

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Dennis Johnson (“Johnson”) and Kikkerland Design, Inc. (“Kikkerland”), with Johnson and Kikkerland each individually referred to as a “Party” and collectively as the “Parties.” Johnson is an individual residing in the State of California who seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. Kikkerland employs ten or more persons and is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code section 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

Johnson alleges that Kikkerland manufactures, sells, and distributes for sale in California, vinyl toiletry bags containing the phthalate chemicals Diisononyl Phthalate (“DINP”) and/or di(2-ethylhexyl) phthalate (“DEHP”). DINP is listed pursuant to Proposition 65 as a chemical known to cause cancer and DEHP is listed pursuant to Proposition 65 as a chemical known to cause cancer and birth defects or other reproductive harm. Johnson alleges that Kikkerland failed to provide the health hazard warning required by Proposition 65 for exposures to DINP and DEHP.

1.3 Product Description

The products covered by this Settlement Agreement are vinyl toiletry bags containing DINP and/or DEHP that are manufactured, sold, or distributed for sale in California by Kikkerland including, but not limited to, the “*Weekender Apothecary Travel Set*”, UPC# 6 12615 07767 6 (hereinafter referred to as “Products”).

1.4 Notice of Violation

On July 13, 2018, Johnson served Kikkerland and the requisite public enforcement agencies with a 60-Day Notice of Violation (“Notice”), alleging that Kikkerland violated Proposition 65 when it failed to warn its customers and consumers in California of the health hazards associated with exposures to DINP from its Products. No public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notice.

Thereafter, on or about August 2, 2018, as a result of Johnson’s continued investigation and testing of the Products, elevated levels of an additional phthalate, DEHP, were discovered and disclosed to Kikkerland.

1.5 No Admission

Kikkerland denies the material, factual, and legal allegations contained in the Notice and maintains that all of the products that it has sold and distributed in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Kikkerland of any fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Kikkerland of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Kikkerland. This Section shall not, however, diminish or otherwise affect Kikkerland’s obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term “Effective Date” shall mean September 24, 2018.

2. INJUNCTIVE RELIEF: REFORMULATION/WARNINGS

2.1 Reformulation Standards

“Reformulated Products” are defined as those Products containing DINP and DEHP, each in concentrations less than 0.1 percent (1,000 parts per million). Testing

samples shall be prepared and extracted using Consumer Product Safety Commission (“CPSC”) methodology CPSC-CH-C1001.09.3 and analyzed using gas chromatography-mass spectrometry (GC/MS), or any other methodologies utilized by federal or state agencies for the purpose of determining the DINP and DEHP content in a solid substance.

2.2 Reformulation Commitment

As of the Effective Date, Kikkerland shall not manufacture, import, distribute, sell or offer the Products for sale in the State of California unless they are Reformulated Products pursuant to Section 2.1 , or carry appropriate health hazard warnings per section 2.3. The parties agree and intend for compliance with the terms of this Settlement Agreement to constitute compliance with Proposition 65 with respect to exposures to DINP and DEHP from the Products, as set forth in the Notice.

2.3 Product Warnings

As of the Effective Date, all Products Kikkerland sells and/or distributes for sale in California which do not qualify as Reformulated Products, will bear a clear and reasonable warning pursuant to this Section. Kikkerland further agrees that the warning will be prominently placed with such conspicuousness when compared with other words, statements, designs or devices as to render it likely to be read and understood by an ordinary individual under customary conditions of use. For purposes of this Settlement Agreement, a clear and reasonable warning for the Products shall consist of a warning affixed to the packaging, label, tag, or directly to a Product sold in California and containing one of the following statements:

2.3.1 Warnings for Products Containing DEHP and DINP.

3. MONETARY SETTLEMENT TERMS

3.1 Civil Penalty Payment

Pursuant to Health and Safety Code section 25249.7(b)(2), and in settlement of all claims alleged in the Notice or referred to in this Settlement Agreement, Kikkerland agrees to pay \$4,000 in civil penalties no later than the Effective Date. The penalty payment will be allocated in accordance with California Health and Safety Code section 25249.12(c)(1) & (d), with 75% of the penalty amount remitted to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount paid to Johnson, and delivered to the address in Section 3.3 herein. Kikkerland will provide its payment in two checks as follows: (1) “OEHHA” in the

amount of \$3,000; and (2) “Dennis Johnson, Client Trust Account” in the amount of \$1,000.

3.2 Attorneys’ Fees and Costs

The Parties acknowledge that Johnson and his counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving the issue to be resolved after the material terms of the agreement had been settled. Shortly after the other settlement terms had been reached, Kikkerland expressed a desire to resolve Johnson’s fees and costs. The Parties reached an accord on the compensation due to Johnson and his counsel under general contract principles and the private attorney general doctrine codified at Code of Civil Procedure section 1021.5 for all work performed in this matter. Under these legal principles, on or before the Effective Date, Kikkerland agrees to pay \$24,000, in the form of a check made payable to “Voorhees & Bailey, LLP,” for all fees and costs incurred investigating, bringing this matter to the attention of Kikkerland’s management, and negotiating a settlement.

3.3 Payment Address

All payments under this Settlement Agreement shall be delivered to the following address:

Voorhees & Bailey, LLP
990 Amarillo Avenue
Palo Alto, CA 94303

4. CLAIMS COVERED AND RELEASED

4.1 Johnson’s Release of Proposition 65 Claims

Johnson acting on his own behalf, and *not* on behalf of the public, releases Kikkerland, their parents, subsidiaries, affiliated entities under common ownership, directors, officers, agents employees, attorneys, and each entity to whom Kikkerland directly or indirectly distribute or sell Products, including, but not limited, to downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members, and

licensees (collectively, “Releasees”), from all claims for violations of Proposition 65 through the Effective Date based on unwarned exposures to DINP and DEHP in the Products. The Parties further understand and agree that this Section 4.1 release shall not extend upstream to any entities that manufactured the Products or any component parts thereof, or any distributors or suppliers who sold the Products or any component parts thereof to Kikkerland.

4.2 Johnson’s Individual Release of Claims

Johnson, in his individual capacity only and *not* in his representative capacity, provides a release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys’ fees, damages, losses, claims, liabilities, and demands of Johnson of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of alleged or actual exposures to DINP and DEHP in the Products manufactured, imported, distributed, or sold by Kikkerland prior to the Effective Date. The Parties further understand and agree that this Section 4.2 release shall not extend upstream to any entities that manufactured the Products, or any component parts thereof, or any distributors or suppliers who sold the Products, or any component parts thereof to Kikkerland. Nothing in this Section affects Johnson’s right to commence or prosecute an action under Proposition 65 against a Releasee that does not involve Kikkerland’s Products.

4.3 Kikkerland’s Release of Johnson

Kikkerland, on its own behalf, and on behalf of its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives any and all claims against Johnson and his attorneys and other representatives, for any and all actions taken or statements made by Johnson and his attorneys and other representatives, whether in the course of investigating claims, seeking to enforce Proposition 65 against it in this matter, or with respect to the Products.

In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or as to the Products, then Kikkerland may provide written notice to Johnson of any asserted change in the law and shall have no further injunctive obligations pursuant to this Settlement Agreement with respect to, and to the extent that, the Products are so affected.
