

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1. Ecological Alliance, LLC and E.S.I. Cases & Accessories, Inc.

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and E.S.I. Cases & Accessories, Inc. ("E.S.I."), on the other hand, with Ecological and E.S.I. collectively referred to as the "Parties."

1.2. General Allegations

Ecological alleges that E.S.I. manufactured and distributed and offered for sale in the State of California primary wire containing Di(2-ethylhexyl)phthalate [DEHP] without providing requisite warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed DEHP under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

1.3. Product Description

The products that are covered by this Settlement Agreement are wireless earphone charging cables that E.S.I. has sold, offered for sale or distributed in California and that contain DEHP. All such items shall be referred to herein as the "Products."

1.4. Notice of Violation

On February 21, 2018, Ecological served Everlast Worldwide, Inc. ("Everlast"), Big Lots Stores, Inc. ("Big Lots"), and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "Notice of Violation Against Everlast Worldwide, Inc and Big Lots Stores, Inc. of California Health & Safety Code Section 25249.6" ("Notice"). The Notice provided Everlast and Big Lots

and such others, including public enforcers, with notice that Everlast and Big Lots were allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to DEHP. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission

The parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning E.S.I.'s compliance with Proposition 65. Specifically, E.S.I. denies the material factual and legal allegations contained in Ecological's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by E.S.I. of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by E.S.I. of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by E.S.I. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of E.S.I. under this Settlement Agreement.

1.6. Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is last executed by the Parties

2. **INJUNCTIVE RELIEF: PRODUCT WARNINGS**

2.1. **Applicability**

On or before ninety (90) days after the Effective Date, E.S.I. shall ship Products accompanied by a warning as described in Sections 2.2 and 2.3 below. The warning requirements set forth in Section 2.3 below shall apply only to Products that are distributed, marketed, sold or shipped for sale in the State of California. The warning requirement shall not apply to Products that are already in the stream of commerce as of the Effective Date or that E.S.I. places into the stream of commerce within 90 days of the Effective Date. Products sold by E.S.I., Big Lots, or Everlast before the date this Settlement Agreement is signed by both Parties may sell through without a warning.

2.2. **Product Warning Trigger Based on DEHP Concentration Levels**

A product intended for retail sale in California that contains DEHP on any component to which consumers are exposed in excess of 0.1% (1,000 ppm) will trigger a warning as set forth in Section 2.3.

2.3. **Product Warning Language**

Where required pursuant to Section 2.2, E.S.I. shall provide Proposition 65 warnings as follows:

(a) E.S.I. may use any of the following warning statements in full compliance with this Section:

(1) **WARNING:** This product contains a chemical known to the State of California to cause birth defects or other reproductive harm.

- (2) **WARNING:** This product contains chemicals known to the State of California to cause cancer and birth defects, or other reproductive harm.
- (3) **WARNING:** This product can expose you to DEHP, which is known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.
- (4) **WARNING:** Cancer and Reproductive Harm. For more information go to www.P65Warnings.ca.gov.
- (b) If E.S.I. elects to use the warning statements identified in either 2.3(a)(3) or (4), it may also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the sign, label or shelf tag for the product is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word "WARNING".
- (c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.
- (d) If E.S.I. reformulates the Products to less than 0.1% DEHP (<1000 ppm) , or if Proposition 65 warnings for DEHP should no longer be required, E.S.I. shall have no further obligations pursuant to this Settlement Agreement.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, E.S.I. shall pay a total of \$500 in civil penalties in accordance with this Section. The Civil Penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Ecological. Ecological's counsel shall be responsible for delivering OEHHA's portion of any penalty payment made under this Settlement Agreement.

4. REIMBURSEMENT OF FEES AND COSTS

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, E.S.I. shall reimburse Ecological's counsel for fees and costs, incurred as a result of investigating and bringing this matter to E.S.I.'s attention. damages, losses, claims, liabilities and demands of any nature, character or kind, known or unknown, suspected or unsuspected, against E.S.I. and the Releasees. Ecological acknowledges that it is familiar with California Civil Code section 1542, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Ecological, in its capacity only, and on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of California Civil Code section 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.
