

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties. This Settlement Agreement is entered into by and between Gabriel Espinosa (“Espinosa”) and Guess?, Inc. (“Guess?”). Together, Espinosa and Guess? are collectively referred to as the “Parties.” Espinosa is an individual that resides in the State of California, and seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Espinosa alleges that Guess? is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code § 25249.6, et seq. (“Proposition 65”).

1.2 General Allegations. Espinosa alleges that Guess? has exposed individuals to the chemicals Di(2-ethylhexyl) phthalate (DEHP) and/or Diisononyl phthalate (DINP) from its sales of G by Guess Book Bag and GBG Cosmetic Case without first providing users and consumers of the product with a clear and reasonable health hazard exposure warning as required pursuant to Proposition 65. DEHP and DINP are listed pursuant to Proposition 65 as chemicals known to the State of California to cause cancer, birth defects or other reproductive harm.

1.3 Product Description. The products covered by this Settlement Agreement are G by Guess Book Bags and GBG Cosmetic Case (the “Products”) that have been imported, distributed, offered for sale and/or sold in California by Guess?.

1.4 Notice of Violation. On August 22, 2018, Espinosa served Guess?, and various public enforcement agencies with a document entitled “Notice of Violation of California Health & Safety Code § 25249.6, et seq.” (the “Notice”). The Notice provided Guess? and such others, including public enforcers, with notice that alleged that Guess? was in violation of California Health & Safety Code § 25249.6, for failing to warn California consumers and customers that use of the Products will expose them to DEHP and/or DINP. No public enforcer has diligently prosecuted the allegations set forth in the Notice.

1.5 No Admission. Guess? denies the material factual and legal allegations contained in the Notice and maintains that, to the best of its knowledge, all products that are or have been sold and

distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Guess? of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Guess? of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Guess?. However, Section 1.5 shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement. Notwithstanding the allegations in the Notice, Guess? maintains that it has not knowingly manufactured, or caused to be manufactured, the Products for sale in California in violation of Proposition 65.

1.6 **Effective Date.** For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Agreement is last executed by the Parties.

2. **INJUNCTIVE RELIEF; WARNINGS**

2.1 **Clear and Reasonable Warning.** Products manufactured or acquired by Guess? for sale in California after the Effective Date, and continuing thereafter, shall not need a warning if the Products do not exceed the following limits for DEHP or DINP: 0.1% (1,000 parts per million (ppm)) when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or other methodology utilized by federal or state government agencies for the purpose of determining the phthalate content in a solid substance. Products that do not meet this standard shall be accompanied by a warning as described below, no later than 90 days after the Effective Date. These warning requirements shall apply only to Products that are distributed, marketed, sold or shipped for sale in the State of California.

There shall be no obligation for Guess? to provide a warning for Products that entered the stream of commerce prior to the Effective Date or that Guess? places into the stream of commerce within 90 days of the Effective Date.

The warning shall consist of either the **Warning** or **Alternative Warning** described here in this §§ 2.1(a) or (b), respectively:

- (a) **Warning.** The "Warning" shall consist of the statement:

⚠ WARNING: This product can expose you to chemicals including DEHP, which is known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

(b) **Alternative Warning:** Guess? may, but is not required to, use the alternative short-form warning as set forth in this § 2.1(b) (“**Alternative Warning**”) as follows:

⚠ WARNING: Cancer and Reproductive Harm - www.P65Warnings.ca.gov.

2.2 A Warning or Alternative Warning provided pursuant to § 2.1 must print the word “**WARNING:**” in all capital letters and in bold font, followed by a colon. The warning symbol to the left of the word “**WARNING:**” must be a black exclamation point in a yellow equilateral triangle with a black outline, except that if the sign or label for the Products does not use the color yellow, the symbol may be in black and white. The symbol must be in a size no smaller than the height of the word “**WARNING:**”. The warning shall be affixed to or printed on the Products’ packaging or labeling, or on a placard, shelf tag, sign or electronic device or automatic process, providing that the warning is displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. A warning may be contained in the same section of the packaging, labeling, or instruction booklet that states other safety warnings, if any, concerning the use of the Product and shall be at least the same size as those other safety warnings.

If Guess? sells Products via an internet website to customers located in California, the warning requirements of this section shall be satisfied if the foregoing warning appears either: (a) on the same web page on which a Product is displayed and/or described; (b) on the same page as the price for the Product; or (c) on one or more web pages displayed to a purchaser prior to purchase during the checkout process. Alternatively, a symbol consisting of a black exclamation point in a yellow or white equilateral triangle may appear adjacent to or immediately following the display, description, price, or checkout listing of the Product, if the warning statement appears elsewhere on the same web page in a manner that clearly associates it with the product(s) to which the warning applies.

