

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1. Ecological Alliance, LLC and Crest Garden Ltd

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and Crest Garden Ltd ("Crest"), on the other hand, with Ecological and Crest collectively referred to as the "Parties."

1.2. General Allegations

Ecological alleges that Crest manufactured, distributed and offered for sale either directly or indirectly through Burlington Coat Factory Direct Corporation including its affiliates and subsidiaries ("Burlington") in the State of California KENT & STOWE branded "General Purpose Loppers and Bypass Secateurs", product style no. 70407075 ("Loppers") containing Diisononyl phthalate [DINP] and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed DINP under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

1.3. Product Description

The products that are covered by this Settlement Agreement are the Loppers that Crest directly or indirectly has or caused to be sold, offered for sale or distributed in California through Burlington and that contain DINP. All such goods shall be referred to hereinafter as the "Products."

1.4. Notice of Violation

On July 30, 2018, Ecological served Burlington and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" ("Notice") that provided Crest and such public enforcers with notice that Crest was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to DINP. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Crest's compliance with Proposition 65. Specifically, Crest denies the material factual and legal allegations contained in Ecological's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Crest of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Crest of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Crest. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Crest under this Settlement Agreement.

1.6. Effective Date

For the purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed by all Parties.

2. **INJUNCTIVE RELIEF: WARNING**

2.1. **Warning**

Crest agrees that in the future any Products that potentially expose consumers to DINP which are intended to be offered for sale in the State of California, shall be accompanied by a warning as described in Section 2.2 below, no later than 90 days after the Effective Date. The warning requirements set forth in Section 2.2 below shall apply only to Products that are distributed, marketed, sold or shipped for sale in the State of California. The warning requirement shall not apply to Products that are already in the stream of commerce as of the Effective Date or that Crest places into the stream of commerce within 90 days of the Effective Date.

2.2. **Warning Language**

Where required so as to comply with Section 2.1 above, Crest shall add one of the following two Proposition 65 warnings to the Products in full compliance with this section:

(1) **WARNING:** This product can expose you to DINP, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more info go to www.P65Warnings.ca.gov.

(2) **WARNING:** Cancer and Reproductive Harm –
www.P65Warnings.ca.gov.

If Crest elects to use either of these warning statements, it may also include a symbol consisting

of a black exclamation point in a yellow equilateral triangle with a bold black outline, .

Where the sign, label or shelf tag for the goods is printed using the color yellow, the symbol may

be printed in black and white, . The symbol shall be placed to the left of the text of the

warning, in a size no smaller than the height of the word "WARNING", as illustrated here:

 **WARNING:**

The requirements for warnings, set forth above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations and Crest may therefore adopt another warning which complies with said legislation.

If Proposition 65 warnings for DINP in California should no longer be required, Crest shall have no further obligations pursuant to this Settlement Agreement.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, Crest shall pay a total of \$100 in civil penalties in accordance with this Section. The penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Ecological. Ecological's counsel shall be responsible for delivering OEHHA's portion of any penalty payment made under this Settlement Agreement.

4. REIMBURSEMENT OF FEES AND COSTS

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Crest shall reimburse Ecological's counsel for fees and costs, incurred as a result of investigating and bringing this matter to Crest's attention. Crest shall pay Ecological's counsel \$8,400 in full and final settlement for all its attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice.

5. **PAYMENT INFORMATION**

By December 7, 2018, Crest shall make a total payment of Eight Thousand Five Hundred Dollars (\$8,500) for the civil penalties and attorneys' fees/costs by wire transfer to Ecological's counsel Custodio & Dubey LLP:

Bank: Bank of America, N.A.

Routing No.: 026009593

Account No.: 325054144600

Beneficiary: Custodio & Dubey LLP

Other than this payment, each side is to bear its own attorneys' fees and costs.

6. **RELEASE OF ALL CLAIMS**

6.1. **Release of Crest, Downstream Customers and Upstream Vendors**

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to Sections 3 and 4 above, Ecological, in its representative capacity, and on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby releases and waives all rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims relating to the Products, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses (including, but not limited to, investigation fees, expert fees and attorneys' fees) of any nature whatsoever, whether known or unknown, fixed or contingent (collectively "Claims"), as asserted in the Notice or otherwise arising against (a) Crest, (b) each of Crest's downstream distributors (including but not limited to Burlington), wholesalers, vendors, licensors, licensees, auctioneers, retailers, franchisees, dealers, shareholders, cooperative members, customers, owners, purchasers, users,

and (c) Crest's parent companies, corporate affiliates, subsidiaries, and their respective officers, directors, attorneys, representatives, shareholders, agents, and employees, and sister and parent entities (including but not limited to Westland Holdings Limited) (collectively "Releasees").

Ecological also, in its capacity, on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees and *not* in its representative capacity, provides a general release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities and demands of any nature, character or kind, known or unknown, suspected or unsuspected, against Crest and the Releasees including, without limitation and by way of example only, any and all claims arising from or related to the Notice or any of the Releasees' offering for sale of Products into the State of California prior to the Effective Date of this agreement. Ecological acknowledges that it is familiar with California Civil Code section 1542, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Ecological, in its capacity only, and on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of California Civil Code section 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.

6.2. Crest's Release of Ecological

Crest waives any and all claims against Ecological, its attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Ecological and its attorneys and other representatives, whether in the course of investigating claims or otherwise seeking enforcement of Proposition 65 against it in this matter, and/or with respect to the Products.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or as to the Products, then Crest shall have no further obligations pursuant to this Settlement Agreement.
