

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1. Ecological Alliance, LLC and Michaels Stores, Inc.

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and Michaels Stores, Inc. ("Michaels") on behalf of itself and its supplier, Hampton Arts ("Hampton"), on the other hand, with Ecological and Michaels collectively referred to as the "Parties."

1.2. General Allegations

Ecological alleges that Michaels manufactured and distributed and offered for sale in the State of California pouches, including embellishment pouches UPC #886946717215, containing Diisononyl phthalate (DINP) and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed DINP under Proposition 65 as a chemical known to the State of California to cause cancer.

1.3. Product Description

The products that are covered by this Settlement Agreement are defined as pouches, including embellishment pouches UPC #886946717215, that Michaels has sold, offered for sale or distributed in California and that contain DINP or other Proposition 65-listed phthalates. All such items shall be referred to herein as the "Products."

1.4. Notice of Violation

On August 23, 2018, Ecological served Michaels and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" ("Notice") that provided

Michaels and such public enforcers with notice that Michaels was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to DINP. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Michaels's compliance with Proposition 65. Specifically, Michaels and Hampton deny the material factual and legal allegations contained in Ecological's Notice and maintain that all products manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Michaels or Hampton of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Michaels or Hampton of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Michaels on its and Hampton's behalves. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Michaels under this Settlement Agreement.

1.6. Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

2. INJUNCTIVE RELIEF: REFORMULATION AND WARNINGS

As of the Effective Date, Michaels shall manufacture, import, or otherwise source for authorized sale in California only Reformulated Products, as defined pursuant to Section 2.1 below, unless such Products are labeled or sold via the internet with a clear and reasonable Proposition 65 warning pursuant to Section 2.3 below. Products that acquired by Michaels prior to the Effective Date shall be deemed exempted from the requirements of this Section 2 and shall be permitted to be sold through as previously manufactured, packaged and labeled.

2.1. Reformulation Standards

“Reformulated Products” are defined as those Products containing DINP in concentrations less than 0.1 percent (1,000 parts per million) when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or any other methodology utilized by federal or state agencies for the purpose of determining the DINP content in a solid substance.

2.2. Extended Reformulation Commitment

As of the Effective Date, unless labeled with a Proposition 65 warning in the manner described in Section 2.3 below, Michaels shall also not manufacture, import, or distribute the Products for sale in the State of California unless they contain concentrations of less than 0.1 percent (1,000 parts per million) each of butyl benzyl phthalate (“BBP”), di-n-butyl phthalate (“DBP”), di-isodecyl phthalate (“DIDP”), di(2-ethylhexyl)phthalate (“DEHP”), and Di-n-hexyl Phthalate (DnHP) (collectively, the “Additional Listed Phthalates,”) when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or any other methodology utilized by federal or state agencies for the purpose of determining phthalate content in a solid substance.

2.3. Warning Language

Where required, Michaels shall provide Proposition 65 warnings as follows:

- (a) Michaels may use either of the following warning statements in full compliance with this Section:¹
 - (1) **WARNING:** This product can expose you to chemicals including DINP, which are known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.
 - (4) **WARNING:** Cancer – www.P65Warnings.ca.gov.
- (b) In conjunction with the above warning statement it elects to use, Michaels shall also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the label or webpage for the product is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word “WARNING.”
- (c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.
- (d) If Proposition 65 warnings for DINP or the Product should no longer be required, Michaels shall have no further obligations pursuant to this Settlement Agreement.

¹ To the extent Michaels determines that the Products for which a warning is to be given also contain Proposition 65 chemicals that have been listed for reproductive harm effects, it may modify the chemical(s) and effects referenced in the warning statement accordingly.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement and because it previously began to implement Proposition 65 warnings for the Products, Michaels shall pay on its and Hampton's behalves a total of \$500 in civil penalties in accordance with this Section. The penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Ecological. Ecological's counsel shall be responsible for delivering OEHHA's portion of any penalty payment made under this Settlement Agreement.

4. REIMBURSEMENT OF FEES AND COSTS

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Michaels shall reimburse Ecological's counsel for fees and costs, incurred as a result of investigating and bringing this matter to Michaels's attention. More specifically, on its and Hampton's behalves, Michaels shall pay Ecological's counsel \$12,000 for all attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice.

5. PAYMENT INFORMATION

By January 31, 2019, Michaels shall make a total payment on its and Hampton's behalves of Twelve Thousand Five Hundred Dollars (\$12,500) for the civil penalties and attorney's fees / costs by wire transfe, ACH or check made payable to Plaintiff's counsel Custodio & Dubey LLP:

Bank: Bank of America, N.A.

Routing No.: 026009593

Account No.: 325054144600

Beneficiary: Custodio & Dubey LLP

Other than this payment, each side is to bear its own attorneys' fees and costs.

6. **RELEASE OF ALL CLAIMS**

6.1. **Release of Michaels, Hampton and Related Entities**

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to Sections 3 and 4 above, Ecological, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives all rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims relating to the Products, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses (including, but not limited to, investigation fees, expert fees and attorneys' fees) of any nature whatsoever, whether known or unknown, fixed or contingent (collectively "Claims"), against Michaels, Hampton, and each of their parent companies, corporate affiliates, subsidiaries, and their respective officers, directors, attorneys, representatives, shareholders, agents, and employees, and sister and parent entities (collectively "Releasees").

Ecological also, on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees and *not* in its representative capacity, provides a general release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities and demands of any nature, character or kind, known or unknown, suspected or unsuspected,

against Michaels, Hampton and the Releasees. Ecological acknowledges that it is familiar with California Civil Code section 1542, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Ecological, in its capacity only, and on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of California Civil Code section 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.

6.2. Michaels's Release of Ecological

Michaels waives any and all claims against Ecological, its attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Ecological and its attorneys and other representatives, whether in the course of investigating claims or otherwise seeking enforcement of Proposition 65 against it in this matter, and/or with respect to the Products.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California.
