

## SETTLEMENT AND RELEASE AGREEMENT

### 1. INTRODUCTION

#### 1.1. Ecological Alliance, LLC and Atlantic Quality Parts

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and Atlantic Quality Parts ("Atlantic"), on the other hand, with Ecological and Atlantic collectively referred to as the "Parties."

#### 1.2. General Allegations

Ecological alleges that Atlantic manufactured and distributed and offered for sale in the State of California nut kits containing lead and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed lead under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

#### 1.3. Product Description

The products that are covered by this Settlement Agreement are defined as nut kits, including but not limited to Part # 1109-9907, that Atlantic has sold, offered for sale or distributed in California and that contain lead. All such items shall be referred to herein as the "Products."

#### 1.4. Notice of Violation

On March 22, 2018, Ecological served Atlantic, Amazon.com, Inc., and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" ("Notice") that provided Atlantic and such public enforcers with notice that Atlantic was allegedly in violation

of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to lead. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

**1.5. No Admission**

The parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Atlantic's compliance with Proposition 65. Specifically, Atlantic denies the material factual and legal allegations contained in Ecological's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Atlantic of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Atlantic of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Atlantic. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Atlantic under this Settlement Agreement.

**1.6. Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

2. **INJUNCTIVE RELIEF: WARNING**

2.1. **Warning**

Products shall be accompanied by a warning as described in Section 2.2 below, no later than 90 days after the Effective Date. The warning requirements set forth in Section 2.2 below shall apply only to Products that are distributed, marketed, sold or shipped for sale in the State of California. The warning requirement shall not apply to Products that are already in the stream of commerce as of the Effective Date or that Atlantic places into the stream of commerce within 90 days of the Effective Date.

2.2. **Warning Language**

Where required, Atlantic shall provide Proposition 65 warnings as follows:

(a) Atlantic may use any of the following warning statements in full compliance with this Section:

- (1) **WARNING:** This product contains a chemical known to the State of California to cause birth defects and other reproductive harm.
- (2) **WARNING:** This product contains chemicals known to the State of California to cause cancer and birth defects, or other reproductive harm.
- (3) **WARNING:** This product can expose you to lead, which is known to the State of California to cause cancer, birth defects or other reproductive harm. For more info go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).
- (4) **WARNING:** Cancer and Reproductive Harm – [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

(b) If Atlantic elects to use the warning statements identified in either 2.2(a)(3) or (4), it may also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the sign, label or shelf tag for the product is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word "WARNING".

(c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(d) If Proposition 65 warnings for lead should no longer be required, Atlantic shall have no further obligations pursuant to this Settlement Agreement.

**3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)**

In settlement of all the claims referred to in this Settlement Agreement, Atlantic shall pay a total of \$100 in civil penalties in accordance with this Section. The penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Ecological. Ecological's counsel shall be responsible for delivering OEHHA's portion of any penalty payment made under this Settlement Agreement.

**4. REIMBURSEMENT OF FEES AND COSTS**

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Atlantic shall reimburse Ecological's counsel for fees and costs, incurred as a result of investigating and bringing this matter to Atlantic's attention. Atlantic shall pay Ecological's counsel \$4,900 for all attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice.

**5. PAYMENT INFORMATION**

Ecological, in its capacity only, and on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of California Civil Code section 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.
