

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between the CENTER FOR ADVANCED PUBLIC AWARENESS, INC. (“CAPA”) and SMITH’S CONSUMER PRODUCTS, INC. (“Smith’s”), with Smith’s and CAPA each individually referred to as a “Party” and collectively as the “Parties.”

1.2 Introduction and General Allegations.

1.2.1 CAPA is a not-for profit corporation duly organized and existing in the State of California, which seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products.

1.2.2 CAPA alleges that Smith’s employs ten or more persons, and CAPA alleges that Smith’s is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code section 25249.6 *et seq.* (“Proposition 65”).

1.2.3 CAPA alleges that Smith’s imported, sold, and/or distributed for sale in California Covered Products, as defined below, that contain Di-(2-ethylhexyl) phthalate (“DEHP”) and Di-isononyl Phthalate (“DINP”), chemicals pursuant to Proposition 65 listed by the State of California to cause cancer and reproductive toxicity. CAPA further alleges that Smith’s failed to provide the health hazard warning required by Proposition 65 for exposures to DEHP and DINP from the Covered Products.

1.3 Product Description.

The products covered by this Settlement Agreement are the Smith’s Be Ready Kits, which were imported, sold and/or distributed for sale in California by Smith’s with UPC# 027925505403 (“Covered Products”).

1.4 60 Day Notice of Violation and Exchange of Information.

On August 9, 2018, CAPA served Smith's, Ross Stores, Inc., and the requisite public enforcement agencies a 60-Day Notice of Violation ("Notice"), related to the Covered Products, alleging that Smith's violated Proposition 65. The Notice alleged that Smith's had failed to warn their customers and consumers in California of the health hazards associated with exposures to DEHP and DINP from its import, sale and/or distribution of the Covered Products.

CAPA subsequently provided Smith's with test results in CAPA's possession concerning its allegations. Smith's provided CAPA with sales data related to the Covered Products. To the best of the Parties' knowledge, no public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notice.

1.5 No Admission.

The Parties enter into this Settlement Agreement to settle disputed claims between the Parties as set forth below concerning the Parties' and the Covered Products' compliance with Proposition 65. Specifically, CAPA alleges that Smith's imported, manufactured, sold or distributed for sale in the state of California, Covered Products which contained DEHP and DINP without first providing the clear and reasonable exposure warning required by Proposition 65. Smith's denies that such a warning is required under Proposition 65 or any otherwise applicable law.

Smith's further denies the material, factual, and legal allegations contained in the Notice and maintains that all of the products that it has imported, manufactured and/or sold and distributed in California, including the Covered Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Smith's of any fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Smith's of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Smith's. This Section shall not, however, diminish or otherwise affect Smith's obligations, responsibilities, and duties under this Settlement Agreement.

1.6 **Effective Date.**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date the Agreement is fully executed by the Parties.

2. **INJUNCTIVE RELIEF: REFORMULATED PRODUCTS**

2.1 **Reformulation Standard.** Commencing on the Effective Date, and continuing thereafter, Covered Products that Smith's imports, manufactures, ships to be sold or offered for sale or purchase in or into California, or sells in California shall be deemed to comply with Proposition 65, and be exempt from any Proposition 65 warning requirements with respect to DEHP and DINP, if the Products meet the standard of "Reformulated Products." "Reformulated Products" shall mean Covered Products containing less than or equal to 1,000 parts per million (0.1%) DEHP and DINP in each Accessible Component when analyzed pursuant to Environmental Protection Agency testing methodologies 3580A and 8270C, CPSC-CH-C1001-09.3 or equivalent methodologies utilized by federal or state agencies for the purpose of determining DEHP and DINP content in a solid substance ("Reformulation Standard"). With respect to existing Covered Products, meaning those that are currently in the channels of distribution, with distributors, and retailers, Smith's may continue to sell-through those items. However, as of the Effective Date, no new Covered Products may be distributed or sold in California that are not Reformulated Products or do not contain the warnings set forth in Paragraph 2.3

2.2 **Warning Option.** Covered Products that do not meet the Reformulation Standard set forth in Section 2.1 above shall be accompanied by a warning as described in Section 2.3 below. This warning shall only be required as to Covered Products that are sold or shipped out to consumers, retailers, or distributors in California after the Effective Date. No Proposition 65 warning for DEHP and DINP shall be required as to any Covered Products that are already in the stream of commerce as of the Effective Date.

