

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties

This Settlement Agreement is hereby entered into by and between Maureen Parker (“Parker”) and Industrial Revolution, Inc. (hereinafter “Industrial Revolution”), with Parker and Industrial Revolution collectively referred to as the “Parties” and each of them as a “Party.” Parker is an individual residing in California who seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer products.

1.2 Allegations and Representations

(a) Parker alleges that Industrial Revolution is a person in the course of doing business for purposes of Proposition 65, Cal. Health & Safety Code § 25249.6 et seq., and offered for sale in the State of California and that Industrial Revolution has sold in California “SweetFire Fire Starter” that when used as intended produce combustion byproduct soot, and that such sales have not been accompanied by Proposition 65 warnings for soot. Soot is listed under Proposition 65 as a chemical known to the State of California to cause cancer. Parker has cited the Industrial Revolution SweetFire Fire Starter as a specific example of the fire starters that are the subject of her allegations.

(b) Industrial Revolution does not admit and denies the material, factual and legal allegations contained in the Notices, and maintains that all products sold, distributed or offered for sale in California have been and are in compliance with all laws, including, without limitation, Proposition 65. Industrial Revolution notes it did include a Proposition 65 warning on the Products for carbon monoxide/reproductive harm.

(c) The Parties enter into this Settlement Agreement to resolve all Proposition 65 claims concerning the Products (defined below) set forth in Parker’s Notice, including claims against Industrial Revolution customers, distributors, retailers, and affiliates, including but not limited to

REI CO-OP, who allegedly violated Proposition 65 resulting from their distribution and/or sale of the Products in California.

1.3 Covered Items

The products that are covered by this Settlement Agreement are defined as Industrial Revolution firestarters, including SweetFire Fire Starter, manufactured, distributed, sold, or offered for sale, by Industrial Revolution in the State of California (“Products”).

1.4 Notice of Violation

On or about August 29, 2018 Parker served Industrial Revolution, and all public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled “60-Day Notice of Violation” (the “Notice”) that provided Industrial Revolution and such public enforcers with notice that alleged that Industrial Revolution was in alleged violation of Proposition 65 for failing to warn consumers and customers that the Products exposed users in California to soot. No public enforcer diligently prosecuted the claims threatened in the Notice within sixty days plus service time relative to the provision of the Notice to them by Parker.

1.5 No Admission

Industrial Revolution denies the material allegations contained in Parker’s Notice and complaint and maintains that it has not violated Proposition 65. Nothing in this Settlement Agreement shall be construed as an admission by Industrial Revolution of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Industrial Revolution of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Industrial Revolution. However, this section shall not diminish or otherwise affect the obligations, responsibilities, and duties of Industrial Revolution under this Settlement Agreement.

1.6 Execution Date

1.6.1 For purposes of this Settlement Agreement, the term “Execution Date” shall mean the date this Settlement Agreement is fully executed.

1.6.2 For purposes of this Settlement Agreement, the term ‘Effective Date’ shall mean the date that Prop 65 warnings shall be implemented pursuant to Article 2.

2. COMPLIANCE

- (b) “**⚠WARNING:** This product can expose you to chemicals including carbon monoxide and soot, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.”
- (c) “**⚠WARNING:** Cancer and Reproductive harm – www.P65Warnings.ca.gov” (This warning may be used if it is provided on the product or on the product’s immediate container or wrapper).

2.2 Compliance with the terms of this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposures to soot from the Products. For Products sold in California, the warning provided pursuant to Section 2.1 shall be provided on products that are manufactured on or after 60 days of the Execution Date (“Effective Date”), be affixed to or prominently displayed on the Product or its packaging or labeling with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual prior to sale. The warning may be contained in the same

section that states other safety warnings concerning the use of the product, if any, and shall be at least the same size as those other safety warnings.

3. CIVIL PENALTY & REIMBURSEMENT OF FEES AND COSTS

3.1 Payment Pursuant to Health & Safety Code Section 25249.7(b). Industrial Revolution Shall pay a Civil Penalty of \$500.00 to be apportioned in accordance with California Health & Safety Code Section 25192, with 75% of these funds remitted to the State of California's Office of Environmental Health Hazard Assessment (CCR Title 11 Div 4- Proposition 65 Private Enforcement) and the remaining 25% of the penalty remitted to Parker, as provided by California Health & Safety Code Section 25249.7.

3.3. The Law Offices of Stephen Ure, PC agrees to provide Industrial Revolution with tax identification and bank wire information within one (1) day following the Execution Date.
