

SETTLEMENT AGREEMENT

BETWEEN

SARA HAMMOND

AND

MYSTIC APPAREL, LLC

Sara Hammond (“Hammond”) and Mystic Apparel, LLC. (herein referred to as “Mystic”) (Hammond and Mystic are collectively referred to as the “Parties”), enter into this agreement (“Settlement Agreement”) for the purpose of avoiding prolonged and costly litigation to settle Hammond’s allegations that Mystic violated Proposition 65. The effective date of this Settlement Agreement shall be the date upon which it is fully executed by all Parties hereto (the “Effective Date”).

1. Introduction

- 1.1. Hammond is an individual who resides in the State of California and seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer and industrial products.
- 1.2. Mystic previously sold and/or distributed Translucent PVC backpacks (for example the Limited Too Fashion Backpack by Mystic Apparel UPC 7 09996 77992 0, referred to throughout as the “Covered Product”).
- 1.3. Hammond alleges that the Covered Product contains Di(2-ethylhexyl)phthalate (“DEHP”), also known as Diethyl Hexyl Phthalate and Bis (2-ethylhexyl) phthalate, and that Mystic did not provide a required warning in compliance with the California Safe Drinking Water and Toxic Enforcement Act of 1986 (Cal. Health & Safety Code § 25249.5, *et seq.* (“Proposition 65”)).
- 1.4. On January 1, 1988 the Governor of California added DEHP to the list of chemicals known to the State to cause cancer, and on October 24, 2003, the Governor added DEHP

to the list of chemicals known to the State to cause developmental male reproductive toxicity. These additions took place more than twenty (20) months before Hammond served her “Sixty-Day Notice Of Violation Sent in Compliance With California Health & Safety Code § 25249.7(d)” which is further described below.

- 1.5. DEHP is referred to hereafter as the “Listed Chemical”.
- 1.6. On or about August 7, 2018 Hammond alleges she served Mystic and related entities and certain relevant public enforcement agencies with a Sixty-Day Notice of Violation sent pursuant to California Health & Safety Code § 25249.7(d) alleging the Covered Product contained the Listed Chemical (the “Notice”). The Notice period has been extended by mutual agreement of the parties during settlement negotiations.
- 1.7. The Notice alleged that Mystic violated Proposition 65 by failing to warn consumers in California that use of the Covered Product exposes persons to the Listed Chemical.
- 1.8. To the best of the Parties’ knowledge, no public enforcer has commenced and is diligently prosecuting the same allegations against Defendant.
- 1.9. The Parties enter into this Settlement Agreement to settle disputed claims between the Parties as alleged in the Notice and as set forth below concerning the Parties’ and the Covered Products’ compliance with Proposition 65 (the “Dispute”).
- 1.10. Mystic disputes Hammond’s allegations described in this Settlement Agreement and in the Notices and denies the material, factual and legal allegations contained in the Notice and maintains that all of the products that it has sold and distributed in California, including the Covered Product, are and have been in compliance with Proposition 65 or any other statutory, regulatory, common law, or equitable doctrine. Notwithstanding the allegations in the Notice, Mystic maintains that it has not knowingly manufactured, or caused to be manufactured, the Covered Product for sale in California in violation of Proposition 65.

1.11. By execution of this Settlement Agreement, the Parties do not admit any facts or conclusions of law, including, but not limited to, any facts, findings, issues of law, or conclusions of law regarding any violation of Proposition 65, or any other statutory, regulatory, common law, or equitable doctrine, such being specifically denied by Mystic. Nothing in this Settlement Agreement shall be construed as an admission against interest by any Party of any fact, conclusion of law, issue of law, or violation of law. Nothing in this Settlement Agreement, nor compliance with its terms, shall constitute or be construed, considered, offered, or admitted as evidence of an admission or evidence of fault, wrongdoing, or liability by Mystic, its officers, directors, employees, or parents, subsidiaries or affiliated corporations, licensees, licensors, suppliers, distributors or retailers of its products, in any administrative or judicial proceeding or litigation in any court, agency, or forum. Except for the allegations settled and compromised, nothing in this Settlement Agreement shall prejudice, waive, or impair any right, remedy, argument, or defense that Hammond or Mystic may have against one another in any other legal proceeding as to allegations unrelated to the Dispute or claims released herein.

2. Release

2.1. This Settlement Agreement is a full, final, and binding resolution between Hammond, acting in her individual capacity, on the one hand, and (a) Mystic, and its owners, parents, subsidiaries, affiliates, sister and related companies, licensees, licensors, suppliers, employees, shareholders, members, officers, directors, insurers, agents, attorneys, predecessors, successors, and assigns, including but not limited to Mystic's affiliate, Wiesner Products, Inc. (collectively "Releasees") and (b) all entities to whom Releasees directly or indirectly provide, distribute, or sell the Covered Product, including but not limited to distributors, wholesalers, customers, retailers, franchisees, cooperative members, and licensees, including the TJX Companies, Inc., Marmaxx Operating Corp.,

Marshalls and affiliated entities, distributors, wholesalers, customers, retailers, franchisees, and cooperative members (“Downstream Releasees”), on the other hand, of any violation(s) or claimed violation(s) of Proposition 65 or any statutory or common law claim that has been, could have been, or may in the future be asserted against the Releasees and/or Downstream Releasees regarding exposing persons to any Proposition 65 listed chemical or the failure to warn about exposure to any Proposition 65 listed chemical arising in connection with the Covered Product manufactured, shipped, sold and/or otherwise distributed by Mystic prior to the Effective Date, even if sold by Downstream Releasees after the Effective Date. The Parties agree that compliance with the terms of this Settlement Agreement by Mystic shall be deemed to be compliance with Proposition 65 by Releasees and Downstream Releasees with respect to any exposures to the Listed Chemical in the Covered Product manufactured, distributed, or sold by Mystic after the Effective Date.

