

SETTLEMENT AGREEMENT

1. **INTRODUCTION**

1.1 The Parties. This Settlement Agreement is entered into by and between Anthony Ferreiro (“Ferreiro”) and Regular Visitors, LLC (“Regular Visitors”). Together, Ferreiro and Regular Visitors are collectively referred to as the “Parties.” Ferreiro is an individual that resides in the State of California, and seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Ferreiro alleges that Regular Visitors is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code § 25249.6, et seq. (“Proposition 65”).

1.2 General Allegations. Ferreiro alleges that Regular Visitors has exposed individuals to the chemical diisononyl phthalate (DINP) from its sales of Izola first aid bags without first providing users and consumers of the product with a clear and reasonable health hazard exposure warning as required pursuant to Proposition 65. DINP is listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer and reproductive toxicity.

1.3 Product Description. The products covered by this Settlement Agreement are Izola first aid bags (the “Products”) that have been imported, distributed, offered for sale and/or sold in California by Regular Visitors.

1.4 Notice of Violation. On July 27, 2018, Ferreiro served Izola, Inc. (“Izola”) and Ross Stores, Inc. (“Ross Stores”), and various public enforcement agencies with a document entitled “Notice of Violation of California Health & Safety Code § 25249.6, et seq.” (the “Notice”). The Notice provided Ross Stores, Izola, and such others, including public enforcers, with notice that alleged that Regular Visitors was in violation of California Health & Safety Code § 25249.6, for failing to warn California consumers and customers that use of the Products will expose them to DINP. Regular Visitors was subsequently identified as the supplier and distributor of the Products identified in the Notice and entered into negotiations with Ferreiro as indemnitor to Ross Stores and Izola to resolve

Ferreiro's claims concerning the Products in the Notice. No public enforcer has diligently prosecuted the allegations set forth in the Notice.

1.5 No Admission. Regular Visitors denies the material factual and legal allegations contained in the Notice and maintains that, to the best of its knowledge, all products that are or have been sold and distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Regular Visitors of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Regular Visitors of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Regular Visitors. However, this § 1.5 shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement. Notwithstanding the allegations in the Notice, Regular Visitors maintains that it has not knowingly manufactured, or caused to be manufactured, the Products for sale in California in violation of Proposition 65.

1.6 Effective Date. For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Agreement is last executed by the Parties.

2. INJUNCTIVE RELIEF: WARNINGS

2.1 Reformulation of Products. As of the Effective Date, and continuing thereafter, Products that Regular Visitors directly manufactures, imports, distributes, sells, or offers for sale in California shall either: (a) be Reformulated Products pursuant to § 2.2, below; or (b) be labeled with a clear and reasonable exposure warning pursuant to §§ 2.3 and 2.4, below. For purposes of this Settlement Agreement, a "Reformulated Product" is a Product that is in compliance with the standard set forth in § 2.2, below. The warning requirement set forth in §§ 2.3 and 2.4 shall not apply to any Reformulated Product. Products that were supplied to third parties by Regular Visitors prior to the Effective Date shall be deemed exempted from the requirements of this Section 2 and shall be permitted to be sold through as previously manufactured, packaged and labeled.

2.2 Reformulation Standard. "Reformulated Products" shall mean Products that contain concentrations less than or equal to 0.1% (1,000 parts per million (ppm)) of DINP when analyzed

pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or other methodology utilized by federal or state government agencies for the purpose of determining the phthalate content in a solid substance.

2.3 Clear and Reasonable Warning. As of the Effective Date, and continuing thereafter, a clear and reasonable exposure warning as set forth in this §§ 2.3 and 2.4 must be provided for all Products that Regular Visitors manufacturers, imports, distributes, sells, or offers for sale in California that is not a Reformulated Product. There shall be no obligation for Regular Visitors to provide an exposure warning for Products that entered the stream of commerce prior to the Effective Date. The warning shall consist of either the **Warning** or **Alternative Warning** described in §§ 2.3(a) or (b), respectively:

(a) **Warning.** The “Warning” shall consist of the statement:

The warning symbol to the left of the word “**WARNING:**” must be a black exclamation point in a yellow equilateral triangle with a black outline, except that if the sign or label for the Products does not use the color yellow, the symbol may be in black and white. The symbol must be in a size no smaller than the height of the word “**WARNING:**”. The warning shall be affixed to or printed on the Products’ packaging or labeling, or on a placard, shelf tag, sign or electronic device or automatic process, providing that the warning is displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. A warning may be contained in the same section of the packaging, labeling, or

instruction booklet that states other safety warnings, if any, concerning the use of the Product and shall be at least the same size as those other safety warnings.

