

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between the CENTER FOR ADVANCED PUBLIC AWARENESS, INC. (“CAPA”) and CHARMING CHARLIE, LLC (“Charming Charlie”), with Charming Charlie and CAPA each individually referred to as a “Party” and collectively as the “Parties.”

1.2 Introduction and General Allegations.

1.2.1 CAPA is a not-for profit corporation duly organized and existing in the State of California, which seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products.

1.2.2 CAPA alleges that Charming Charlie employs ten or more persons, and CAPA alleges that Charming Charlie is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code section 25249.6 *et seq.* (“Proposition 65”).

1.2.3 CAPA alleges that Charming Charlie imported, sold, and/or distributed for sale in California Covered Products, as defined below, that contain Di-(2-ethylhexyl) phthalate (“DEHP”) and/or Diisononyl phthalate (“DINP”), chemicals pursuant to Proposition 65 listed by the State of California to cause cancer and reproductive toxicity. CAPA further alleges that Charming Charlie failed to provide the health hazard warning required by Proposition 65 for exposures to DEHP and/or DINP from the Covered Products.

1.3 Product Description.

The products covered by this Settlement Agreement are the Soon to be Mrs. and Orange Camel bag sets, which were imported, sold and/or distributed for sale in California by Charming Charlie with UPC#s 400000743257 and 400000743042 (“Covered Products”).

1.4 60 Day Notices of Violation and Exchange of Information.

On March 19, 2018 and April 2, 2018, CAPA served Charming Charlie and the requisite public enforcement agencies with two 60-Day Notices of Violation (“Notices”), related to the Covered Products, alleging that Charming Charlie violated Proposition 65. The Notices alleged that Charming Charlie had failed to warn their customers and consumers in California of the health hazards associated with exposures to DEHP and/or DINP from its import, sale and/or distribution of the Covered Products.

CAPA subsequently provided Charming Charlie with test results in CAPA’s possession concerning its allegations. Charming Charlie provided CAPA with sales data related to the Covered Products. To the best of the Parties’ knowledge, no public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notices.

1.5 No Admission.

The Parties enter into this Settlement Agreement to settle disputed claims between the Parties as set forth below concerning the Parties’ and the Covered Products’ compliance with Proposition 65 (the “Dispute”). Specifically, CAPA alleges that Charming Charlie imported, manufactured, sold or distributed for sale in the state of California, Covered Products which contained DEHP and/or DINP without first providing the clear and reasonable exposure warning required by Proposition 65, and Charming Charlie denies that such a warning is required under Proposition 65 or any otherwise applicable law.

Charming Charlie further denies the material, factual, and legal allegations contained in the Notices and maintains that all of the products that it has imported, manufactured and/or sold and distributed in California, including the Covered Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Charming Charlie of any fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Charming Charlie of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Charming Charlie. This Section shall not, however, diminish or otherwise

affect Charming Charlie 's obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date.

For purposes of this Settlement Agreement, the term "Effective Date" shall mean June 29, 2018.

2. INJUNCTIVE RELIEF: REFORMULATED PRODUCTS

2.1 Reformulation Standard. Commencing on the Effective Date, and continuing thereafter, Covered Products that Charming Charlie imports, manufactures, ships to be sold or offered for sale or purchase in or into California, or sells in California shall be deemed to comply with Proposition 65, and be exempt from any Proposition 65 warning requirements with respect to DEHP and/or DINP, if the Products meet the standard of "Reformulated Products." "Reformulated Products" shall mean Covered Products containing less than or equal to 1,000 parts per million (0.1%) DEHP or DINP in each accessible component when analyzed pursuant to Environmental Protection Agency testing methodologies 3580A and 8270C, CPSC-CH-C1001-09.3 or equivalent methodologies utilized by federal or state agencies for the purpose of determining DEHP and DINP content in a solid substance ("Reformulation Standard"). With respect to existing Covered Products, meaning those that are currently in the channels of distribution, with distributors, and retailers, Charming Charlie may continue to sell-through those items. However, as of the Effective Date, no new Covered Products may be distributed or sold in California that are not Reformulated Products or do not contain the warnings set forth in Paragraph 2.3

2.2 **Warning Option.** Covered Products that do not meet the Reformulation Standard set forth in Section 2.1 above shall be accompanied by a warning as described in Section 2.3 below. This warning shall only be required as to Covered Products that are sold or shipped out to consumers, retailers, or distributors after the Effective Date. No Proposition 65 warning for DEHP and/or DINP shall be required as to any Covered Products that are already in the stream of commerce as of the Effective Date.

2.3 **Warning Language.** Commencing on the Effective Date, Charming Charlie shall ensure that any unreformulated Covered Products that it ships to California retailers or for sale in California includes a clear and reasonable warning. The warning shall be affixed to the packaging or labeling using language similar to the warnings below:

△ **WARNING:** This product can expose you to chemicals including Di-(2-ethylhexyl) phthalate, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

OR

△ **[California Proposition 65] WARNING:** Cancer and Reproductive Harm - www.P65Warnings.ca.gov.

The warning shall be prominently displayed with such conspicuousness as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user is reasonably likely to understand to which the specific Product the warning applies, so as to minimize the risk of consumer confusion. In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, Charming Charlie shall be entitled to use, at its discretion, such other warning text and/or methods of transmission without being deemed in breach of this Agreement

2.4 **Accessible Component.** The term “Accessible Component” shall mean any component of the Covered Product that could be touched by a person during reasonably foreseeable use.

3. CIVIL PENALTY PURSUANT TO HEALTH & SAFETY CODE § 25249.7(b)

Charming Charlie shall pay a civil penalty of \$2,000, to be apportioned in accordance with California Health & Safety Code §§25249.12(c) & (d), with 75% of these funds remitted to the State of California's Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty remitted to CAPA. Charming Charlie shall issue two separate checks for the penalty payment: (a) one check made payable to the Kawahito Law Group in Trust for the State of California's Office of Environmental Health Hazard Assessment (“in Trust for OEHHA”) in the amount of \$1500, representing 75% of the initial civil penalty and (b) one check to “Kawahito Law Group in Trust for Center for Advanced Public Awareness, Inc.,” in the amount of \$500, representing 25% of the initial civil penalty. 4. REIMBURSEMENT OF FEES AND COSTS

The Parties acknowledge that CAPA and its counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving any fee reimbursement issue to be resolved after the material terms of the agreement had been settled. The parties reached an accord on the compensation due to CAPA and its counsel under general contract principles and the private attorney general doctrine codified at California Code of Civil Procedure (CCP) § 1021.5, for all work performed through the mutual execution of this agreement. More specifically, Charming Charlie shall pay the total amount of \$19,000 for fees and costs incurred by CAPA as a result of investigating, bringing this matter to the attention