2.3 Compliance with Warning Regulations. Guess? shall be deemed to be in compliance with this Settlement Agreement by either adhering to §§ 2.1 and 2.2 of this Settlement Agreement or

by complying with warning requirements adopted by the State of California's Office of Environmental Health Hazard Assessment ("OEHHA") after the Effective Date.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE § 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, Guess? shall pay \$1,000.00 as a Civil Penalty in accordance with this Section. The Civil Penalty payment shall be allocated in accordance with California Health & Safety Code § 25249.12(c)(1) and (d), with 75% of the funds remitted to OEHHA and the remaining 25% of the penalty remitted to Espinosa. The Civil Penalty payment(s) shall be delivered to the addresses identified in § 3.2, below. For all amounts due and owing that are not received within the payment times set forth below, Guess? shall pay a late civil penalty payment fee equal to \$100/day to be allocated in accordance with California Health & Safety Code § 25249.12(c)(1) and (d).

3.1 Civil Penalty. Within fifteen (15) business days of the Effective Date, Guess? shall issue two separate checks for the Civil Penalty payment to (a) "OEHHA" in the amount of \$750.00; and to (b) "Brodsky & Smith, LLC in Trust for Espinosa" in the amount of \$250.00. 4. **REIMBURSEMENT OF FEES AND COSTS**

The Parties acknowledge that Espinosa and his counsel offered to reach preliminary agreement on the material terms of this dispute before reaching terms on the amount of fees and costs to be reimbursed to them. The Parties thereafter reached an accord on the compensation due to Espinosa and his counsel under general contract principles and the private attorney general doctrine and principles codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution of this agreement. Under these legal principles, Guess? shall reimburse Espinosa's counsel for fees and costs incurred as a result of investigating and bringing this matter to Guess? attention, and negotiating a settlement in the public interest. Within fifteen (15) business days of the Effective Date, Guess? shall issue a check payable to "Brodsky & Smith, LLC" in the amount of \$10,000.00 for delivery to the address identified in § 3.2(a)(i), above.

5. **RELEASE OF ALL CLAIMS**

5.1 **Release of Guess? and Downstream Customers and Entities.** This Settlement Agreement is a full, final and binding resolution between Espinosa, acting on his own behalf, and

Guess?, of any violation of Proposition 65 that was or could have been asserted by Espinosa or on behalf of his past and current agents, representatives, attorneys, successors, and/or assigns (“Releasers”) for failure to provide warnings for alleged exposures to DEHP and/or DINP contained in the Products, and Releasers hereby release any such claims against Guess? and its parents, subsidiaries, affiliated entities (including but limited to Guess? Licensing, Inc. and Guess? IP Holder, L.P.), shareholders, marketplaces, directors, officers, agents, employees, attorneys, successors and assignees, and each entity to whom Guess? directly or indirectly distributes or sells the Products, including but not limited to, downstream distributors, wholesalers, customers, retailers, and its respective subsidiaries, affiliates and parents, franchisees, cooperative members and licensees, (collectively, the “Releasees”), from all claims for violations of Proposition 65 through the Effective Date based on their failure to warn about alleged exposure to the chemical DEHP and/or DINP that is contained in the Products, and that were manufactured, distributed, sold and/or offered for sale by Guess? to customers and consumers in the State of California.

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to Sections 3 and 4 above, Espinosa, on behalf of himself, his past and current agents, representatives, attorneys, successors and/or assignees, hereby covenants not to sue and waives any right to institute, participate in, directly or indirectly, any form of legal action and releases all claims that she may have, including without limitation, all actions and causes of action in law and in equity, all obligations, expenses (including without limitation all attorneys’ fees, expert fees, and investigation fees, and costs), damages, losses, liabilities and demands against any of the Releasees of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of the alleged or actual exposure to the chemical DEHP and/or DINP in the Products.

5.2 Guess? Release of Espinosa. Guess?, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives any and all claims against Espinosa, his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Espinosa and/or his attorneys and other representatives,

whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with respect to the Products.

5.3 California Civil Code § 1542. It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Products will develop or be discovered. Espinosa on behalf of himself only, on one hand, and Guess?, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims up through the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in §§ 5.1 and 5.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Espinosa and GUESS? each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5.4 Deemed Compliance with Proposition 65. Compliance by Guess? with this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposure to DEHP and/or DINP in the Products.

5.5. Public Benefit. It is Guess? understanding that the commitments it has agreed to herein, and actions to be taken by Guess? under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of Guess? that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to Guess? failure to provide a warning concerning exposure to DEHP and/or DINP prior to use of the Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Products addressed in this Settlement Agreement, provided that Guess? is in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected but only to the extent the deletion of the provision deemed unenforceable does not materially affect, or otherwise result in the effect of the Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the law of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable or limited by reason of law generally, or as to the Products, Guess? shall provide written notice to Espinosa of any asserted change in the law, and shall have no further obligations pursuant to this Settlement Agreement with respect to, and to the extent that, a Product is so affected.

8. NOTICES

Unless specified herein, all correspondence and notices required to be provided pursuant to this Settlement Agreement shall be in writing and personally delivered or sent by: (i) first-class (registered or certified mail) return receipt requested; or (ii) overnight or two-day courier on any party by the other party to the following addresses:

10. **COMPLIANCE WITH HEALTH & SAFETY CODE § 25249.7(f)**

Espinosa agrees to comply with the reporting requirements referenced in Health & Safety Code § 25249.7(f).

11. **MODIFICATION**

This Settlement Agreement may be modified only by a written agreement of the Parties.
