

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Laurence Vinocur and Wilde Tool Co., Inc.

This Settlement Agreement (Settlement Agreement) is entered into by and between Laurence Vinocur (“Vinocur”) and Wilde Tool Co., Inc. (“Wilde Tool”) with Vinocur and Wilde Tool collectively referred to as the “Parties.” Vinocur is an individual residing in California who seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Wilde Tool employs ten or more persons and is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code §§ 25249.5 *et seq.* (Proposition 65).

1.2 General Allegations

Vinocur alleges that Wilde Tool manufactures, imports, sells and/or distributes for sale in California, vinyl tool pouches that contain di (2-ethylhexyl) phthalate (DEHP), and that it does so without providing the health hazard warning that Vinocur alleges is required by Proposition 65. DEHP is listed pursuant to Proposition 65 as a chemical known to the State of California to cause birth defects and other reproductive harm.

1.3 Product Description

The products that are covered by this Settlement Agreement are vinyl tool pouches containing DEHP, purchased for resale by Wilde Tool and distributed, sold and/or offered for sale in the State of California, including, but not limited to, those vinyl pouches associated with tool kits listed on Exhibit A, hereinafter the “Products.”

///

1.4 Notice of Violation

On or about October 24, 2018, Vinocur served Wilde Tool and certain requisite public enforcement agencies with a 60-Day Notice of Violation (Notice), alleging that Wilde Tool violated Proposition 65 when it failed to warn its customers and consumers in California that the Products expose users to DEHP. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5 No Admission

Wilde Tool denies the material, factual and legal allegations contained in the Notice and maintains that all products that it has sold and distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Wilde Tool of any fact, finding, issue of law or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Wilde Tool of any fact, finding, conclusion, issue of law or violation of law. This section shall not, however, diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is signed by all Parties.

///

///

///

///

2. **INJUNCTIVE RELIEF: REFORMULATION OR WARNINGS**

2.1 **Injunctive Relief**

Commencing on the Effective Date and continuing thereafter, Wilde Tool shall only manufacture for sale, import for sale, and purchase for resale in California Products that are Reformulated Products as defined by Section 2.2 or labeled with a clear and reasonable warning as set forth in Sections 2.3 and 2.4. If, after the Effective Date, Wilde Tool sells Products that are not Reformulated Products via mail order catalog and/or the internet to customers located in California, Wilde Tool shall also provide warnings for such Products by identifying the specific Product to which the warning applies as specified in Sections 2.5 through 2.6.

2.2 **Reformulation Standards**

“Reformulated Products” are Products containing DEHP in concentrations of less than 0.1 percent (1,000 parts per million) in each accessible component when analyzed by a laboratory accredited by the State of California, a federal agency, or a nationally recognized accrediting organization. For purposes of compliance with this reformulation standard, testing samples shall be prepared and extracted using Consumer Product Safety Commission (CPSC) methodology CPSC-CH-C1001.09.3 and analyzed using U.S. Environmental Protection Agency (EPA) methodology 8270D, or other methodologies utilized by federal or state government agencies to determine phthalate content in a solid substance.

2.3 **Clear and Reasonable Warnings**

Commencing on or before the Effective Date, Wilde Tool shall provide clear and reasonable warnings for all Products provided for sale to customers in California in accordance with this Section pursuant to Title 27 California Code of Regulations § 25600, *et seq.* Each

warning shall be prominently placed with such conspicuousness as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use and shall be provided in a manner such that it is clearly associated with the specific Product to which the warning applies.

(a). **Warning.** The warning shall consist of the following statement (Warning):

 **WARNING:** This product can expose you to DEHP, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

(b). **Short-Form Warning.** Wilde Tool may, but is not required to, use the following short-form warning as set forth in this subsection 2.3(b) (Short-Form Warning), and subject to the additional requirements in Sections 2.5 and 2.6, as follows:

 **WARNING:** Reproductive Harm — www.P65Warnings.ca.gov.

(c). **Foreign Language Requirement.** Where a consumer product sign, label or shelf tag used to provide a warning includes consumer information in a language other than English, the warning must also be provided in that language in addition to English.

2.4 **Product Warnings**

Wilde Tool shall affix a warning to the Product label or otherwise directly on each Product provided for sale in retail outlets in California or sold via mail order catalog and/or the internet to customers located in California. For the purpose of this agreement, "Product label" means a display of written, printed or graphic material that is printed on or affixed to a Product or its immediate container or wrapper. The entire warning shall appear in a type size of at least 6-point type or no smaller than the largest type size used for other consumer information on

the product. The warning shall consist of either the Warning, or the Short-Form Warning described in subsection 2.3(a) or (b), respectively.

