

**SETTLEMENT AGREEMENT BETWEEN APS&EE, LLC, THYSSENKRUPP
ONLINEMETALS, LLC, AND THYSSENKRUPP MATERIALS NA, INC.**

1. RECITALS

1.1 The Parties

1.1.1 This Settlement Agreement (“Agreement”) is entered into by and between thyssenkrupp OnlineMetals, LLC (“TOL”) and thyssenkrupp Materials NA, Inc. (“TMN”, and collectively with TOL, “Thyssenkrupp Entities”), on the one hand, and APS&EE, LLC (“APS&EE”), on the other. TOL, TMN and APS&EE shall each individually be referred to as a “Party” and collectively as the “Parties.”

1.1.2 APS&EE is an organization based in California with an interest in protecting the environment, improving human health and the health of ecosystems, and supporting environmentally sound practices, which includes promoting awareness of exposure to toxic chemicals and reducing exposure to hazardous substances found in consumer products.

1.1.3 APS&EE alleges that Thyssenkrupp Entities are each a company in the course of doing business as the term is defined in California *Health & Safety Code* section 25249.6 et seq. (“Proposition 65”).

1.2 Allegations

1.2.1 APS&EE alleges that Thyssenkrupp Entities sold Brass bars, including, but not limited to, 485 H02 Round 0.5”, Part #18252 (hereinafter the “Products”) in the State of California causing users in California to be exposed to unsafe levels of lead, without providing “clear and reasonable warnings”, in violation of Proposition 65. Lead is potentially subject to Proposition 65 warning requirements because it is listed by the State of California as known to cause cancer and birth defects or other reproductive harm.

1.2.2 On July 16, 2018, APS&EE served a Sixty-Day Notice of Violation (the “Notice”) to Thyssenkrupp Entities and the various public enforcement agencies regarding the alleged violation of Proposition 65 with respect to the Products.

1.3 No Admissions

Thyssenkrupp Entities deny all allegations in APS&EE's Notice and maintain that the Products have been, and are, in compliance with all laws, and that Thyssenkrupp Entities have not violated Proposition 65. This Agreement shall not be construed as an admission of liability by Thyssenkrupp Entities but to the contrary as a compromise of claims that are expressly contested and denied. However, nothing in this section shall affect the Parties' obligations, duties, and responsibilities under this Agreement.

1.4 Compromise

The Parties enter into this Agreement in order to resolve the controversy described above in a manner consistent with prior Proposition 65 settlements and consent judgments that were entered in the public interest and to avoid prolonged and costly litigation between them.

1.5 Effective Date

The "Effective Date" shall be the date upon which a complete and fully executed copy of the Agreement is delivered to each Party's counsel.

2. INJUNCTIVE RELIEF AND REFORMULATION

2.1 Reformulation

As of the Effective Date, Thyssenkrupp Entities shall not distribute, sell or offer for sale the Products in California unless (a) the Products contain no more than 100 parts per million (0.01%) of lead ("Reformulated Products"), or (b) the Products are distributed, sold, or offered for sale with a clear and reasonable warning as described below in Section 2.2.

2.2 Clear And Reasonable Warnings

2.2.1 For any Products that are not Reformulated Products, such Products shall be accompanied by a clear and reasonable warning. Thyssenkrupp Entities shall provide the following warning statements (or other warnings consistent with 27 Cal. Code Regs. § 25601, et seq. operative August 30, 2018, or the applicable regulations governing such warnings) as follows:

“WARNING: This product can expose you to chemicals, including Lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.”

Or if the warning is printed on or affixed to a product or its immediate container or wrapper:

“WARNING: Cancer and Reproductive Harm - www.P65Warnings.ca.gov.”

The warning shall be accompanied by a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the label for the product is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word “WARNING”.

2.2.2 The Products shall carry said warning directly on each unit or its label or package, with such conspicuousness as compared with other words, statements or designs as to render it likely to be read and understood by an ordinary consumer prior to sale. A Product that is sold by either TOL or TMN on the internet shall also provide the warning message on the product display page, by a clearly marked hyperlink on the product display page, or otherwise prominently displayed to the purchaser before the purchaser completes his or her purchase of the Product. For Products that TOL and/or TMN provide for a downstream retailer to sell on the internet, TOL and/or TMN shall include an instruction that the retailer provide the warning message on the product display page, by a clearly marked hyperlink on the product display page, or otherwise prominently displayed to the purchaser before the purchaser completes his or her purchase of the Product.
