

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties. This Settlement Agreement is entered into by and between Ema Bell (“Bell”) and CBI Distributing Corp., CBI Distributing Corp. t/a Icing, and CBI Distributing Corp. t/a Claire’s Accessories (“Claire’s Accessories”). Together, Bell and Claire’s Accessories are collectively referred to as the “Parties.” Bell is an individual that resides in the State of California, and seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Bell alleges that Claire’s Accessories is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code § 25249.6, et seq. (“Proposition 65”).

1.2 General Allegations. Bell alleges that Claire’s Accessories has exposed individuals to the chemical di(2-ethylhexyl) phthalate (DEHP) from its sales of *icing* wallets/card holders without first providing users and consumers of the product with a clear and reasonable health hazard exposure warning as required pursuant to Proposition 65. DEHP is listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer and reproductive toxicity.

1.3 Product Description. The products covered by this Settlement Agreement include but are not limited to *icing* wallets/card holders, UPC 888712348579, and related products (the “Products”) that have been imported, distributed, offered for sale and/or sold in California by Claire’s Accessories.

1.4 Notice of Violation. On August 24, 2018, Bell served Claire’s Accessories and various public enforcement agencies with a document entitled “Notice of Violation of California Health & Safety Code § 25249.6, et seq.” (the “Notice”). The Notice provided Claire’s Accessories and such others, including public enforcers, with notice that alleged that Claire’s Accessories was in violation of California Health & Safety Code § 25249.6, for failing to warn California consumers and customers that use of the Products will allegedly expose them to DEHP. No public enforcer has diligently prosecuted the allegations set forth in the Notice.

1.5 No Admission. Claire's Accessories denies the material factual and legal allegations contained in the Notice and maintains that, to the best of its knowledge, all products that are or have been sold and distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Claire's Accessories of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Claire's Accessories of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Claire's Accessories. However, this § 1.5 shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement. Notwithstanding the allegations in the Notice, Claire's Accessories maintains that it has not knowingly manufactured, or caused to be manufactured, the Products for sale in California in violation of Proposition 65.

1.6 Effective Date. For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Agreement is last executed by the Parties.

2. INJUNCTIVE RELIEF: WARNINGS

2.1 Reformulation of Products. Within three (3) months of the Effective Date, and continuing thereafter, Products that Claire's Accessories directly manufactures, imports, distributes, sells, or offers for sale in California shall either: (a) be Reformulated Products pursuant to § 2.2, below; or (b) be labeled with a clear and reasonable exposure warning pursuant to §§ 2.3 and 2.4, below. For purposes of this Settlement Agreement, a "Reformulated Product" is a Product that is in compliance with the standard set forth in § 2.2, below. The warning requirement set forth in §§ 2.3 and 2.4 shall not apply to any Reformulated Product.

2.2 Reformulation Standard. "Reformulated Products" shall mean Products that contain concentrations less than or equal to 0.1% (1,000 parts per million (ppm)) of DEHP or other phthalate listed under Proposition 65 when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or other methodology utilized by federal or state government agencies for the purpose of determining the phthalate content in a solid substance.

2.3 Clear and Reasonable Warning. Within three (3) months of the Effective Date, and continuing thereafter, a clear and reasonable exposure warning as set forth in this §§ 2.3 and 2.4 must be provided for all Products that Claire’s Accessories manufacturers, imports, distributes, sells, or offers for sale in California that is not a Reformulated Product. There shall be no obligation for Claire’s Accessories to provide an exposure warning for Products that entered the stream of commerce prior to the Effective Date. The warning shall consist of either the **Warning** or **Alternative Warning** described in §§ 2.3(a) or (b), respectively:

(a) **Warning.** The “Warning” shall consist of the statement:

⚠ WARNING: This product can expose you to chemicals including di(2-ethylhexyl) phthalate (DEHP), which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

(b) **Alternative Warning:** Claire’s Accessories may, but is not required to, use the alternative short-form warning as set forth in this § 2.3(b) (“**Alternative Warning**”) as follows:

⚠ WARNING: Cancer and Reproductive Harm - www.P65Warnings.ca.gov.

2.4 A **Warning** or **Alternative Warning** provided pursuant to § 2.3 must print the word “**WARNING:**” in all capital letters and in bold font, followed by a colon. The warning symbol to the left of the word “**WARNING:**” must be a black exclamation point in a yellow equilateral triangle with a black outline, except that if the sign or label for the Products does not use the color yellow, the symbol may be in black and white. The symbol must be in a size no smaller than the height of the word “**WARNING:**”. The warning shall be affixed to or printed on the Products’ packaging or labeling, or on a placard, shelf tag, sign or electronic device or automatic process, providing that the warning is displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. A warning may be contained in the same section of the packaging, labeling, or instruction booklet that states other safety warnings, if any, concerning the use of the Product and shall be at least the same size as those other safety warnings.

