

SETTLEMENT AGREEMENT

BETWEEN

SARA HAMMOND

AND

TALUS

Sara Hammond (“Hammond”) and Talus Corp. (herein referred to as “Talus”) (Hammond and Talus are collectively referred to as the “Parties” or individually as the “Party”), enter into this agreement (“Settlement Agreement”) for the purpose of avoiding prolonged and costly litigation to settle Hammond’s allegations that Talus violated Proposition 65. The effective date of this Settlement Agreement shall be the date upon which it is fully executed by all Parties hereto (the “Effective Date”).

1. Introduction

- 1.1. Hammond is an individual who seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer and industrial products.
- 1.2. Hammond alleges that Talus previously sold tablet holders (for example the High Road Express Car Seatback Organizer and Tablet holder – UPC 0 88838 1040 8, referred to throughout as the “Covered Products”).
- 1.3. Hammond alleges that the Covered Products contain Di(2-ethylhexyl)phthalate (“DEHP”), also known as Diethyl Hexyl Phthalate and Bis (2-ethylhexyl) phthalate, and that Talus did not provide a clear and reasonable warning in compliance with the California Safe Drinking Water and Toxic Enforcement Act of 1986 (Cal. Health & Safety Code § 25249.5, *et seq.* (“Proposition 65”)).
- 1.4. On January 1, 1988 the Governor of California added DEHP to the list of chemicals known to the State to cause cancer, and on October 24, 2003, the Governor added DEHP

to the list of chemicals known to the State to cause developmental male reproductive toxicity. These additions took place more than twenty (20) months before Hammond served her “Sixty-Day Notice Of Violation Sent in Compliance With California Health & Safety Code § 25249.7(d)” which is further described below.

- 1.5. DEHP is referred to hereafter as the “Listed Chemical”.
- 1.6. On or about Jun 4, 2018, Hammond alleges she served Talus and related entities and certain relevant public enforcement agencies with a Sixty-Day Notice of Violation sent pursuant to California Health & Safety Code § 25249.7(d) alleging the Covered Products contained the Listed Chemical (the “Notice”).
- 1.7. The Notice alleged that Talus violated Proposition 65 by failing to warn consumers in California that use of the Covered Products exposes persons to the Listed Chemical.
- 1.8. To the best of the Parties’ knowledge, no public enforcer has commenced prosecution of the same allegations against Talus.
- 1.9. Talus disputes Hammond’s allegations described in this Settlement Agreement and in the Notice.
- 1.10. The Parties enter into this Settlement Agreement to settle disputed claims between them concerning the Parties’ and the Covered Products’ compliance with Proposition 65 (the “Dispute”).
- 1.11. By execution of this Settlement Agreement, the Parties do not admit any facts or conclusions of law, including, but not limited to, any facts or conclusions of law regarding any violation of Proposition 65, or any other statutory, regulatory, common law, or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by the Parties of any fact, conclusion of law, issue of law, or violation of law. Nothing in this Settlement Agreement, nor compliance with its terms, shall constitute or be construed, considered, offered, or admitted as evidence of an admission or evidence of

fault, wrongdoing, or liability by Talus, its officers, directors, employees, or parents, subsidiaries or affiliated corporations, licensees, licensors, suppliers, distributors or retailers of its products, in any administrative or judicial proceeding or litigation in any court, agency, or forum. Except for the allegations settled and compromised, nothing in this Settlement Agreement shall prejudice, waive, or impair any right, remedy, argument, or defense that Hammond or Talus may have in any other legal proceeding as to allegations unrelated to the Dispute or claims released herein.