If Regular Visitors sells Products via an internet website to customers located in California, the warning requirements of this section shall be satisfied if the foregoing warning appears either: (a) on the same web page on which a Product is displayed and/or described; (b) on the same page as the price for the Product; or (c) on one or more web pages displayed to a purchaser prior to purchase during the checkout process. Alternatively, a symbol consisting of a black exclamation point in a yellow or white equilateral triangle may appear adjacent to or immediately following the display, description, price, or checkout listing of the Product, if the warning statement appears elsewhere on the same web page in a manner that clearly associates it with the product(s) to which the warning applies.

2.5 Compliance with Warning Regulations. Regular Visitors shall be deemed to be in compliance with this Settlement Agreement by either adhering to §§ 2.3 and 2.4 of this Settlement Agreement or by complying with warning requirements adopted by the State of California’s Office of Environmental Health Hazard Assessment (“OEHHA”) after the Effective Date.

The Parties acknowledge that Ferreiro and his counsel offered to reach preliminary agreement on the material terms of this dispute before reaching terms on the amount of fees and costs to be reimbursed to them. The Parties thereafter reached an accord on the compensation due to Ferreiro and his counsel under general contract principles and the private attorney general doctrine and principles codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution of this agreement. Under these legal principles, Regular Visitors shall reimburse Ferreiro’s counsel \$9,000.00 for fees and costs incurred as a result of investigating and bringing this matter to Regular Visitors’ attention, and negotiating a settlement in the public interest. 5. RELEASE OF ALL CLAIMS

5.1 Release of Regular Visitors and Downstream Customers and Entities. This Settlement Agreement is a full, final and binding resolution between Ferreiro, acting on his own behalf, and Regular Visitors, of any violation of Proposition 65 that was or could have been asserted by Ferreiro or on behalf of his past and current agents, representatives, attorneys, successors, and/or assigns (“Releasers”) for failure to provide warnings for alleged exposures to DINP contained in the

Products, and Releasers hereby release any such claims against Regular Visitors and its parents, subsidiaries, affiliated entities, shareholders, marketplaces, directors, officers, agents, employees, attorneys, successors and assignees, and each entity to whom Regular Visitors directly or indirectly distributes or sells the Products, including but not limited to, downstream distributors, wholesalers, customers, retailers, including but not limited to Ross Stores, and its respective subsidiaries, affiliates and parents, franchisees, cooperative members and licensees (collectively, the “Releasees”), from all claims for violations of Proposition 65 through the Effective Date based on their failure to warn of alleged exposure to the chemical DINP from use of the Products.

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to §§ 3 and 4 above, Ferreiro, on behalf of himself, his past and current agents, representatives, attorneys, successors and/or assignees, hereby covenants not to sue and waives any right to institute, participate in, directly or indirectly, any form of legal action and releases all claims that he may have, including without limitation, all actions and causes of action in law and in equity, all obligations, expenses (including without limitation all attorneys’ fees, expert fees, and investigation fees, and costs), damages, losses, liabilities and demands against any of the Releasees of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of the alleged or actual exposure to the chemical DINP in the Products.

5.2 Regular Visitors’ Release of Ferreiro. Regular Visitors, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives any and all claims against Ferreiro, his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Ferreiro and/or his attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with respect to the Products.

5.3 California Civil Code § 1542. It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Products will develop or be discovered. Ferreiro on behalf of himself only, on one hand, and Regular Visitors, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims up through the Effective

Date, including all rights of action therefor. The Parties acknowledge that the claims released in §§ 5.1 and 5.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Ferreiro and Regular Visitors each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5.4 Deemed Compliance with Proposition 65. Compliance by Regular Visitors with this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposure to DINP from use of the Products.

5.5. Public Benefit. It is Regular Visitors' understanding that the commitments it has agreed to herein, and actions to be taken by Regular Visitors under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of Regular Visitors that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to Regular Visitors failure to provide a warning concerning exposure to DINP prior to use of the Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Products addressed in this Settlement Agreement, provided that Regular Visitors is in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected but only to the extent the deletion of the provision

deemed unenforceable does not materially affect, or otherwise result in the effect of the Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the law of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable or limited by reason of law generally, or as to the Products, Regular Visitors shall provide written notice to Ferreiro of any asserted change in the law, and shall have no further obligations pursuant to this Settlement Agreement with respect to, and to the extent that, a Product is so affected.

8. NOTICES

Unless specified herein, all correspondence and notices required to be provided pursuant to this Settlement Agreement shall be in writing and personally delivered or sent by: (i) first-class (registered or certified mail) return receipt requested; or (ii) overnight or two-day courier on any party by the other party to the following addresses:

9. COUNTERPARTS: SIGNATURES

10. COMPLIANCE WITH HEALTH & SAFETY CODE § 25249.7(f)

Ferreiro agrees to comply with the reporting requirements referenced in Health & Safety Code § 25249.7(f).

11. MODIFICATION

This Settlement Agreement may be modified only by a written agreement of the Parties.

12. ENTIRE AGREEMENT