If Claire’s Accessories sells Products via an internet website to customers located in California, the warning requirements of this section shall be satisfied if the foregoing warning appears

either: (a) on the same web page on which a Product is displayed and/or described; (b) on the same page as the price for the Product; or (c) on one or more web pages displayed to a purchaser prior to purchase during the checkout process. Alternatively, a symbol consisting of a black exclamation point in a yellow or white equilateral triangle may appear adjacent to or immediately following the display, description, price, or checkout listing of the Product, if the warning statement appears elsewhere on the same web page in a manner that clearly associates it with the product(s) to which the warning applies.

2.5 Compliance with Warning Regulations. Claire's Accessories shall be deemed to be in compliance with this Settlement Agreement by either adhering to §§ 2.3 and 2.4 of this Settlement Agreement or by complying with warning requirements adopted by the State of California's Office of Environmental Health Hazard Assessment ("OEHHA") after the Effective Date.

The Parties acknowledge that Bell and her counsel offered to reach preliminary agreement on the material terms of this dispute before reaching terms on the amount of fees and costs to be reimbursed to them. The Parties thereafter reached an accord on the compensation due to Bell and her counsel under general contract principles and the private attorney general doctrine and principles codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution of this agreement. Under these legal principles, Claire’s Accessories shall reimburse Bell’s counsel for fees and costs incurred as a result of investigating and bringing this matter to Claire’s Accessories’ attention, and negotiating a settlement in the public interest. Within fifteen (15) business days of the Effective Date, Claire’s Accessories shall issue a check payable to “Brodsky & Smith, LLC” in the amount of \$16,000.00 for delivery to the address identified in § 3.2(a)(i), above.

5. RELEASE OF ALL CLAIMS

5.1 Release of Claire’s Accessories and Downstream Customers and Entities. This Settlement Agreement is a full, final and binding resolution between Bell, acting on her own behalf, and Claire’s Accessories, of all rights referenced below that was or could have been asserted by Bell or on behalf of her past and current agents, representatives, attorneys, successors, and/or assigns (“Releasers”), including a claim for failure to provide warnings under Proposition 65 for alleged exposures to DEHP or other regulated pthalates contained in the Products. Releasers hereby release all rights related to the Products to institute or participate in, directly or indirectly, any form of legal action and releases all claims relating to the Products, including, without limitation, all actions, and causes of action, in law or in equity (including Proposition 65), suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses (including, but not limited to, investigation fees, expert fees and attorneys' fees) of any nature whatsoever, whether known or unknown, fixed or contingent against Claire’s Accessories and its parents, subsidiaries, affiliated entities, shareholders, marketplaces, directors, officers, agents, employees, attorneys, successors and assignees, and each

entity to whom Claire's Accessories directly or indirectly distributes or sells the Products, including but not limited to, downstream distributors, wholesalers, customers, retailers (collectively, the "Releasees").

5.2 Claire's Accessories' Release of Bell. Claire's Accessories, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives any and all claims against Bell, her attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Bell and/or her attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with respect to the Products prior to the Effective Date.

5.3 California Civil Code § 1542. It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Products will develop or be discovered. Bell on behalf of herself only, on one hand, and Claire's Accessories, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims up through the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in §§ 5.1 and 5.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Bell and Claire's Accessories each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5.4 Deemed Compliance with Proposition 65. Compliance by Claire's Accessories with this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposure to DEHP and other regulated phtalates from use of the Products.

5.5. Public Benefit. It is Claire's Accessories' understanding that the commitments it has agreed to herein, and actions to be taken by Claire's Accessories under this Settlement Agreement,

would confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of Claire's Accessories that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to Claire's Accessories failure to provide a warning concerning exposure to DEHP prior to use of the Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Products addressed in this Settlement Agreement, provided that Claire's Accessories is in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected but only to the extent the deletion of the provision deemed unenforceable does not materially affect, or otherwise result in the effect of the Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the law of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable or limited by reason of law generally, or as to the Products, Claire's Accessories shall provide written notice to Bell of any asserted change in the law, and shall have no further obligations pursuant to this Settlement Agreement with respect to, and to the extent that, a Product is so affected.
