

## SETTLEMENT AND RELEASE AGREEMENT

### 1. INTRODUCTION

#### 1.1. Ecological Alliance, LLC and Cotton On USA Inc.

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and Cotton On USA Inc. ("Cotton On"), on the other hand, with Ecological and Cotton On collectively referred to as the "Parties."

#### 1.2. General Allegations

Ecological alleges that Cotton On manufactured and distributed and offered for sale in the State of California cosmetic bags containing Diisononyl phthalate [DINP] and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed DINP under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

#### 1.3. Product Description

The products that are covered by this Settlement Agreement are defined as cosmetic bags and backpacks that Cotton On has or caused to be sold, offered for sale or distributed in California and that contain DINP. All such items shall be referred to herein as the "Products."

#### 1.4. Notice of Violation

On July 31, 2018, Ecological served Cotton On, Suyen Corporation, and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" ("Notice") that provided Cotton On and such public enforcers with notice that Cotton On was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and

customers that the Products exposed users in California to DINP. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

**1.5. No Admission**

The parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Cotton On's compliance with Proposition 65. Specifically, Cotton On denies the material factual and legal allegations contained in Ecological's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Cotton On of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Cotton On of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Cotton On. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Cotton On under this Settlement Agreement.

**1.6. Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

**2. INJUNCTIVE RELIEF: WARNING**

**2.1. Warning**

Products shall be accompanied by a warning as described in Section 2.2 below, no later than 90 days after the Effective Date. The warning requirements set forth in Section 2.2 below

shall apply only to Products that are distributed, marketed, sold or shipped for sale in the State of California. The warning requirement shall not apply to Products that are already in the stream of commerce as of the Effective Date or that Cotton On places into the stream of commerce within 90 days of the Effective Date.

**2.2. Warning Language**

Where required, Cotton On shall provide Proposition 65 warnings as follows:

(a) Cotton On may use any of the following warning statements in full compliance with this Section:

(1) **WARNING:** This product can expose you to DINP, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more info go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

(2) **WARNING:** Cancer and Reproductive Harm – [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

(b) If Cotton On elects to use the warning statements identified in either 2.2(a)(1) or (2), it may also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the sign, label or shelf tag for the product is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word "WARNING".

(c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties

recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(d) If Proposition 65 warnings for DINP should no longer be required, Cotton On shall have no further obligations pursuant to this Settlement Agreement.

(e) Warnings shall not be required pursuant to this Settlement Agreement if Cotton On has test results, from testing conducted within the past twelve (12) months by a laboratory certified by the U.S. Consumer Product Safety Commission, showing non-detectable levels of DINP for the Products.

**3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)**

In settlement of all the claims referred to in this Settlement Agreement, Cotton On shall pay a total of \$1,000 in civil penalties in accordance with this Section. The penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Ecological. Ecological's counsel shall be responsible for delivering OEHHA's portion of any penalty payment made under this Settlement Agreement.

**4. REIMBURSEMENT OF FEES AND COSTS**

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Cotton On shall reimburse Ecological's counsel for fees and costs, incurred as a result of investigating and bringing this matter to Cotton On's attention. Cotton On shall pay Ecological's counsel \$14,000 for all attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice.

**5. PAYMENT INFORMATION**

By October 12, 2018, Cotton On shall make a total payment of Fifteen Thousand Dollars (\$15,000) for the civil penalties and attorney's fees / costs by wire transfer to Plaintiff's counsel Custodio & Dubey LLP:

Ecological acknowledges that it is familiar with California Civil Code section 1542, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Ecological, in its capacity only, and on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of California Civil Code section 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.
