

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Laurence Vinocur (“Vinocur”) and American Metalcraft, Inc. (“American Metalcraft”), with Vinocur and American Metalcraft each individually referred to as a “Party” and collectively as the “Parties.” Vinocur is an individual residing in the State of California who seeks to promote awareness of exposures to toxic chemicals, and to improve human health by reducing or eliminating hazardous substances contained in consumer products. American Metalcraft employs ten or more individuals and is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code section 25249.5 *et seq.* (“Proposition 65”).

1.2 General Allegations

Vinocur alleges that American Metalcraft manufactured, imported, distributed, and/or sold in the State of California, insulated food/beverage carriers with vinyl/PVC components that contain di(2-ethylhexyl) phthalate (“DEHP”). DEHP is listed under Proposition 65 as a chemical known to the State of California to cause birth defects or other reproductive harm. Vinocur alleges that American Metalcraft failed to provide consumers and other individuals exposed to DEHP from the insulated food/beverage carriers with vinyl/PVC components it sold in California with a clear and reasonable health hazard warning regarding the reproductive toxicity of DEHP, as required by Proposition 65.

1.3 Product Description

For purposes of this Settlement Agreement “Products” are defined as insulated food/beverage carriers with vinyl/PVC components containing DEHP that are manufactured, sold, or distributed for sale in California by American Metalcraft including, but not limited to, the *Pizza Delivery Bag-Vinyl, ITEM NO: PB1800, UPC # 7*

04339 46920 9.

1.4 Notice of Violation

On March 9, 2018, Vinocur served American Metalcraft, the California Attorney General, and all other requisite public enforcers with a document titled, “60-Day Notice of Violation” (“Notice”), alleging that American Metalcraft violated Proposition 65 by failing to provide DEHP exposure warnings for the Products to its customers and consumers in California. No public enforcer has commenced and is diligently prosecuting an action to enforce the violations alleged in the Notice.

1.5 No Admission

American Metalcraft denies the material, factual, and legal allegations in the Notice, and maintains that all of the products that it has manufactured, imported, stored, distributed, shipped, sold and/or offered for sale in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by American Metalcraft of any allegation, fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by American Metalcraft of any allegation, fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by American Metalcraft. This Section shall not, however, diminish or otherwise affect American Metalcraft’ obligations, responsibilities, and duties under this Settlement Agreement.

For purposes of this Settlement Agreement, the term “Effective Date” shall mean June 15, 2018.

2. INJUNCTIVE RELIEF: REFORMULATION & WARNINGS

2.2 Reformulation Standard

For the purposes of this Settlement Agreement, “Reformulated Products” are defined as Products that contain DEHP in concentrations less than 0.1 percent (1,000 parts per million) when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or other methodology utilized by federal or state government agencies for the purpose of determining DEHP content in a solid substance.

2.3 Clear and Reasonable Warning

Commencing on the Effective Date and continuing thereafter, for any Products offered for sale in California by American Metalcraft that are not Reformulated Products, American Metalcraft agrees to only offer such Products for sale with a clear and reasonable warning in accordance with this Section, or Title 27 California Code of Regulations section 25602 and 25603. American Metalcraft further agrees that any warning used will be prominently placed in relation to the Product with such conspicuousness when compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. For purposes of this Settlement Agreement, a clear and reasonable warning for the Products satisfying these criteria shall consist of a warning affixed directly to a Product or its accompanying labeling or packaging sold in California containing the following statement:

 **WARNING:** This product can expose you to chemicals including DEHP, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.
