

# SETTLEMENT AND RELEASE AGREEMENT

## 1. INTRODUCTION

### 1.1. Ecological Alliance, LLC and Handcraft Manufacturing Corp.

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and Handcraft Manufacturing Corp. ("Handcraft"), on the other hand, with Ecological and Handcraft collectively referred to as the "Parties."

### 1.2. General Allegations

Ecological alleges that Handcraft manufactured and distributed and offered for sale in the State of California boys briefs containing Di(2-ethylhexyl)phthalate ("DEHP"), and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed DEHP under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

### 1.3. Product Description

The products that are covered by this Settlement Agreement are defined as boys briefs that Handcraft has sold, offered for sale or distributed in California and that contain DEHP. All such items shall be referred to herein as the "Products."

### 1.4. Notice of Violation

On November 3, 2018, Ecological served Handcraft, T.J. Maxx of CA, LLC, and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" ("Notice") that provided Handcraft and such public enforcers with notice that Handcraft was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn

consumers and customers that the Products exposed users in California to DEHP. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

**1.5. No Admission**

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Handcraft's compliance with Proposition 65. Handcraft denies the material factual and legal allegations contained in Ecological's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Handcraft of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Handcraft or its owners, officers, directors, employees, parents, subsidiaries, employees, shareholders, directors, insurers, attorneys, successors and assigns, past and present, their heirs, assigns and successors in interest, predecessor or successor entities, affiliated entities or corporations, of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Handcraft on its behalf. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Handcraft under this Settlement Agreement.
