

SETTLEMENT AGREEMENT  
BETWEEN  
CONSUMER ADVOCACY GROUP, INC.  
AND  
SAMSONITE LLC

Consumer Advocacy Group, Inc. (“CAG”) and Samsonite LLC (“Samsonite”), (CAG and Samsonite collectively referred to as, the “Parties”) enter into this agreement (“Settlement Agreement”) for the purpose of avoiding prolonged and costly litigation to settle CAG’s allegations that Samsonite violated Proposition 65. The effective date of this Settlement Agreement shall be the date upon which it is fully executed by all Parties hereto (the “Effective Date”).

**1.0 Introduction**

1.1 CAG is a California-based entity that seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer and industrial products. Samsonite previously manufactured, imported, distributed, and/or sold, at various times, plastic hydration packs, including: “HIGH SIERRA®”; Blue Plastic Hydration Reservoir; 2 Liter; UPC 040176984605 (referred to throughout as the “Covered Product”). The Covered Product only refers to such a product that is manufactured, imported, distributed, and/or sold by Samsonite.

1.1 CAG alleges that the Covered Product contains Di (2-ethylhexyl) phthalate (“DEHP”), also known as Bis (2-ethylhexyl) phthalate, and that Samsonite did not provide a required warning in compliance with the California

Safe Drinking Water and Toxic Enforcement Act (*Cal. Health & Safety Code* § 25249.5, *et seq.* (“Proposition 65”)).

1.2 On January 1, 1988, the Governor of California added DEHP to the list of chemicals known to the State to cause cancer, and on October 24, 2003, the Governor added DEHP to the list of chemicals known to the State to cause developmental male reproductive toxicity. These additions took place more than twenty (20) months before CAG served its “Sixty-Day Notice of Intent To Sue For Violations Of The Safe Drinking Water And Toxic Enforcement Act of 1986” which is further described below.

1.3 DEHP is referred to hereafter as the “Listed Chemical.”  
On or about February 28, 2018 CAG served, Samsonite LLC; Ross Stores, Inc.; Ross Dress For Less; and certain relevant public enforcement agencies with documents entitled “Sixty-Day Notice Of Intent To Sue For Violations Of The Safe Drinking Water And Toxic Enforcement Act of 1986” regarding Plastic Hydration Packs containing the Listed Chemical.

1.4 The Sixty-Day Notice referred to in paragraph 1.4 (referred to as the “Notice”) alleged that Samsonite and the other noticed parties violated Proposition 65 by failing to warn consumers in California that use of the Covered Product exposes persons to the Listed Chemical.

1.5 The Parties enter into this Settlement Agreement to settle disputed claims between the Parties as set forth below concerning the Parties’ and the Covered Product’s compliance with Proposition 65 (the “Dispute”).

1.6 By execution of this Settlement Agreement, the Parties do not admit any facts or conclusions of law, including, but not limited to, any facts or conclusions of law regarding any violation of Proposition 65, or any other statutory, regulatory, common law, or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by the Parties of any fact, conclusion of law, issue of law, or violation of law. Nothing in this Settlement Agreement, nor compliance with its terms, shall constitute or be construed, considered, offered, or admitted as evidence of an admission or evidence of fault, wrongdoing, or liability by Samsonite, its officers, directors, employees, or parents, subsidiaries or affiliated corporations, in any administrative or judicial proceeding or litigation in any court, agency, or forum. Except for the allegations settled and compromised, nothing in this Settlement Agreement shall prejudice, waive, or impair any right, remedy, argument, or defense that CAG or Samsonite may have against one another in any other pending legal proceeding as to allegations unrelated to the Dispute or claims released herein.

## **2.0 Release**

2.1 This Settlement Agreement is a full, final, and binding resolution between CAG, acting in its individual capacity, on the one hand, and Samsonite, and its owners, parents, subsidiaries, affiliates, sister and related companies, employees, shareholders, officers, directors, insurers, attorneys, predecessors, successors, and assigns (collectively "Releasees") and (b) all entities to whom Releasees directly or indirectly provide, distribute, or sell the Covered Product, including but not limited to distributors, wholesalers, customers, retailers,

franchisees, cooperative members, and licensees, including Ross Stores, Inc. and Ross Dress For Less (“Downstream Releasees”), on the other hand, of any violation(s) or claimed violation(s) of Proposition 65 or any statutory or common law claim that has been, could have been or may in the future be asserted against the Releasees and Downstream Releasees regarding exposing persons to the Listed Chemical and the failure to warn about exposure to the Listed Chemical arising only in connection with the Covered Product manufactured, shipped, and/or otherwise distributed prior to the Effective Date, even if sold by Downstream Releasees after the Effective Date. The Covered Product is limited to those manufactured, imported, distributed, and/or sold by Samsonite. CAG, its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives and releases with respect to the Covered Product all rights to institute or participate in, directly or indirectly, any form of legal action, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses (including, but not limited to, investigation fees, expert fees, and attorneys’ fees) (collectively “Claims”), whether known or unknown, suspected or unsuspected, against Releasees and/or Downstream Releasees that arise under Proposition 65 or any other statutory or common law claims that were or could have been asserted in respect of any Covered Product sold up to the Effective Date, only to the extent that such claims relate to Releasees’ and/or Downstream Releasees’ alleged exposure of persons to the Listed Chemical contained in the

Covered Product or any failure by Releasees and Downstream Releasees to warn about exposures to the Listed Chemical contained in the Covered Product.

CAG acknowledges that it is familiar with Section 1542 of Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

CAG, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of Civil Code § 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters. The release in this section shall have no force or effect until the full amount of payments set forth in Section 4.0 below are paid in full.

### **3.0 Samsonite's Duties**

3.1 Samsonite agrees, promises, and represents that Samsonite shall reformulate any Covered Product manufactured after the Effective Date and offered for sale in California to a point where the level of DEHP in the Covered Product does not exceed 0.1% by weight (1,000 parts per million). For the purpose of the Settlement Agreement only, the Parties agree that compliance with

this provision shall constitute compliance with Proposition 65 with respect to alleged exposures to DEHP in the Covered Products.

3.2 Samsonite agrees, promises, and represents that, as of the Effective Date, to the extent it ships or sells any Covered Product in existing inventory that has not been reformulated, it will provide warnings on such Covered Product that comply with Proposition 65. The warnings shall be provided in such a conspicuously and prominent manner that will assure the message is made available and likely to be read, seen, or heard by the consumer prior to or at the time of the sale or purchase. The Parties agree that product labeling stating that “WARNING: This product contains chemicals known to the State of California to cause cancer and birth defects, or other reproductive harm,” or the Proposition 65 warning regulations codified at 27 California Code of Regulations Sections 25600 et seq., (effective 8.30.2018) shall constitute compliance with Proposition 65 with respect to the Listed Chemical in the Covered Product for any Covered Product in existing inventory that had not been reformulated and was distributed and/or sold by Releasees or Downstream Releasees after the Effective Date.
