

## SETTLEMENT AGREEMENT

### 1. INTRODUCTION

**1.1 The Parties.** This Settlement Agreement is entered into by and between Ema Bell (“Bell”), Precila Balabbo (“Balabbo”) (collectively, “Citizen Enforcers”) and Tri-Coastal Design Group, Inc. (“Tri-Coastal Design”). Together, Bell, Balabbo and Tri-Coastal Design are collectively referred to as the “Parties.” Bell and Balabbo is each an individual that resides in the State of California, and that seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Citizen Enforcers allege that Tri-Coastal Design is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code § 25249.6, et seq. (“Proposition 65”).

**1.2 General Allegations.** Citizen Enforcers allege that Tri-Coastal Design has exposed individuals to di(2-ethylhexyl) phthalate (DEHP) and/or diisononyl phthalate (DINP) from its sales of (a) Jones NY Charging Pouches, (b) Juicy Couture Charging Cosmetic Bags, (c) Limited Too Sleepover Spa Sets, and (d) Simple Pleasures Super Cute Cosmetic Bag Sets without first providing users and consumers of the product with clear and reasonable health hazard exposure warnings as is required under Proposition 65. DEHP and DINP are identified pursuant to Proposition 65 as chemicals known to the State of California to cause cancer. DEHP is also a known reproductive toxin.

**1.3 Product Description.** The products covered by this Settlement Agreement are (a) Jones NY Charging Pouches, (b) Juicy Couture Charging Cosmetic Bags, (c) Limited Too Sleepover Spa Sets, and (d) Simple Pleasures Super Cute Cosmetic Bag Sets (the “Products”) that have been imported, distributed, offered for sale and/or sold in California by Tri-Coastal Design.

**1.4 Notice of Violation.** On May 7, 2018, Citizen Enforcers served Tri-Coastal Design and various public enforcement agencies with a document entitled “Notice of Violation of California Health & Safety Code § 25249.6, et seq.” (the “Notice”). The Notice provided Tri-Coastal Design and such others, including public enforcers, with notice that alleged that Tri-Coastal Design was in

violation of California Health & Safety Code § 25249.6, for failing to warn California consumers and customers that use of the Products will expose them to DEHP and DINP. No public enforcer has diligently prosecuted the allegations set forth in the Notice.

**1.5 No Admission.** Tri-Coastal Design denies the material factual and legal allegations contained in the Notice and maintains that, to the best of its knowledge, all products that are or have been sold and distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Tri-Coastal Design of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Tri-Coastal Design of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Tri-Coastal Design. However, Section 1.5 shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement. Notwithstanding the allegations in the Notice, Tri-Coastal Design maintains that it has not knowingly manufactured, or caused to be manufactured, sold, or caused to be sold, the Products for sale in California in violation of Proposition 65.

**1.6 Effective Date.** For purposes of this Settlement Agreement, the term “Effective Date” shall mean the date this Agreement is last executed by the Parties.

## **2. INJUNCTIVE RELIEF: WARNINGS**

**2.1** Commencing ninety (90) days after the Effective Date, and continuing thereafter, Tri-Coastal Design shall not manufacture or order from any supplier any of the Products intended for retail sale in California that contains DEHP and/or DINP on any component to which consumers are exposed in excess of 0.1% (1,000 ppm) (hereinafter “Reformulated Products”) unless the Products are accompanied by a warning that complies with Article 6 of Title 27 of the California Code of Regulations. Products sold by Tri-Coastal Design before the date this Settlement Agreement is signed by both Parties may sell through without a warning even if not Reformulated Products. Until August 30, 2018, the warning provided on the (a) Jones NY Charging Pouches, (b) Limited Too Sleepover Spa Sets, and the (c) Simple Pleasures Super Cute Cosmetic Bag Sets shall consist of either:

The Parties acknowledge that Citizen Enforcers and their counsel offered to reach preliminary agreement on the material terms of this dispute before reaching terms on the amount of fees and costs to be reimbursed to them. The Parties thereafter reached an accord on the compensation due to Citizen Enforcers and their counsel under general contract principles and the private attorney general doctrine and principles codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution of this agreement. Under these legal principles, Tri-Coastal Design shall reimburse Citizen Enforcers' counsel for fees and costs incurred as a result of investigating and bringing this matter to Tri-Coastal Design' attention, and negotiating a settlement in the public interest. Within ten (10) days of the Effective Date, Tri-Coastal Design shall issue a check payable to "Brodsky & Smith, LLC" in the amount of \$18,000. for delivery to the address identified in Section 3.2(a)(i), above.

