

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1. Ecological Alliance, LLC and Tri-Coastal Design

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and Tri-Coastal Design ("Tri-Coastal"), on the other hand, with Ecological and Tri-Coastal collectively referred to as the "Parties."

1.2. General Allegations

Ecological alleges that Tri-Coastal manufactured and/or distributed and/or offered for sale in the State of California lip balms, glasses cases, journals, and showercap & turbans containing Di(2-ethylhexyl)phthalate [DEHP] and/or Diisononyl phthalate [DINP] and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed DEHP and DINP under Proposition 65 as chemicals known to the State of California to cause cancer, birth defects or other reproductive harm.

1.3. Product Description

The products that are covered by this Settlement Agreement are defined as lip balms, glasses cases, journals, and showercap & turbans that Tri-Coastal has sold, offered for sale or distributed in California and that contain DEHP and/or DINP. All such items shall be referred to herein as the "Products."

1.4. Notice of Violation

On December 21, 2018, Ecological served Tri-Coastal and on February 4, 2019 served ABG Juicy Couture, LLC, and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with documents entitled

"60-Day Notice of Violation" ("Notice") that provided Tri-Coastal and such public enforcers with notice that Tri-Coastal was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to DEHP. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission

The parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Tri-Coastal's compliance with Proposition 65. Specifically, Tri-Coastal denies the material factual and legal allegations contained in Ecological's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Tri-Coastal of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Tri-Coastal of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Tri-Coastal. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Tri-Coastal under this Settlement Agreement.

1.6. Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

2. INJUNCTIVE RELIEF:

2.1. Reformulation Option

The Products shall be deemed to comply with Proposition 65 with regard to DEHP and/or DINP and be exempt from Proposition 65 warning requirements for DEHP and/or DINP if the Products do not exceed the following limits: the maximum concentration of 1,000 parts per million (0.1%) by weight in any accessible component of a Product when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or other methodologies utilized by federal or state governmental agencies for purposes of determining DINP content in solid substance.

2.2. Warning

Products shall be accompanied by a warning as described in Section 2.2 below, no later than 90 days after the Effective Date. The warning requirements set forth in Section 2.2 below shall apply only to Products that are distributed, marketed, sold or shipped for sale in the State of California. The warning requirement shall not apply to Products that are already in the Stream of Commerce as of the Effective Date or that Tri-Coastal places into the Stream of Commerce within 90 days of the Effective Date. For purposes of this Settlement Agreement, "Stream of Commerce" includes Products that Tri-Coastal owns as part of its inventory.

2.3. Warning Language

Where required, Tri-Coastal shall provide Proposition 65 warnings as follows:

(a) Tri-Coastal may use any of the following warning statements in full compliance with this Section:

- (1) **WARNING:** This product can expose you to DEHP [DINP], which is known to the State of California to cause cancer, birth

defects or other reproductive harm. For more info go to

www.P65Warnings.ca.gov.

(2) **WARNING: Cancer and Reproductive Harm** –

www.P65Warnings.ca.gov.

(b) If Tri-Coastal elects to use the warning statements identified in either 2.2(a)(1) or (2), it may also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the sign, label or shelf tag for the product is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word "WARNING".

(c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(d) If Proposition 65 warnings for DEHP and/or DINP should no longer be required, Tri-Coastal shall have no further obligations pursuant to this Settlement Agreement.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, Tri-Coastal shall pay a total of \$500 in civil penalties in accordance with this Section. The penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard

Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Ecological.

Ecological's counsel shall be responsible for delivering OEHHA's portion of any penalty payment made under this Settlement Agreement.

4. REIMBURSEMENT OF FEES AND COSTS

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Tri-Coastal shall reimburse Ecological's counsel for fees and costs, incurred as a result of investigating and bringing this matter to Tri-Coastal's attention. Tri-Coastal shall pay Ecological's counsel \$21,000 for all attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice.

5. PAYMENT INFORMATION

By April 26, 2019, Tri-Coastal shall make a total payment of Twenty-One Thousand Five Hundred Dollars (\$21,500) for the civil penalties and attorney's fees / costs by wire transfer to Plaintiff's counsel Custodio & Dubey LLP:

unknown, suspected or unsuspected, against Tri-Coastal and the Releasees. Ecological acknowledges that it is familiar with California Civil Code section 1542, which provides as follows:

Ecological, in its capacity only, and on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of California Civil Code section 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.

6.2. Tri-Coastal's Release of Ecological

As of the Effective Date, Tri-Coastal waives any and all claims against Ecological, its attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Ecological and its attorneys and other representatives, whether in the course of investigating claims or otherwise seeking enforcement of Proposition 65 against it in this matter, and/or with respect to the Products.