2.5 Mail Order Catalog Warnings

In the event that, after the Effective Date, Wilde Tool prints new catalogs and sells Products via mail order through such catalogs to customers located in California, Wilde Tool shall provide a warning for each Product both on the Product label in accordance with Section 2.4, and in the catalog in a manner that clearly associates the warning with the *specific* Product being purchased. Any warning provided in a mail order catalog shall be in the same type size or larger than other consumer information provided for the Product within the catalog and shall be provided on the same page and in the same location as the display and/or description of the Product. The catalog warning may use the Short-Form Warning content described in Section 2.3(b) if the warning provided on the Product label also uses the Short-Form Warning content.

2.6 Internet Warnings

If, after the Effective Date, Wilde Tool sells Products via the internet to customers located in California, Wilde Tool shall provide warnings for each Product both on the Product label in accordance with Section 2.4, and by prominently displaying the warning to the customer prior to completing the purchase or during the purchase of the Products without requiring to seek out the warning. The warning or a clearly marked hyperlink to the warning using the word “**WARNING**” given in conjunction with the sale of the Products via the Internet shall appear either: (a) on the same web page on which the Product is displayed; (b) on the same web page as the order form for the Product; or (c) on one or more web pages displayed to a purchaser during the checkout process. The warning shall appear in any of the above instances adjacent to or immediately following the display or description of the Product

for which it is given in the same type size or larger than the Product description text. The Internet warning may use the Short-Form Warning content described in Section 2.3(b) if the warning provided on the Product label also uses the Short-Form Warning content.

3. MONETARY SETTLEMENT TERMS

3.1 Civil Penalty Payments

Pursuant to Health and Safety Code § 25249.7(b), and in settlement of all claims alleged in the Notice or referred to in this Settlement Agreement, Wilde Tool agrees to pay a total of \$5,600 in civil penalties. The penalty payment will be allocated in accordance with California Health and Safety Code § 25249.12(c)(1) and (d), with 75% of the penalty amount paid to the California Office of Environmental Health Hazard Assessment (OEHHA) and the remaining 25% of the penalty amount retained by Vinocur.

3.1.1 Initial Civil Penalty Payment. Wilde Tool shall deliver its initial civil penalty payment in the amount of \$1,600 by overnight courier, with a tracking number, such that payment is received by plaintiff's counsel on or before five (5) days after the Effective Date in two checks made payable as follows: (a) "OEHHA" in the amount of \$1,200; and (b) "Laurence Vinocur, Client Trust Account" in the amount of \$400.

3.1.2 Final Waivable Civil Penalty Payment. Wilde Tool shall pay a final civil penalty of \$4,000. However, the final civil penalty shall be waived in its entirety, if, by September 15, 2019, an officer of Wilde Tool certifies that as of September 1, 2019, and continuing thereafter, all Products, manufactured, imported, or purchased for resale to customers in California, are Reformulated Products as defined by Section 2.2. The option to certify to product reformulation in lieu of making the payment required by this Section is a material term, and time is of the essence. Unless waived, by September 15, 2019, Wilde Tool

shall provide its final civil penalty payment in two checks made payable as follows: (a) “OEHHA” in the amount of \$3,000; and (b) “Laurence Vinocur, Client Trust Account” in the amount of \$1,000.

3.2 Reimbursement of Attorneys’ Fees and Costs

The Parties acknowledge that Vinocur and his counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving the issue to be resolved after the material terms of the agreement had been settled. Shortly after the other settlement terms had been finalized, Wilde Tool expressed a desire to resolve Vinocur’s fees and costs. The Parties then negotiated a resolution of the compensation due to Vinocur and his counsel under general contract principles and the private attorney general doctrine codified at California Code of Civil Procedure § 1021.5. For all work performed through the mutual execution of this agreement, Wilde Tool shall reimburse Vinocur and his counsel \$17,400. Wilde Tool will deliver its payment to the address in Section 3.3 by overnight courier, with a tracking number, such that payment is received by plaintiff’s counsel on or before five (5) days after the Effective Date, in the form of a check payable to “The Chanler Group.” The reimbursement shall cover all fees and costs incurred by Vinocur investigating, bringing this matter to Wilde Tool’s attention and negotiating a settlement of the matter.

3.3 Payment Address

All payments required by this Settlement Agreement shall be delivered to the following address:

The Chanler Group
Attn: Proposition 65 Controller
2560 Ninth Street
Parker Plaza, Suite 214
Berkeley, CA 94710

4. **CLAIMS COVERED AND RELEASED**

4.1 **Vinocur's Release of Wilde Tool**

This Settlement Agreement is a full, final and binding resolution between Vinocur, as an individual and *not* on behalf of the public, and Wilde Tool, of any violation of Proposition 65 that was or could have been asserted by Vinocur on behalf of himself, his past and current agents, representatives, attorneys, successors, and/or assignees, against Wilde Tool, its parents, subsidiaries, affiliated entities under common ownership, agents, directors, officers, employees, attorneys, suppliers, and each entity to whom Wilde Tool directly or indirectly distributes or sells Products, including, but not limited, to downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members, and licensees (collectively, Releasees), based on their failure to warn about alleged exposures to DEHP contained in the Products before the Effective Date, as alleged in the Notice.