**5. RELEASE OF ALL CLAIMS**

**5.1 Release of Tri-Coastal Design and Downstream Customers and Entities.** This Settlement Agreement is a full, final and binding resolution between Bell and Balabbo, each acting on her own behalf, and Tri-Coastal Design, of any violation of Proposition 65 that was or could have been asserted by Bell and Balabbo, or on behalf of their past and current agents, representatives, attorneys, successors, and/or assigns ("Releasers") for failure to provide warnings for alleged exposures to DEHP and DINP contained in the Products, and Releasers hereby release any such claims against Tri-Coastal Design and its parents, subsidiaries, affiliated entities, shareholders, marketplaces, directors, officers, agents, employees, attorneys, successors and assignees, Tri-Coastal Design's licensor(s) of the Products (including, but not limited to ABG Juicy Couture, LLC, ABG-Jones, LLC, Jones Investment Co., Inc., Jones Apparel Group Holdings, Inc., LTD2 Brand Holdings LLC, their respective subsidiaries, affiliates and parents, directors, officers, agents, employees, attorneys, successors and assignees), and each entity to whom Tri-Coastal Design directly or

indirectly distributes or sells the Products, including but not limited to, downstream distributors, wholesalers, customers, retailers, including but not limited to Tri-Coastal Design Bath & Body, LLC, Burlington Coat Factory Warehouse Corporation, Burlington Coat Factory Holdings, LLC, Burlington Stores, Inc., Marshalls, The TJX Companies, Inc., Tuesday Morning, Inc., and each of their respective subsidiaries, affiliates and parents, franchisees, cooperative members and licensees, (collectively, the “Releasees”), from all claims for violations of Proposition 65 through the Effective Date, or within 90 days after the Effective Date, based on their failure to warn about alleged exposure to the chemicals DEHP and DINP that are contained in the Products, and that were manufactured, distributed, sold and/or offered for sale by Tri-Coastal Design to customers and consumers in the State of California.

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to Sections 3 and 4 above, Bell and Balabbo, each on behalf of herself, her past and current agents, representatives, attorneys, successors and/or assignees, hereby covenants not to sue and waives any right to institute, participate in, directly or indirectly, any form of legal action and releases all claims that she may have, including without limitation, all actions and causes of action in law and in equity, all obligations, expenses (including without limitation all attorneys’ fees, expert fees, and investigation fees, and costs), damages, losses, liabilities and demands against any of the Releasees of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of the alleged or actual exposure to the chemicals DEHP and DINP in the Products.

**5.2 Tri-Coastal Design’s Release of Bell.** Tri-Coastal Design, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives any and all claims against Citizen Enforcers, their attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Bell or Balabbo and/or their attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with respect to the Products.

**5.3 California Civil Code § 1542.** It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Products will develop or be discovered. Bell and Balabbo, each on behalf of herself only, on one hand, and Tri-Coastal Design, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims up through the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in Sections 5.1 and 5.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Citizen Enforcers and Tri-Coastal Design each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

**5.4 Deemed Compliance with Proposition 65.** Compliance by Tri-Coastal Design with this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposure to DEHP and DINP in the Products.

**5.5. Public Benefit.** It is Tri-Coastal Design's understanding that the commitments it has agreed to herein, and actions to be taken by Tri-Coastal Design under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of Tri-Coastal Design that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to Tri-Coastal Design failure to provide a warning concerning exposure to DEHP and DINP prior to use of the Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Products addressed in this Settlement Agreement, provided that Tri-Coastal Design is in material compliance with this Settlement Agreement.

**6. SEVERABILITY**

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected but only to the extent the deletion of the provision deemed unenforceable does not materially affect, or otherwise result in the effect of the Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement.

**7. GOVERNING LAW**

The terms of this Settlement Agreement shall be governed by the law of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable or limited by reason of law generally, or as to the Products, Tri-Coastal Design shall provide written notice to Citizen Enforcers of any asserted change in the law, and shall have no further obligations pursuant to this Settlement Agreement with respect to, and to the extent that, a Product is so affected.
