

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties

This Settlement Agreement is hereby entered into by and between Maureen Parker (“Parker”) and SOTO USA, Inc. (hereinafter “SOTO”), with Parker and SOTO collectively referred to as the “Parties” and each of them as a “Party.” Parker is an individual residing in California who seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer products.

1.2 Allegations and Representations

(a) Parker alleges that SOTO is a person in the course of doing business for purposes of Proposition 65, Cal. Health & Safety Code § 25249.6 *et seq.*, and offered for sale in the State of California and that SOTO has sold in California its “Pocket Torch” that when used as intended produce combustion byproducts carbon monoxide and soot, and that such sales have not been accompanied by Proposition 65 warnings. Soot is listed under Proposition 65 as a chemical known to the State of California to cause cancer. Carbon Monoxide is listed under Proposition 65 as a chemical known to cause birth defects and other reproductive harm. Parker has cited the SOTO Pocket Torch as a specific example of the fire starters that are the subject of her allegations.

(c) SOTO does not admit and denies the material, factual and legal allegations contained in the Proposition 65 Notice of Violation served by Parker dated August 28, 2018 (“Notice”), and maintains that all products sold, distributed or offered for sale in California have been and are in compliance with all laws, including, without limitation, Proposition 65.

(d) The Parties enter into this Settlement Agreement to resolve all Proposition 65 claims concerning the Products (defined below) set forth in Parker’s Notice, including claims against SOTO customers, distributors, retailers, and affiliates, including but not limited to REI CO-OP, who allegedly violated Proposition 65 resulting from their distribution and/or sale of the Products in California.

1.3 Covered Items

The products that are covered by this Settlement Agreement are defined as lighters and firestarters manufactured by SOTO USA, Inc., including but not limited to the SOTO Pocket Torch, UPC4953571519531 manufactured, distributed, sold, or offered for sale, by SOTO in the State of California (“Products”).

1.4 Notice of Violation

On or about August 29, 2018 Parker served SOTO, and all public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled “60-Day Notice of Violation” that provided SOTO and such public enforcers with notice containing allegations that SOTO was allegedly in violation of Proposition 65 for failing to warn consumers and customers that the Products exposed users in California to carbon monoxide and soot. No public enforcer diligently prosecuted the claims threatened in the Notice within sixty days plus service time relative to the provision of the Notice to them by Parker.

1.5 No Admission

SOTO denies the material allegations contained in Parker’s Notice and maintains that it has not violated Proposition 65. Nothing in this Settlement Agreement shall be construed as an admission by SOTO of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by SOTO of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by SOTO. However, this section shall not diminish or otherwise affect the obligations, responsibilities, and duties of SOTO under this Settlement Agreement.

1.6 Execution Date

1.6.1 For purposes of this Settlement Agreement, the term “Execution Date” shall mean the date this Settlement Agreement is fully executed.

1.6.2 For purposes of this Settlement Agreement, the term “Effective Date” shall mean the date that Prop 65 warnings shall be implemented pursuant to Article 2.

2. COMPLIANCE

2.1 The Products shall be deemed to comply with Proposition 65 with regard to soot and carbon monoxide if the Products from which exposures to soot and carbon monoxide is accompanied by a safe harbor warning in compliance with Proposition 65 regulations then in effect or one of the following Proposition 65 warnings:

- (a) “**⚠WARNING:** The combustion of wood, charcoal and other fuels can expose you to chemicals including carbon monoxide and soot, which are known to the state of California to cause cancer and birth defects or reproductive harm. For more information go to www.P65Warnings.ca.gov.”
- (b) “**⚠WARNING:** This product can expose you to chemicals including carbon monoxide and soot, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.”
- (c) “**⚠WARNING:** Cancer and Reproductive harm – www.P65Warnings.ca.gov” (on-product warning).

Compliance with the terms of this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposures to carbon monoxide and soot from the Products. For Products sold in California, the warning provided pursuant to Section 2.1 shall, within 60 days of the Execution Date (“Effective Date”), be affixed to or prominently displayed on the Product or its packaging or labeling with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual prior to sale. The warning requirement shall not apply to Products that are already in the stream of commerce as of the Effective Date or that SOTO places into the stream of commerce within 60 days of the Effective Date.

3. **CIVIL PENALTY & REIMBURSEMENT OF FEES AND COSTS**

3.1 Payment Pursuant to Health & Safety Code Section 25249.7(b). SOTO shall pay a Civil Penalty of \$500.00 to be apportioned in accordance with California Health & Safety Code Section 25192, with 75% of these funds remitted to the State of California’s

Office of Environmental Health Hazard Assessment (CCR Title 11 Div 4-Proposition 65 Private Enforcement) and the remaining 25% of the penalty remitted to Parker, as provided by California Health & Safety Code Section 25249.7.

3.2 SOTO shall pay Parker's counsel \$19,250 for attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice and incurred as a result of investigating, bringing this matter to SOTO attention, and negotiating a settlement. SOTO shall provide said monies via bank wire to the "Law Offices of Stephen Ure, PC" (tax identification number 42-1641673) no later than two (2) days following the Execution Date.

3.3 The Law Offices of Stephen Ure, PC agrees to provide SOTO with tax identification and bank wire information within one (1) day following the Execution Date.

3.4 Other than the payment specified hereunder, each side is to bear its own attorneys' fees and costs. Time is of the essence with regard to the receipt of payments specified in Article 3. If payments are not made as agreed, this agreement shall, in its entirety, be null and void.

4. CLAIMS COVERED AND RELEASED

4.1 Release of SOTO and Downstream Customers

With respect to the foregoing waiver and release in this paragraph, Parker hereby specifically waives any and all rights and benefits which she now has, or in the future may have, conferred by virtue of Section 1542 of the California Civil Code, which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

4.2 SOTO's Release of Parker

SOTO waives any and all claims against Parker, her attorneys and other representatives, for any and all actions taken or statements made by Parker and her attorneys and other representatives in the course of investigating the claims or otherwise seeking enforcement of Proposition 65 against it in this matter with respect to the Products.

4.3 Future Claims
