

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1. Ecological Alliance, LLC and I World Global Trading, LLC

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and I World Global Trading, LLC, and its affiliates, parents, subsidiaries, predecessors-in-interest, and successors-in-interest ("I World"), National Stores, Inc., and its affiliates, parents, subsidiaries, predecessors-in-interest, and successors-in-interest ("National"), and all downstream retailers of both I World and National (collectively, the "Retailers") on the other hand, with Ecological and the Retailers collectively referred to as the "Parties."

1.2. General Allegations

Ecological alleges that the Retailers manufactured and distributed and offered for sale in the State of California earbuds containing Di(2-ethylhexyl)phthalate [DEHP] and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed DEHP under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

1.3. Product Description

The products that are covered by this Settlement Agreement are defined as earbuds of all shapes, sizes, colors, models, and styles (collectively, the "Earbuds") that has any one or more of the Retailers have sold, offered for sale or distributed in California including, but not limited to those Earbuds that are alleged to contain DEHP. All such items [the Earbuds] shall be referred to herein as the "Products."

1.4. Notice of Violation

On March 12, 2018, Ecological served I World, National, and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with documents entitled "60-Day Notice of Violation" ("Notice") that provided I World, National and such public enforcers with notice that I World and National were allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to DEHP. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning I World's compliance with Proposition 65. Specifically, I World denies the material factual and legal allegations contained in Ecological's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by I World or any of the Retailers of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by I World or any of the Retailers of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by I World and the Retailers. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of I World under this Settlement Agreement.
