

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1. Ecological Alliance, LLC and Custom Accessories, Inc.

This Settlement Agreement is entered into by and between Ecological Alliance, LLC (“Ecological”), on the one hand, and Custom Accessories, Inc. (“Custom”), on the other hand, with Ecological and Custom collectively referred to as the “Parties.” Ecological is an organization in California that seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer products. Custom is alleged to employ ten or more persons and is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code §§ 25249.5 *et seq.* (“Proposition 65”).

1.2. General Allegations

Ecological alleges that Custom manufactured and/or distributed and/or offered for sale in the State of California cosmetic battery checks containing Di(2-ethylhexyl)phthalate [DEHP] and that such sales have not included warnings pursuant to Proposition 65. California has identified and listed DEHP under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

1.3. Product Description

The products that are covered by this Settlement Agreement are defined as battery checks that Custom has sold, offered for sale or distributed in California and that contain DEHP. All such items shall be referred to herein as the “Products.”

1.4. Notice of Violation

On Jun 14, 2018, Ecological served Custom, Wal-Mart Stores East, L.P., and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the

People of the State of California with documents entitled “60-Day Notice of Violation” (“Notice”) that provided Custom and such public enforcers with notice that Custom was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to DEHP. To the best of the Parties’ knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission

This Agreement resolves claims that are denied and disputed by Custom. The Parties enter into this Agreement pursuant to a full and final settlement of any and all claims between the Parties for the purpose of avoiding prolonged litigation. Specifically, Custom denies the material factual and legal allegations contained in Ecological’s Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Custom of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Custom of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Custom. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Custom under this Settlement Agreement.

1.6. Effective Date

For purposes of this Settlement Agreement, the term “Effective Date” shall mean the date this Settlement Agreement is fully executed.

2. **INJUNCTIVE RELIEF: WARNING**

2.1. **Warning**

Products shall be accompanied by a warning as described in Section 2.2 below, no later than 90 days after the Effective Date. The warning requirements set forth in Section 2.2 below shall apply only to Products that are distributed, marketed, sold or shipped for sale in the State of California. The warning requirement shall not apply to Products that are already in the stream of commerce as of the Effective Date or that Custom places into the stream of commerce within 90 days of the Effective Date.

2.2. **Warning Language**

Where required, Custom shall provide Proposition 65 warnings as follows:

(a) Custom may use any of the following warning statements in full compliance with this Section:

(1) **WARNING:** This product can expose you to DEHP, which is known to the State of California to cause cancer, birth defects or other reproductive harm. For more info go to www.P65Warnings.ca.gov.

(2) **WARNING:** Cancer and Reproductive Harm – www.P65Warnings.ca.gov.

(b) If Custom elects to use the warning statements identified in either 2.2(a)(1) or (2), it may also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the sign, label or shelf tag for the product is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the

text of the warning, in a size no smaller than the height of the word "WARNING".

(c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(d) If Proposition 65 warnings for DEHP should no longer be required, Custom shall have no further obligations pursuant to this Settlement Agreement.

(e) In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, Custom shall be entitled to use, at their discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)

Pursuant to Health and Safety Code § 25249.7(b)(2), and in settlement of all the claims referred to in this Settlement Agreement, Custom shall pay a total of \$1,000 in civil penalties in accordance with this Section. The penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Ecological. Ecological's counsel shall be responsible for delivering OEHHA's portion of any penalty payment made under this Settlement Agreement.

Custom shall pay Ecological's counsel \$14,000 for all attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice.

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to Sections 3 and 4 above, Ecological, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives all rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims relating to the Products, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses (including, but not limited to, investigation fees, expert fees and attorneys' fees) of any nature whatsoever, whether known or unknown, fixed or contingent (collectively "Claims"), against (a) Custom; (b) Custom's parent companies, corporate affiliates, subsidiaries, and their

(collectively "Releasees").

Ecological also, in its capacity, on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees and *not* in its representative capacity, provides a general release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities and demands of any nature, character or kind, known or unknown, suspected or unsuspected, against Custom and the Releasees. Ecological acknowledges that it is familiar with California Civil Code section 1542, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Ecological, in its capacity only, and on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the

provisions of California Civil Code section 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.

6.2. Custom's Release of Ecological

Custom waives any and all claims against Ecological, its attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Ecological and its attorneys and other representatives, whether in the course of investigating claims or otherwise seeking enforcement of Proposition 65 against it in this matter, and/or with respect to the Products.
