

## SETTLEMENT AND RELEASE AGREEMENT

### 1. INTRODUCTION

#### 1.1. Ecological Alliance, LLC and Ultimate Survival Technologies, LLC

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and Ultimate Survival Technologies, LLC ("Ultimate"), on the other hand, with Ecological and Ultimate collectively referred to as the "Parties."

#### 1.2. General Allegations

Ecological alleges that Ultimate manufactured and distributed and offered for sale in the State of California spark wheels containing lead and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed lead under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

#### 1.3. Product Description

The products that are covered by this Settlement Agreement are defined as spark wheels that Ultimate has sold, offered for sale or distributed in California and that contain lead. All such items shall be referred to herein as the "Products."

#### 1.4. Notice of Violation

On April 24, 2018, Ecological served Ultimate, Amazon.com, Inc., and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" ("Notice") that provided Ultimate and such public enforcers with notice that Ultimate was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers

that the Products exposed users in California to lead. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

**1.5. No Admission**

The parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Ultimate's compliance with Proposition 65. Specifically, Ultimate denies the material factual and legal allegations contained in Ecological's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine . Nothing in this Settlement Agreement shall be construed as an admission by Ultimate of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Ultimate of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Ultimate. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Ultimate under this Settlement Agreement.

**1.6. Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

**2. INJUNCTIVE RELIEF: WARNING**

**2.1. Warning**

Beginning no later than 90 days after the Effective Date, Products shall be accompanied by a warning as described in Section 2.2below. The warning requirements set forth in

Section 2.2 below shall apply only to Products that are distributed, marketed, sold or shipped for sale in the State of California. The warning requirement shall not apply to Products that are already in the stream of commerce as of the Effective Date or that Ultimate places into the stream of commerce within 90 days of the Effective Date.

**2.2. Warning Language**

Where required, Ultimate shall provide Proposition 65 warnings as follows:

- (a) Ultimate may use any of the following warning statements in full compliance with this Section:

(b) If Ultimate elects to use the warning statements identified in either 2.2(a)(1) or (2), it may also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the sign, label or shelf tag for the product is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word "WARNING".

(c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(e) The warning required in subsection (a) above may be combined with or accompanied by additional Proposition 65 warnings.

**3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)**

Ecological's counsel shall be responsible for delivering OEHHA's portion of any penalty payment made under this Settlement Agreement.
