

## **SETTLEMENT AGREEMENT**

### **1. INTRODUCTION**

#### **1.1 Parties**

This Settlement Agreement is entered into by and between Kim Embry (“Embry”), on the one hand, and Gartner Studios, LLC (“Gartner Studios”), on the other hand, with Embry and Gartner Studios each individually referred to as a “Party” and collectively as the “Parties.” Embry is an individual residing in the State of California who seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. Gartner Studios employs ten or more individuals and is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code § 25249.6 *et seq.* (“Proposition 65”).

#### **1.2 General Allegations**

Embry alleges that Gartner Studios manufactures, sells, and distributes for sale in California, adhesive pockets that contain Di(2-ethylhexyl) phthalate (“DEHP”) and that it does so without first providing a satisfactory health hazard warning as required by Proposition 65. DEHP is regulated under Proposition 65 as a chemical known to the state of California to cause cancer and birth defects or other reproductive harm.

#### **1.3 Product Description**

The product covered by this Settlement Agreement is defined as, and expressly limited to, Russell + Hazel Mini Adhesive Pockets Pkg/12 (“Product”), that contains DEHP and that is manufactured, sold or distributed for sale in California by Gartner Studios.

#### **1.4 Notice of Violation**

On July 27, 2018, Embry served Gartner Studios, the California Attorney General and other requisite public enforcers with a 60-Day Notice of Violation (“Notice”), alleging that Gartner Studios violated Proposition 65 when it failed to warn its customers and consumers in California of the health risks associated with exposures to DEHP from the Product. To the best of the Parties’ knowledge, no public enforcer has commenced and is diligently prosecuting an action to enforce the violations alleged in the Notice.

## **1.5 No Admission**

Gartner Studios denies the material, factual, and legal allegations in the Notice and maintains that all of the product it sold and/or distributed for sale in California, including the Product, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Gartner Studios of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Gartner Studios of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Gartner Studios. This Section shall not, however, diminish or otherwise affect Gartner Studios' obligations, responsibilities and duties under this Settlement Agreement.

## **1.6 Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean ninety (90) days following the execution of this Settlement Agreement by the Parties.

## **2. INJUNCTIVE RELIEF**

### **2.1 Clear and Reasonable Warnings**

Commencing on the Effective Date, and continuing thereafter, Gartner Studios agrees to only manufacture for sale, purchase for sale, import for sale, or distribute for sale in or into California the Product that is sold with a health hazard warning as provided for in Section 2.2.

### **2.2 General Warning Requirements**

Gartner Studios agrees that each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Product the warning applies, so as to minimize the risk of consumer confusion.

For purposes of this Settlement Agreement, a clear and reasonable warning for the Russell + Hazel Mini Adhesive Pockets Pkg/12 shall consist of a warning affixed to the packaging, label, tag, or directly to each Product sold in California by Gartner Studios that contains one of the following

long-form or short-form statements:

- 1) **WARNING:** This product can expose you to chemicals including Di(2-ethylhexyl) phthalate (DEHP), which is known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov). OR
- 2) **WARNING:** Cancer and Reproductive Harm – [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

The warning shall also include a symbol consisting of either black exclamation point in a yellow equilateral triangle with a bold black outline, or a black exclamation point in a white equilateral triangle with a bold black outline. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word “WARNING”. The same warning shall be posted on any websites where the Products are sold in California.

### **2.3 Grace Period for Existing Inventory of Products**

The injunctive requirements of Section 2 shall not apply to Products that are already in the stream of commerce as of the Effective Date., which Products are expressly subject to the releases provided in Section 4.1.
