

## SETTLEMENT AND RELEASE AGREEMENT 9/24/18 Comments

### 1. **INTRODUCTION**

#### 1.1. **Ecological Alliance, LLC and The International Toiletry Company, Inc.**

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and The International Toiletry Company, Inc. ("Toiletry"), on the other hand, with Ecological and Toiletry collectively referred to as the "Parties."

#### 1.2. **General Allegations**

Ecological alleges that Toiletry manufactured and/or distributed and/or offered for sale in the State of California body care sets in [plastic bag packaging] containing Di(2-ethylhexyl)phthalate ("DEHP") and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed DEHP under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

#### 1.3. **Product Description**

The products that are covered by this Settlement Agreement are defined as [the plastic bag packaging containing] body care sets that Toiletry has sold, offered for sale or distributed in California and that contain DEHP. All such items shall be referred to herein as the "Products."

#### 1.4. **Notice of Violation**

On July 26, 2018, Ecological served Toiletry, The Neiman Marcus Group LLC, and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with documents entitled "60-Day Notice of Violation" ("Notice") that provided Toiletry and such public enforcers with notice that Toiletry was

allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to DEHP. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

**1.5. No Admission**

The parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Toiletry's compliance with Proposition 65. Specifically, Toiletry denies the material factual and legal allegations contained in Ecological's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Toiletry of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Toiletry of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Toiletry. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Toiletry under this Settlement Agreement.

**1.6. Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean October 4, 2018, if this Settlement Agreement is fully executed by that date and, if not, on the date after October 4, 2018 this Settlement Agreement is fully executed.

The warning requirement shall not apply to Products that are already in the stream of commerce as of the Effective Date or that Toiletry places into the stream of commerce within 90 days of the Effective Date or to any Products where the DEHP content is below one-thousand (1000) parts per million.