2.3 **Warning Language.** Commencing on the Effective Date, Smith's shall ensure that any unreformulated Covered Products that it manufacturers, imports, distributes, sells, or

offers for sale in California includes a clear and reasonable warning. The warning shall be affixed to the packaging or labeling using language similar to the warnings below:

⚠ **WARNING:** This product can expose you to chemicals including Di-(2-ethylhexyl) phthalate and/or Di-isobutyl phthalate, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

OR

⚠ **[California Proposition 65] WARNING:** Cancer and Reproductive Harm - www.P65Warnings.ca.gov.

The Warning provided pursuant to section 2.3 must print the word “**WARNING:**” in all capital letters and in bold font, followed by a colon. The warning symbol to the left of the word “**WARNING:**” must be a black exclamation point in a yellow equilateral triangle with a black outline, except that if the sign or label for the Products does not use the color yellow, the symbol may be in black and white. The symbol must be in a size no smaller than the height of the word “**WARNING:**”. The warning shall be affixed to or printed on the Products’ packaging or labeling, or on a placard, shelf tag, sign or electronic device or automatic process. The warning shall be prominently displayed with such conspicuousness as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user is reasonably likely to understand to which the specific Product the warning applies, so as to minimize the risk of consumer confusion. In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, Smith’s shall be entitled to use, at its discretion, such other warning text and/or methods of transmission without being deemed in breach of this Settlement Agreement.

2.4 **Accessible Component.** The term “Accessible Component” shall mean any component of the Covered Product that could be touched by a person during reasonably foreseeable use.

2.5 **Compliance with Warning Regulations.** Smith’s shall be deemed to be in compliance with this Settlement Agreement by either adhering to sections 2.3 and/or 2.4 of this Settlement Agreement, or by complying with warning requirements adopted by the State of

California's Office of Environmental Health Hazard Assessment ("OEHHA") after the Effective Date.

3. CIVIL PENALTY PURSUANT TO HEALTH & SAFETY CODE § 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, Smith's shall pay a civil penalty of \$1,000, to be apportioned in accordance with California Health & Safety Code §§25249.12(c) & (d), with 75% of these funds remitted to the State of California's Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to CAPA. Smith's shall issue two separate checks for the penalty payment: (a) one check made payable to the Kawahito Law Group in Trust for the State of California's Office of Environmental Health Hazard Assessment ("in Trust for OEHHA") in the amount of \$750, representing 75% of the initial civil penalty and (b) one check to "Kawahito Law Group in Trust for Center for Advanced Public Awareness, Inc.," in the amount of \$250, representing 25% of the initial civil penalty. Two separate 1099s shall be issued for the above payments: The first 1099 shall be issued to OEHHA, P.O. Box 4010, Sacramento, CA 95814 (EIN: 68-0284486). The second 1099 shall be issued to Kawahito Law Group APC, who shall furnish a W-9 at least five calendar days before payment is due. The payments shall be delivered on or before 10 calendar days from the Effective Date, to the following address:

James Kawahito, Esq.
Kawahito Law Group APC
222 N. Pacific Coast Hwy. Suite 2222
El Segundo, CA 90245

4. REIMBURSEMENT OF FEES AND COSTS

The Parties acknowledge that CAPA and its counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving any fee reimbursement issue to be resolved after the material terms of the agreement had been settled. The parties reached an accord on the compensation due to CAPA and its counsel under general contract principles and the private attorney general doctrine codified at California Code of Civil Procedure (CCP) § 1021.5, for all work performed through the mutual execution of this agreement. More specifically, Smith's shall pay the total amount of \$16,500 for fees and costs incurred by CAPA as a result of investigating, bringing this matter to the attention of

Smith's, and negotiating a settlement. Smith's shall make the check payable to "Kawahito Law Group APC" and shall deliver payment on or before 10 calendar days from the Effective Date to the following address:

James Kawahito, Esq.
Kawahito Law Group APC
222 N. Pacific Coast Hwy. Suite 2222
El Segundo, CA 90245

To allow for the issuance of a timely payment to be rendered pursuant to the above, CAPA shall provide Smith's with a completed IRS Form W-9 for the Kawahito Law Group APC at least five calendar days prior to payment.

