

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Kim Embry (“Embry”), on the one hand, and Fastenal Company (“Fastenal”), on the other hand, with Embry and Fastenal each individually referred to as a “Party” and collectively as the “Parties.” Embry is an individual residing in the State of California who seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. Fastenal employs ten or more individuals and is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code § 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

Embry alleges that Fastenal manufactures, sells, and distributes for sale in California, orange traffic cones that contain Di(2-ethylhexyl) phthalate (“DEHP”) and that it does so without first providing the health hazard warning required by Proposition 65. DEHP is listed pursuant to Proposition 65 as a chemical known to cause cancer and birth defects or other reproductive harm.

1.3 Product Description

The product covered by this Settlement Agreement is defined as, and expressly limited to, a 28” orange traffic cone manufactured by Jing Nam, that contains DEHP and that is sold or distributed for sale in California by Fastenal.

1.4 Notice of Violation

On April 27, 2018, Embry served Fastenal, the California Attorney General and other requisite public enforcers with a 60-Day Notice of Violation (“Notice”), alleging that Fastenal violated Proposition 65 when it failed to warn its customers and consumers in California of the health risks associated with exposures to DEHP from the Product. To the best of the Parties’ knowledge, no public enforcer has commenced and is diligently prosecuting an action to enforce the violations alleged in the Notice.

1.5 No Admission

Fastenal denies the material, factual, and legal allegations in the Notice and maintains that all of the product it sold and/or distributed for sale in California, including the Product, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Fastenal of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Fastenal of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Fastenal. This Section shall not, however, diminish or otherwise affect Fastenal's obligations, responsibilities and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean ninety (90) days following the execution of this Settlement Agreement by the Parties.

2. INJUNCTIVE RELIEF

2.1 Clear and Reasonable Warnings

Commencing on the Effective Date, and continuing thereafter, Fastenal agrees to only manufacture for sale, purchase for sale, import for sale, or distribute for sale in or into California the Product that is sold with a health hazard warning as provided for in Section 2.2.

2.2 General Warning Requirements

Fastenal agrees that each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Product the warning applies, so as to minimize the risk of consumer confusion.

For purposes of this Settlement Agreement, a clear and reasonable warning for the Product shall consist of a warning affixed to the packaging, label, tag, or directly to each Product sold in California by Fastenal that contains the following statements:

WARNING: This product can expose you to chemicals including di(2-ethylhexyl) phthalate, which is known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

The warning shall also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word "WARNING". The same warning shall be posted on any websites where the Product is sold in California.

2.3 Grace Period for Existing Inventory of Products

The injunctive requirements of Section 2 shall not apply to Products that are already in the stream of commerce as of the Effective Date., which Products are expressly subject to the releases provided in Section 4.1.

3. MONETARY SETTLEMENT TERMS

3.1 Civil Penalty Payment

Pursuant to Health and Safety Code § 25249.7(b)(2), and in settlement of all claims alleged in the Notice or referred to in this Settlement Agreement, Fastenal agrees to pay \$3,000 in civil penalties. The penalty payment will be allocated in accordance with California Health and Safety Code §§ 25249.12(c)(1) & (d), with 75% of the penalty amount paid to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty amount retained by Embry. 4. CLAIMS COVERED AND RELEASED

4.1 Embry's Release of Fastenal Company

This Settlement Agreement is a full, final, and binding resolution between Embry, on her own behalf and not on behalf of the public, and Fastenal of any violation of Proposition 65 that was or could have been asserted by Embry, on her own behalf, on behalf of her past and current agents, representatives, attorneys, successors and assignees, against Fastenal and each of its respective parents, subsidiaries, affiliated entities under common ownership, directors, officers, members, employees, attorneys, each upstream entity from whom the Product was purchased including Jing Nan by Fastenal, and each entity to whom Fastenal directly or indirectly distributes or sells the Product, including, but not limited to, its downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members and licensees ("Releasees"), based on the failure to warn about exposures to DEHP in the Product manufactured, sold or distributed for sale in California by Fastenal before the Effective Date or thereafter pursuant to Section 2.3, as alleged in the Notice.

In further consideration of the promises and agreements herein contained, Embry on her own behalf and not on behalf of the public, on behalf of her past and current agents, representatives, attorneys, successors and assignees hereby waives any and all rights she may have to institute or participate in, directly or indirectly, any form of legal action and releases all claims against Fastenal and Releasees including, without limitation, all actions and causes of action, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses including, but not exclusively, investigation fees, expert fees and attorney fees arising under Proposition 65 with respect to the alleged or actual failure to warn about exposures to DEHP in the Product manufactured, distributed, sold or offered for sale by Fastenal, before the Effective Date or thereafter pursuant to Section 2.3.

4.2 Fastenal Company's Release of Embry

Fastenal, on its own behalf and on behalf of its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against Embry and her attorneys and other representatives, for any and all actions taken or statements made by Embry and

her attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Product.

4.3 California Civil Code Section 1542

The Parties acknowledge that the claims released in Sections 4.1 and 4.2 may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.
