**SETTLEMENT AGREEMENT BETWEEN
SHEFA LMV, INC. AND EVA NYC, INC.**

Shefa LMV, Inc. (“Shefa”) and Eva NYC, Inc., (“Defendant”), collectively referred to as the “Parties,” enter into this agreement (“Settlement Agreement”) for the purpose of avoiding prolonged and costly litigation to settle Shefa’s allegations that Defendant and certain Downstream Releasees, as defined below, violated the California Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code §25249.6 et seq. (“Proposition 65”). The effective date of this Settlement Agreement shall be the date upon which it is fully executed by all Parties hereto (the “Effective Date”).

1.0 Introduction

1.1 Shefa is a California-based entity that seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer and industrial products.

1.2 Shefa alleges Defendant manufactures, imports, sells, or distributes, for sale in the State of California, heat ceramic styling iron products with plastic cables that contain Diisononyl Phthalate (“DINP”) without first providing a clear and reasonable warning as required by Proposition 65.

1.3 DINP is listed pursuant to Proposition 65 as a chemical known to cause cancer.

1.4 The products covered by this Settlement Agreement are heat ceramic styling iron products with plastic cables manufactured by or for Defendant, imported by or for Defendant, or distributed or sold by or for Defendant to others, including, but not limited to, Mini Healthy Heat Ceramic Styling Iron, Eva-NYC UPC: 815151027215 (the “Covered Products”).

1.5 On December 20, 2013, the State of California added DINP to the list of chemicals

known to the State to cause cancer.

1.6 This addition took place more than twelve (12) months before Shefa served Defendant with its “60-Day Notice of Violation,” which is further described below.

1.7 DINP is referred to hereinafter as the “Listed Chemical”

1.8 On or about May 18, 2018, Shefa served Defendant, as well as certain relevant public enforcement agencies with a document entitled “60-Day Notice Of Violation” (“Notice”) advising of its intent to sue for alleged violations of Proposition 65 arising from or related to Covered Products containing the Listed Chemical.

1.9 The Notice alleged that Defendant violated Proposition 65 by failing to warn consumers in California that use of Covered Products purportedly exposed users to the Listed Chemical.

1.10 To the best of the Parties’ knowledge, no public enforcer has commenced and is diligently prosecuting the same allegations against Defendant.

1.11 Defendant denies the material, factual and legal allegations contained in the Notice, and maintains that all of the products that it has sold and distributed in California, including the Covered Products, are and have been in compliance with all laws, including Proposition 65.

1.12 The Parties enter into this Settlement Agreement to settle disputed claims between the Parties as alleged in the Notice and as set forth in this agreement concerning the Parties’ and the Covered Products’ compliance with Proposition 65 (the “Dispute”).

1.13 By execution of this Settlement Agreement, the Parties do not admit any facts or conclusions of law, including, but not limited to, any facts or conclusions of law regarding any alleged violation of Proposition 65, or any other statutory, regulatory, common law, or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission against interest,

by any Party, of any alleged fact, conclusion of law, issue of law, or violation of law.

1.14 Nothing in this Settlement Agreement, nor compliance with its terms, shall constitute or be construed, considered, offered, or admitted as evidence of an admission against interest or evidence of fault, wrongdoing, or liability by Defendant, its officers, directors, employees, or parents, subsidiaries or affiliated corporations, any person acting for Defendant, any direct or indirect customer of Defendant who sold or sells the Covered Products, and/or any Downstream Releasees, as defined below, in any administrative or judicial proceeding or litigation in any court, agency, or forum.

1.15 Except for the allegations settled and compromised, nothing in this Settlement Agreement shall prejudice, waive, or impair any right, remedy, argument, or defense that Shefa or Defendant may have against one another in any other legal proceeding as to allegations unrelated to the Dispute or claims released herein.

2.0 **Release**

2.1 This Settlement Agreement is a full, final, and binding resolution between Shefa, individually and *not* in its representative capacity, on the one hand, and (a) Defendant, and its owners, parents, subsidiaries, affiliates, sister and related companies, employees, licensors, licensees, brands, shareholders, members, officers, directors, insurers, agents, attorneys, predecessors, successors, and assigns (collectively, “Releasees”), and (b) all entities to whom Releasees directly or indirectly have provided, distributed, or sold the Covered Products, including but not limited to distributors, wholesalers, customers, retailers, franchisees, cooperative members, and licensees, including, but not limited to, Urban Outfitters, Inc., and their respective attorneys, officers, directors, employees, agents, contractors, subcontractors, predecessors, successors, assigns, subsidiaries, parent(s) and affiliated companies (and each of the officers, directors, legal

representatives, insurers, and assigns thereof) (collectively, “Downstream Releasees”), on the other hand, of any violation(s) or claimed violation(s) of Proposition 65, or any statutory or common law claim that has been, could have been or may in the future be asserted against the Releasees and/or Downstream Releasees regarding exposing persons to the Listed Chemical and the failure to warn about exposure to the Listed Chemical arising in connection with Covered Products manufactured, shipped, and/or otherwise distributed prior to the Effective Date, even if sold by Downstream Releasees after the Effective Date.

2.2 Shefa, its past and current agents, representatives, attorneys, successors, and/or assignees, but not in its capacity as representative of the public, hereby waives and releases with respect to the Covered Products all rights to institute or participate in, directly or indirectly, any form of legal action, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses (including, but not limited to, investigation fees, expert fees, and attorney’s fees) (collectively the “Claims”), against Releasees and/or Downstream Releasees that arise under Proposition 65 or any other statutory or common law claims that were or could have been asserted concerning any Covered Products sold up to the Effective Date, including without limitation to the extent that such claims relate to Releasees’ and/or Downstream Releasees’ alleged exposure of persons to the Listed Chemical contained in the Covered Products or any failure by Releasees and Downstream Releasees to warn about exposures to the Listed Chemical contained in the Covered Products.

2.3 Shefa acknowledges that it is familiar with Section 1542 of the California Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE

RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Shefa, its past and current agents, representatives, attorneys, successors, and/or assignees, in its individual and not representative capacity, expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of, Civil Code § 1542, as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.
