This Consent Judgment has come before the Court upon the request of the Parties. The
10 Parties request the Court to fully review this Consent Judgment and, being fully informed

**NOTICE OF VIOLATION OF
CALIFORNIA HEALTH & SAFETY CODE SECTION 25249.5 ET SEQ.
(PROPOSITION 65)**

Dear Alleged Violator and the Appropriate Public Enforcement Agencies:

I represent Environmental Research Center, Inc. ("ERC"), 3111 Camino Del Rio North, Suite 400, San Diego, CA 92108; Tel. (619) 500-3090. ERC's Executive Director is Chris Heptinstall. ERC is a California non-profit corporation dedicated to, among other causes, helping safeguard the public from health hazards by bringing about a reduction in the use and misuse of hazardous and toxic chemicals, facilitating a safe environment for consumers and employees, and encouraging corporate responsibility.

ERC has identified violations of California's Safe Drinking Water and Toxic Enforcement Act of 1986 ("Proposition 65"), which is codified at California Health & Safety Code §25249.5 *et seq.*, with respect to the product identified below. These violations have occurred and continue to occur because the alleged Violator identified below failed to provide required clear and reasonable warnings with this product. This letter serves as a notice of these violations to the alleged Violator and the appropriate public enforcement agencies. Pursuant to Health and Safety Code Section 25249.7(d), ERC intends to file a private enforcement action in the public interest 60 days after effective service of this notice unless the public enforcement agencies have commenced and are diligently prosecuting an action to rectify these violations.

General Information about Proposition 65. A copy of a summary of Proposition 65, prepared by the Office of Environmental Health Hazard Assessment, is enclosed with this letter served to the alleged Violator identified below.

Alleged Violator. The name of the company covered by this notice that violated Proposition 65 (hereinafter the "Violator") is:

Fitpro USA LLC

Consumer Product and Listed Chemical. The product that is the subject of this notice and the chemical in that product identified as exceeding allowable levels are:

FitPro Energy & Performance Range Active Greens Green Apple - Lead

On February 27, 1987, the State of California officially listed lead as a chemical known to cause developmental toxicity, and male and female reproductive toxicity. On October 1, 1992, the State of California officially listed lead and lead compounds as chemicals known to cause cancer.

It should be noted that ERC may continue to investigate other products that may reveal further violations and result in subsequent notices of violations.

Route of Exposure. The consumer exposures that are the subject of this notice result from the recommended use of this product. Consequently, the route of exposure to this chemical has been and continues to be through ingestion.

Approximate Time Period of Violations. Ongoing violations have occurred every day since at least February 20, 2015, as well as every day since the product was introduced into the California marketplace, and will continue every day until clear and reasonable warnings are provided to product purchasers and users or until this known toxic chemical is

February 20, 2018

Page 2

either removed from or reduced to allowable levels in the product. Proposition 65 requires that a clear and reasonable warning be provided prior to exposure to the identified chemical. The method of warning should be a warning that appears on the product label. The Violator violated Proposition 65 because it failed to provide persons ingesting this product with appropriate warnings that they are being exposed to this chemical.

Consistent with the public interest goals of Proposition 65 and a desire to have these ongoing violations of California law quickly rectified, ERC is interested in seeking a constructive resolution of this matter that includes an enforceable written agreement by the Violator to: (1) reformulate the identified product so as to eliminate further exposures to the identified chemical, or provide appropriate warnings on the labels of this product; (2) pay an appropriate civil penalty; and (3) provide clear and reasonable warnings compliant with Proposition 65 to all persons located in California who purchased the above product in the last three years. Such a resolution will prevent further unwarned consumer exposures to the identified chemical, as well as an expensive and time-consuming litigation.

ERC has retained me as legal counsel in connection with this matter. **Please direct all communications regarding this Notice of Violation to my attention at the law office address and telephone number indicated on the letterhead.**

Sincerely,

Michael Freund

CERTIFICATE OF MERIT

Re: Environmental Research Center, Inc.'s Notice of Proposition 65 Violations by Fitpro USA LLC

I, Michael Freund, declare:

1. This Certificate of Merit accompanies the attached 60-day notice in which it is alleged that the party identified in the notice violated California Health & Safety Code Section 25249.6 by failing to provide clear and reasonable warnings.

2. I am an attorney for the noticing party.

3. I have consulted with one or more persons with relevant and appropriate experience or expertise who have reviewed facts, studies, or other data regarding the exposure to the listed chemical that is the subject of the notice.