In further consideration of the promises and agreements herein contained, Vinocur as an individual and *not* on behalf of the public, on behalf of himself, his past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives all of Vinocur's rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims that Vinocur may have, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses including, but not exclusively, investigation fees, expert fees, and attorneys' fees arising under Proposition 65 with respect to DEHP in the Products, as alleged in the Notice, before the Effective Date (collectively, Claims), against Wilde Tool and Releasees. Nothing in this Section affects Vinocur's right to commence or prosecute an action under Proposition 65 against a Releasee that does not involve Wilde Tool's Products.

4.2 Wilde Tool's Release of Vinocur

Wilde Tool, on behalf of itself, its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against Vinocur and his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Vinocur and his attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter with respect to the Products.

4.3 Mutual Release of Known and Unknown Claims

It is possible that other Claims not known to Vinocur or Wilde Tool arising out of the facts relating to the Claims released and waived in Sections 4.1 or 4.2 will subsequently be developed or be discovered. Vinocur and Wilde Tool acknowledge that the Claims in this Settlement Agreement include all known and unknown Claims relating to the Products within the scope of the Claims released and waived in Sections 4.1 and 4.2, and they each waive the provisions of California Civil Code § 1542 as to any unknown Claims relating to the Products within the scope of the Claims released and waived in Sections 4.1 and 4.2 that may have existed prior to and including the Effective Date. California Civil Code § 1542 reads as follows:

“A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.”

Vinocur and Wilde Tool acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542. Nothing in this Section affects Vinocur's

right to commence or prosecute an action under Proposition 65 against a Releasee that does not involve the Products.

5. PUBLIC BENEFIT AND SEVERABILITY

5.1 It is Wilde Tool's understanding that the commitments it has agreed to herein, and actions to be taken by Wilde Tool under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure section 1021.5, California Health & Safety Code § 25249 et seq., and Cal. Admin. Code tit. II, section 320 I. As such, it is the intent of Wilde Tool that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to Wilde Tool's alleged failure to provide a warning concerning exposure to DEHP with respect to the Products, such private party action would not confer a significant benefit on the general public as to those Products addressed in this Settlement Agreement, provided Wilde Tool is in material compliance with this Settlement Agreement.

5.2. If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected.

6. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or if any of the provisions of this Settlement Agreement are rendered inapplicable or no longer required as a result of any such repeal or preemption or rendered inapplicable by reason of law generally as to the Products, then Wilde Tool shall provide written notice to Vinocur of any asserted change in

the law and shall have no further injunctive obligations pursuant to this Settlement Agreement with respect to, and to the extent that, the Products are so affected. Nothing in this Settlement Agreement shall be interpreted to relieve Wilde Tool from any obligation to comply with any pertinent state or federal toxics control law.

7. NOTICE

Unless specified herein, all correspondence and notices required to be provided pursuant to this Settlement Agreement shall be in writing and: (a) personally delivered; (b) sent by first-class (registered or certified mail) return receipt requested; or (c) sent by overnight courier, to one party by the other party at the following addresses:

For Wilde Tool:

Matthew Froeschl, President
Wilde Tool Co., Inc.
1210 Pottawatomie Street
Hiawatha, KS 66434

With a Copy to:

Thomas H. Davis, Esq.
Stinson Leonard Street LLP
1201 Walnut Street, Suite 2900
Kansas City, MO 64106-2150

For Vinocur:

Proposition 65 Coordinator
The Chanter Group
2560 Ninth Street
Parker Plaza, Suite 214
Berkeley, CA 94710-2565

Any party, from time to time, may specify in writing to the other party a change of address to which all notices and other communications shall be sent.

8. COUNTERPARTS; FACSIMILE AND SIGNATURES

This Settlement Agreement may be executed in counterparts and by facsimile or pdf signature, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same document.

///

9. **COMPLIANCE WITH HEALTH & SAFETY CODE 25249.7(f)**

Vinocur agrees to comply with the reporting requirements referenced in Health & Safety Code § 25249.7(f).

10. **MODIFICATION**

This Settlement Agreement may be modified only by a written agreement of the Parties.

11. **AUTHORIZATION**

The undersigned are authorized to execute this Settlement Agreement and have read, understood and agree to all of the terms and conditions contained herein.