5. RELEASE OF ALL CLAIMS

5.1 Full, Final and Binding Resolution of Proposition 65 Allegations.

This Settlement Agreement is a full, final and binding resolution between CAPA, acting on its own behalf, and Smith's, of any violation of Proposition 65 that was or could have been asserted by CAPA, or on behalf of its past and current agents, representatives, attorneys, successors and/or assignees ("Releasers"). Releasers hereby release Smith's, of any violation of Proposition 65 that was or could have been asserted by CAPA against Smith's, Ross Stores, Inc., their parents, subsidiaries, affiliated entities that are under common ownership, directors, shareholders, officers, employees, agents, principals, insurers, accountants, representatives, attorneys, predecessors, successors, assignees, licensors, each manufacturer or other entity supplying Smith's with the Covered Products, and each entity to which Smith's directly or indirectly distributes, ships or sells the Covered Products, including, but not limited to Ross Stores, Inc., its downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members, and licensees and their owners, directors, officers, employees, agents, principals, insurers, accountants, representatives, attorneys, predecessors, successors, and assignees (collectively "Releasees") for any and all claims based on their alleged or actual failure to warn about alleged exposures to DEHP and DINP contained in the Covered Products that were allegedly manufactured, imported, distributed, sold and/or offered for sale by Smith's (either directly or through the Releasees) in California before the Effective Date. The Release shall also cover any Products that were in the stream of commerce prior to the Effective Date. However, as of the Effective Date, no new Products shall be shipped to or distributed in

California that are not Reformulated Products or contain the warnings set forth in Sections 2.2 and 2.3. This release is provided in CAPA's individual capacity and is not a release on behalf of the public.

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to sections 3 and 4 above, CAPA on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, also hereby waives all of its rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims against Smith's and Releasees that it or they may have including, without limitation, all actions, and causes of action, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, expenses, investigative fees, expert fees, and attorneys' fees for any and all claims arising under Proposition 65, and regarding the alleged or actual failure to warn about exposures to DEHP and DINP in the Covered Products allegedly manufactured, sold, or distributed for sale before the Effective Date by Smith's or Releasees.

5.2 Smith's Release of CAPA.

Smith's on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives any and all claims against CAPA, its attorneys and other representatives, for any and all actions taken or statements made by CAPA and its attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter with respect to the Covered Products.

5.3 California Civil Code § 1542. It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Products will develop or be discovered. CAPA on behalf of itself only, on one hand, and Smith's, on the other hand, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims up through the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in sections 5.1 and 5.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

CAPA and Smith's each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5.4 Enforcement of Settlement Agreement.

Any party may file suit before the Superior Court of the County of Los Angeles to enforce the terms and conditions contained in this Settlement Agreement. The prevailing party shall be entitled to its reasonable attorneys' fees and costs associated with such enforcement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any provision of this Settlement Agreement is deemed by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable or limited by reason of law generally, or as to the Products, Smith's shall provide written notice to CAPA of any asserted change in the law, and shall have no further obligations pursuant to this Settlement Agreement with respect to, and to the extent that, a Covered Product is so affected.

8. NOTICE

Unless specified herein, all correspondence and notice required to be provided pursuant to this Settlement Agreement shall be in writing and sent by: (a) personal delivery; (b) first-class, registered or certified mail, return receipt requested; or (c) a recognized overnight courier on any Party by the other at the following addresses:

within it. No representations or terms of agreement other than those contained herein exist or have been made by any Party with respect to the other Party or the subject matter hereof.

13. AUTHORIZATION

The undersigned are authorized to execute this Settlement Agreement on behalf of their respective Parties and have read, understand, and agreed to all of the terms and conditions of this Settlement Agreement.