4. Based on the information obtained through those consultants, and on other information in my possession, I believe there is a reasonable and meritorious case for the private action. I understand that "reasonable and meritorious case for the private action" means that the information provides a credible basis that all elements of the plaintiff's case can be established and that the information did not prove that the alleged Violator will be able to establish any of the affirmative defenses set forth in the statute.

5. Along with the copy of this Certificate of Merit served on the Attorney General is attached additional factual information sufficient to establish the basis for this certificate, including the information identified in California Health & Safety Code §25249.7(h)(2), i.e., (1) the identity of the persons consulted with and relied on by the certifier, and (2) the facts, studies, or other data reviewed by those persons.

APPENDIX A

OFFICE OF ENVIRONMENTAL HEALTH HAZARD ASSESSMENT CALIFORNIA ENVIRONMENTAL PROTECTION AGENCY

THE SAFE DRINKING WATER AND TOXIC ENFORCEMENT ACT OF 1986 (PROPOSITION 65): A SUMMARY

The following summary has been prepared by the California Office of Environmental Health Hazard Assessment (OEHHA), the lead agency for the implementation of the Safe Drinking Water and Toxic Enforcement Act of 1986 (commonly known as "Proposition 65"). A copy of this summary must be included as an attachment to any notice of violation served upon an alleged violator of the Act. The summary provides basic information about the provisions of the law, and is intended to serve only as a convenient source of general information. It is not intended to provide authoritative guidance on the meaning or application of the law. The reader is directed to the statute and OEHHA implementing regulations (see citations below) for further information.

FOR INFORMATION CONCERNING THE BASIS FOR THE ALLEGATIONS IN THE NOTICE RELATED TO YOUR BUSINESS, CONTACT THE PERSON IDENTIFIED ON THE NOTICE.

The text of Proposition 65 (Health and Safety Code Sections 25249.5 through 25249.13) is available online at: <http://oehha.ca.gov/prop65/law/P65law72003.html>. Regulations that provide more specific guidance on compliance, and that specify procedures to be followed by the State in carrying out certain aspects of the law, are found in Title 27 of the California Code of Regulations, sections 25102 through 27001.¹ These implementing regulations are available online at: <http://oehha.ca.gov/prop65/law/P65Regs.html>.

WHAT DOES PROPOSITION 65 REQUIRE?

¹ All further regulatory references are to sections of Title 27 of the California Code of Regulations unless otherwise indicated. The statute, regulations and relevant case law are available on the OEHHA website at: <http://www.oehha.ca.gov/prop65/law/index.html>.

The "Proposition 65 List." Under Proposition 65, the lead agency (OEHHA) publishes a list of chemicals that are known to the State of California to cause cancer and/or reproductive toxicity. Chemicals are placed on the Proposition 65 list if they are known to cause cancer and/or birth defects or other reproductive harm, such as damage to female or male reproductive systems or to the developing fetus. This list must be updated at least once a year. The current Proposition 65 list of chemicals is available on the OEHHA website at: http://www.oehha.ca.gov/prop65/prop65_list/Newlist.html.

Only those chemicals that are on the list are regulated under Proposition 65. Businesses that produce, use, release or otherwise engage in activities involving listed chemicals must comply with the following:

Clear and reasonable warnings. A business is required to warn a person before "knowingly and intentionally" exposing that person to a listed chemical unless an exemption applies. The warning given must be "clear and reasonable." This means that the warning must: (1) clearly make known that the chemical involved is known to cause cancer, or birth defects or other reproductive harm; and (2) be given in such a way that it will effectively reach the person before he or she is exposed to that chemical. Some exposures are exempt from the warning requirement under certain circumstances discussed below.

Prohibition from discharges into drinking water. A business must not knowingly discharge or release a listed chemical into water or onto land where it passes or probably will pass into a source of drinking water. Some discharges are exempt from this requirement under certain circumstances discussed below.

DOES PROPOSITION 65 PROVIDE ANY EXEMPTIONS?

Yes. You should consult the current version of the statute and regulations (<http://www.oehha.ca.gov/prop65/law/index.html>) to determine all applicable exemptions, the most common of which are the following:

Grace Period. Proposition 65 warning requirements do not apply until 12 months after the chemical has been listed. The Proposition 65 discharge prohibition does not apply to a discharge or release of a chemical that takes place less than 20 months after the listing of the chemical.

Governmental agencies and public water utilities. All agencies of the federal, state or local government, as well as entities operating public water systems, are exempt.

Businesses with nine or fewer employees. Neither the warning requirement nor the discharge prohibition applies to a business that employs a total of nine or fewer employees. This includes all employees, not just those present in California.

