

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties

This Settlement Agreement is hereby entered into by and between Maureen Parker (“Parker”) and Coghlan’s Ltd. (hereinafter “Coghlan’s”), with Parker and Coghlan’s collectively referred to as the “Parties” and each of them as a “Party.” Parker is an individual residing in California who seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer products.

1.2 Allegations and Representations

(a) Parker alleges that Coghlan’s is a person in the course of doing business for purposes of Proposition 65, Cal. Health & Safety Code § 25249.6 et seq., and offered for sale in the State of California and that Coghlan’s has sold in California “Coghlan’s Flint Striker” that when used as intended produce combustion byproducts carbon monoxide and soot, and that such sales have not been accompanied by Proposition 65 warnings. Soot is listed under Proposition 65 as a chemical known to the State of California to cause cancer. Carbon Monoxide is listed under Proposition 65 as a chemical known to cause birth defects and other reproductive harm. Parker has cited Coghlan’s Flint Striker as a specific example of the fire starters that are the subject of her allegations.

(c) Coghlan’s does not admit and denies the material, factual and legal allegations contained in the Notices, and maintains that all products sold, distributed or offered for sale in California have been and are in compliance with all laws, including, without limitation, Proposition 65.

(d) The Parties enter into this Settlement Agreement to resolve all Proposition 65 claims concerning the Products (defined below) set forth in Parker’s Notice, including claims against Coghlan’s customers, distributors, retailers, and affiliates, including but not limited to Dick’s Sporting Goods, Inc., who allegedly violated Proposition 65 resulting from their distribution and/or sale of the Products in California.

1.3 Covered Items

The products that are covered by this Settlement Agreement are defined as Coghlan's Flint Striker manufactured, distributed, sold, or offered for sale, by Coghlan's in the State of California ("Products").

1.4 Notice of Violation

On or about May 9, 2018 Parker served Coghlan's, and all public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" (the "Notice") that provided Coghlan's and such public enforcers with notice that alleged that Coghlan's was in alleged violation of Proposition 65 for failing to warn consumers and customers that the Products exposed users in California to carbon monoxide and soot. No public enforcer diligently prosecuted the claims threatened in the Notice within sixty days plus service time relative to the provision of the Notice to them by Parker.

1.5 No Admission

Coghlan's denies the material allegations contained in Parker's Notice and complaint and maintains that it has not violated Proposition 65. Nothing in this Settlement Agreement shall be construed as an admission by Coghlan's of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Coghlan's of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Coghlan's. However, this section shall not diminish or otherwise affect the obligations, responsibilities, and duties of Coghlan's under this Settlement Agreement.