- 2.2. Hammond, on behalf of herself and her past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives and releases with respect to the Covered Product all rights to institute or participate in, directly or indirectly, any form of legal action, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses (including, but not limited to, investigation fees, expert fees, and attorneys’ fees) of any nature whatsoever, whether known or unknown, fixed or contingent (collectively “Claims”), against Releasees and the Downstream Releasees (including each of Releasees’ and Downstream Releasees’ parent companies, corporate affiliates, subsidiaries, sister entities, officers, directors, attorneys, representatives, shareholders, agents, and employees, as well as each of their downstream distributors, wholesalers, vendors, licensors, licensees, auctioneers, retailers, franchisees, dealers, cooperative

members, customers, owners, purchasers, and users) that arise under Proposition 65 or any other statutory or common law claims that were or could have been asserted in connection with the Covered Product sold or otherwise distributed by Mystic up to the Effective Date, including without limitation to the extent that such claims relate to Releasees' or Downstream Releasees' alleged exposure of persons to any Proposition 65 listed chemicals contained in the Covered Product or any failure by Releasees or Downstream Releasees to warn about exposures to any Proposition 65 listed chemical contained in the Covered Product.

2.3. It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Covered Products will develop or be discovered.

Hammond, on her own behalf, on one hand, and Mystic, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims up through the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in Paragraphs 2.1 through 2.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims.

Hammond acknowledges that she is familiar with Section 1542 of Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Hammond, on behalf of herself, and her past and current agents, representatives, attorneys, successors, and/or assignees, provides a general release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities

and demands of any nature, character or kind, known or unknown, suspected or unsuspected, against the Releasees and Downstream Releasees.

Hammond, on behalf of herself and her past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which she may have under, or which may be conferred on her by the provisions of California Civil Code § 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that she may lawfully waive such rights or benefits pertaining to the released matters. The release in this section shall have no force or effect until the full amount of payments set forth below are paid in full.

2.4. Mystic's release of Hammond

Mystic on its own behalf, and on behalf of its past and current agents, representatives, attorneys, successors and assignees, hereby waives any and all claims against Hammond and her attorneys and other representatives, whether in the course of investigating claims, seeking to enforce Proposition 65 against it in this matter, or with respect to the Covered Product.

It is Mystic's understanding that the commitments it has agreed to herein, and actions to be taken by Mystic under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of Mystic that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to Mystic's failure (or failure of any Releasee or Downstream Releasee) to provide a warning concerning exposure to DEHP with respect to the Covered Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant

benefit on the general public as to those Covered Products addressed in this Settlement Agreement, provided that Mystic is in material compliance with this Settlement Agreement.

3. Mystic's Duties

- 3.1. Effective on and after the Effective Date Mystic shall not sell the Covered Product for distribution in California in the future and shall not resume sales of the Covered Product in California unless the product meets the reformulation standard set forth in Paragraph 3.2 or unless Mystic provides a clear and reasonable warning for any non-reformulated Covered Product that it sells in California.
- 3.2. Except as provided above, effective on and after the Effective Date, Mystic agrees to only sell in California, "Reformulated Covered Products." For purposes of this Settlement Agreement, "Reformulated Covered Products" are Covered Products containing no more than 1,000 parts per million (0.1%) DEHP in any accessible component ("accessible component" is defined as any component that could be touched by a person during reasonably foreseeable use). In order to determine compliance with this reformulation standard, Mystic may rely on third party testing from an accredited laboratory.
- 3.3. The Parties agree that any of the following warnings shall constitute a "Compliant Warning" for the Listed Chemical in the Covered Product:
- (a) the text, "**WARNING This product can expose you to chemicals including Di(2-ethylhexyl)phthalate (DEHP), which is known to the State of California to cause cancer or reproductive harm. For more information go to www.P65Warnings.ca.gov.**" accompanied by and placed to the right of a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline sized to be no smaller than the word "WARNING" as provided by regulations adopted on or about August 30, 2016; or

(b) the text, “**WARNING Cancer or Reproductive Harm – www.P65Warnings.ca.gov**.” accompanied by and placed to the right of a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline sized to be no smaller than the word “WARNING” as provided by regulations adopted on or about August 30, 2016.

The triangular warning symbol specified in Section 3.3 shall be in yellow with a black exclamation mark; *provided however*, the symbol may be printed in black and white if the Covered Product label is not printed against a yellow background.

- 3.4. The Parties agree that the specifications for Compliant Warnings in this Settlement Agreement comply with Proposition 65 and its regulations as of the date of this Settlement Agreement, and with regulations adopted on or about August 30, 2016 and which become effective August 30, 2018.
- 3.5. If modifications or amendments to Proposition 65 or its regulations after the Effective Date are inconsistent with, or provide warning specifications or options different from, the specifications in this Settlement Agreement, Defendant may modify the content and delivery methods of its warnings to conform to the modified or amended provisions of Proposition 65 or its regulations. If Proposition 65 warnings for DEHP should no longer be required, Mystic shall not have any further obligations pursuant to this Settlement Agreement.