Exposures that pose no significant risk of cancer. For chemicals that are listed under Proposition 65 as known to the State to cause cancer, a warning is not required if the business causing the exposure can demonstrate that the exposure occurs at a level that poses “no significant risk.” This means that the exposure is calculated to result in not more than one excess case of cancer in 100,000 individuals exposed over a 70-year lifetime. The Proposition 65 regulations identify specific “No Significant Risk Levels” (NSRLs) for many listed carcinogens. Exposures below these levels are exempt from the warning requirement. See OEHHA's website at: <http://www.oehha.ca.gov/prop65/getNSRLs.html> for a list of NSRLs, and Section 25701 *et seq.* of the regulations for information concerning how these levels are calculated.

Exposures that will produce no observable reproductive effect at 1,000 times the level in question. For chemicals known to the State to cause reproductive toxicity, a warning is not required if the business causing the exposure can demonstrate that the exposure will produce no observable effect, even at 1,000 times the level in question. In other words, the level of exposure must be below the “no observable effect level” divided by 1,000. This number is known as the Maximum Allowable Dose Level (MADL). See OEHHA's website at: <http://www.oehha.ca.gov/prop65/getNSRLs.html> for a list of MADLs, and Section 25801 *et seq.* of the regulations for information concerning how these levels are calculated.

Exposures to Naturally Occurring Chemicals in Food. Certain exposures to chemicals that naturally occur in foods (i.e., that do not result from any known human activity, including activity by someone other than the person causing the exposure) are exempt from the warning requirements of the law. If the chemical is a contaminant² it must be reduced to the lowest level feasible. Regulations explaining this exemption can be found in Section 25501.

Discharges that do not result in a “significant amount” of the listed chemical entering any source of drinking water. The prohibition from discharges into drinking water does not apply if the discharger is able to demonstrate that a “significant amount” of the listed chemical has not, does not, or will not pass into or probably pass into a source of drinking water, and that the discharge complies with all other applicable laws, regulations, permits, requirements, or orders. A “significant amount” means any detectable amount, except an amount that would meet the “no significant risk” level for

² See Section 25501(a)(4).

chemicals that cause cancer or that is 1,000 times below the "no observable effect" level for chemicals that cause reproductive toxicity, if an individual were exposed to that amount in drinking water.

HOW IS PROPOSITION 65 ENFORCED?

Enforcement is carried out through civil lawsuits. These lawsuits may be brought by the Attorney General, any district attorney, or certain city attorneys. Lawsuits may also be brought by private parties acting in the public interest, but only after providing notice of the alleged violation to the Attorney General, the appropriate district attorney and city attorney, and the business accused of the violation. The notice must provide adequate information to allow the recipient to assess the nature of the alleged violation. The notice must comply with the information and procedural requirements specified in Section 25903 of Title 27 and sections 3100-3103 of Title 11. A private party may not pursue an independent enforcement action under Proposition 65 if one of the governmental officials noted above initiates an enforcement action within sixty days of the notice.

A business found to be in violation of Proposition 65 is subject to civil penalties of up to \$2,500 per day for each violation. In addition, the business may be ordered by a court to stop committing the violation.

A private party may not file an enforcement action based on certain exposures if the alleged violator meets specific conditions. For the following types of exposures, the Act provides an opportunity for the business to correct the alleged violation:

- An exposure to alcoholic beverages that are consumed on the alleged violator's premises to the extent onsite consumption is permitted by law;
- An exposure to a Proposition 65 listed chemical in a food or beverage prepared and sold on the alleged violator's premises that is primarily intended for immediate consumption on- or off-premises. This only applies if the chemical was not intentionally added to the food, and was formed by cooking or similar preparation of food or beverage components necessary to render the food or beverage palatable or to avoid microbiological contamination;
- An exposure to environmental tobacco smoke caused by entry of persons (other than employees) on premises owned or operated by the alleged violator where smoking is permitted at any location on the premises;
- An exposure to listed chemicals in engine exhaust, to the extent the exposure occurs inside a facility owned or operated by the alleged violator and primarily intended for parking non-commercial vehicles.

If a private party alleges that a violation occurred based on one of the exposures described above, the private party must first provide the alleged violator a notice of special compliance procedure and proof of compliance form.

A copy of the notice of special compliance procedure and proof of compliance form is included in Appendix B and can be downloaded from OEHHA's website at:
<http://oehha.ca.gov/prop65/law/p65law72003.html>.