2. Release

2.1. This Settlement Agreement is a full, final, and binding resolution between Hammond, acting in her individual capacity, on the one hand, and (a) Talus, and its current owners, parents, subsidiaries, affiliates, sister and related companies, licensees, licensors, suppliers, employees, shareholders, members, officers, directors, insurers, attorneys, predecessors, successors, and assigns (collectively "Releasees") and (b) all entities to whom Releasees directly or indirectly provide, distribute, or sell the Covered Product, including but not limited to Wal-Mart.com, Walmart Inc., Jet.com, Sam's West, Inc., Wal-Mart Stores, Inc. and Wal-Mart.com USA, LLC and affiliated entities, distributors, wholesalers, customers, retailers, franchisees, and cooperative members ("Downstream Releasees"), on the other hand, of any violation(s) or claimed violation(s) of Proposition 65 or any statutory or common law claim that has been, could have been or may in the future be asserted against the Releasees and Downstream Releasees regarding exposing persons to any Proposition 65 listed chemical or the failure to warn about exposure to any Proposition 65 listed chemical arising in connection with the Covered Product sold or otherwise distributed by Talus prior to the Effective Date, even if sold by Downstream Releasees after the Effective Date. The Parties agree that compliance with the terms of this Settlement Agreement by Talus shall be deemed to be compliance with Proposition

65 by Releasees and Downstream Releasees with respect to any exposures to the Listed Chemical in the Covered Products manufactured, distributed, or sold by Talus after the Effective Date.

- 2.2. Hammond, on behalf of herself and her past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives and releases with respect to the Covered Product all rights to institute or participate in, directly or indirectly, any form of legal action, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses (including, but not limited to, investigation fees, expert fees, and attorneys' fees) (collectively "Claims"), against Releasees and the Downstream Releasees that arise under Proposition 65 or any other statutory or common law claims that were or could have been asserted in connection with the Covered Product sold or otherwise distributed by Talus up to the Effective Date, including without limitation to the extent that such claims relate to Releasees' or Downstream Releasees' alleged exposure of persons to any Proposition 65 listed chemicals contained in the Covered Products or any failure by Releasees or Downstream Releasees to warn about exposures to any Proposition 65 listed chemical contained in the Covered Products.
- 2.3. Hammond acknowledges that she is familiar with Section 1542 of Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Hammond, on behalf of herself and her past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all

rights and benefits which she may have under, or which may be conferred on her by the provisions of California Civil Code § 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that she may lawfully waive such rights or benefits pertaining to the released matters. The release in this section shall have no force or effect until the full amount of payments set forth below are paid in full.

2.4. Talus's release of Hammond

Talus on its own behalf, and on behalf of its past and current agents, representatives, attorneys, successors and assignees, hereby waives any and all claims against Hammond and her attorneys and other representatives, whether in the course of investigating claims, seeking to enforce Proposition 65 against it in this matter, or with respect to the Covered Product.

3. **Talus's Duties**

- 3.1. Effective on and after the Effective Date Talus shall not sell the Covered Products for distribution in California in the future and shall not resume sales of the Covered Products in California unless the product meets the reformulation standard set forth in Paragraph 3.2 or unless Talus provides a warning in compliance with Proposition 65 for any non-reformulated Covered Product that it sells in California.
- 3.2. Except as provided above, effective on and after the Effective Date, Talus agrees to only sell in California "Reformulated Covered Products." For purposes of this Settlement Agreement, "Reformulated Covered Products" are Covered Products containing no more than 1,000 parts per million (0.1%) DEHP in any accessible component ("accessible component" is defined as any component that could be touched by a person during reasonably foreseeable use). In order to determine compliance with this reformulation standard, Talus may rely on third party testing from an accredited laboratory.

- 3.3. The Parties agree that any of the following warnings shall constitute a “Compliant Warning” for the Listed Chemical in the Covered Product:

This warning may only be used for on-product labels consistent with section 25603(b) of Title 27 of the California Code of Regulations. The triangular warning symbol specified in Section 3.3 shall be in yellow with a black exclamation mark; *provided however*, the symbol may be printed in black and white if the Covered Product label is not printed against a yellow background.
- 3.4. The Parties agree that the specifications for Compliant Warnings in this Settlement Agreement comply with Proposition 65 and its regulations as of the date of this Settlement Agreement, and with regulations adopted on or about August 30, 2016 and which become effective August 30, 2018.
- 3.5. If modifications or amendments to Proposition 65 or its regulations after the Effective Date are inconsistent with, or provide warning specifications or options different from, the specifications in this Settlement Agreement, Defendant may modify the content and
