3. INJUNCTIVE RELIEF, REFORMULATION, TESTING AND WARNINGS

3.1 Beginning on the Effective Date, 1 UP NUTRITION shall be permanently enjoined from manufacturing for sale in the State of California, "Distributing into the State of California," or directly selling in the State of California, any Covered Products which expose a person to a "Daily Lead Exposure Level" of more than 0.5 micrograms of lead per day and/or "Daily Cadmium Exposure Level" of more than 4.1 micrograms of cadmium per day unless it meets the warning requirements under Section 3.2.

3.1.1 As used in this Consent Judgment, the term "Distributing into the State
of California" shall mean for 1 UP NUTRITION to directly ship a Covered Product into
California for sale in California or to sell a Covered Product to a distributor that 1 UP
NUTRITION knows or has reason to know will sell the Covered Product in California.

14 **3.1.2** For purposes of this Consent Judgment, the "Daily Lead Exposure 15 Level" shall be measured in micrograms, and shall be calculated using the following formula: 16 micrograms of lead per gram of product, multiplied by grams of product per serving of the product (using the largest serving size appearing on the product label), multiplied by servings 17 of the product per day (using the largest number of recommended daily servings appearing on 18 19 the label), which equals micrograms of lead exposure per day, excluding, pursuant to Section 3.1.3, the amount of lead in the ingredients listed in Table 1 below, if applicable. If the label 20 21 contains no recommended daily servings, then the number of recommended daily servings shall 22 be one.

3.1.3 In calculating the Daily Lead Exposure Level for a Covered Product, 1 UP
NUTRITION shall be allowed to deduct the amount of lead which is deemed "naturally
occurring" in the ingredients listed in Table 1 that are contained in that Covered Product under
the following conditions: For each year that 1 UP NUTRITION claims entitlement to a
"naturally occurring" allowance, 1 UP NUTRITION shall provide ERC with the following
information: (a) 1 UP NUTRITION must produce to ERC a written list of each ingredient in the

Page 4 of 18

1 Covered Product for which a "naturally occurring" allowance is claimed; (b) 1 UP NUTRITION 2 must provide ERC with documentation of laboratory testing, conducted during the year for 3 which the "naturally occurring" allowance is claimed, that complies with Sections 3.4.3 and 4 3.4.4 and that shows the amount of lead, if any, contained in each ingredient listed in **Table 1** 5 that is contained in the Covered Product and for which 1 UP NUTRITION intends to deduct 6 "naturally occurring" lead; (c) If the laboratory testing reveals the presence of lead in any of the 7 ingredients listed in Table 1 that are contained in the Covered Product, 1 UP NUTRITION shall 8 be entitled to deduct up to the full amount of the allowance for those ingredients, as listed in 9 Table 1, but not to exceed the total amount of lead actually contained in those ingredients that 10 are in the Covered Product; and (d) If the Covered Product does not contain any of the 11 ingredients listed in Table 1, 1 UP NUTRITION shall not be entitled to a deduction for 12 "naturally occurring" lead in the Covered Product for those ingredients. The information required by Sections 3.1.3 (a) and (b) shall be provided to ERC within thirty (30) days of the 13 Effective Date, or anniversary thereof, for any year that 1 UP NUTRITION shall claim 14 15 entitlement to the "naturally occurring" allowance:

In addition, for any Covered Product sold over the 1 internet on 1 UP NUTRITION's website, the Warning shall appear on the checkout page when a 2 California delivery address is indicated for any purchase of any Covered Product. An asterisk or 3 other identifying method must be utilized to identify which products on the checkout page are 4 subject to the Warning. The Warning shall be at least the 9 same size as the largest of any other health or safety warnings also appearing on 1 UP NUTRITION's website or on the label or container of 1 UP NUTRITION's product packaging 10 11 and the word "WARNING" shall be in all capital letters and in bold print. No statements intended to or likely to have the effect of diminishing the impact of the Warning on the average 12 lay person shall accompany the Warning. Further no statements may accompany the Warning that 13 state or imply that the source of the listed chemical has an impact on or results in a less harmful 14 effect of the listed chemical. 15

3.3 Conforming Covered Products

A Conforming Covered Product is a Covered Product for which the "Daily Lead Exposure Level" is no greater than 0.5 micrograms of lead per day and/or "Daily Cadmium Exposure Level" is no more than 4.1 micrograms of cadmium per day as determined by the quality control methodology described in Section 3.4.

25

3.4

Testing and Quality Control Methodology

3.4.1 Beginning within one year of the Effective Date, 1 UP NUTRITION shall
arrange for lead and cadmium testing of the Covered Products at least once a year for a minimum
of five consecutive years by arranging for testing of five randomly selected samples of each of

Page 7 of 18 STIPULATED CONSENT JUDGMENT

the Covered Products, in the form intended for sale to the end-user, which 1 UP NUTRITION 1 2 intends to sell or is manufacturing for sale in California, directly selling to a consumer in 3 California or "Distributing into the State of California." If tests conducted pursuant to this Section demonstrate that no Warning is required for a Covered Product during each of five 4 5 consecutive years, then the testing requirements of this Section will no longer be required as to 6 that Covered Product. However, if during or after the five-year testing period, 1 UP 7 NUTRITION changes ingredient suppliers for any of the Covered Products and/or reformulates 8 any of the Covered Products, 1 UP NUTRITION shall test that Covered Product annually for at 9 least four (4) consecutive years after such change is made.

3.4.2 For purposes of measuring the "Daily Lead Exposure Level" and/or
"Daily Cadmium Exposure Level," the highest lead and/or cadmium detection result of the five
(5) randomly selected samples of the Covered Products will be controlling.

3.4.3 All testing pursuant to this Consent Judgment shall be performed using a
laboratory method that complies with the performance and quality control factors appropriate
for the method used, including limit of detection, qualification, accuracy, and precision that
meets the following criteria: Inductively Coupled Plasma-Mass Spectrometry ("ICP-MS")
achieving a limit of quantification of less than or equal to 0.010 mg/kg.

3.4.4 All testing pursuant to this Consent Judgment shall be performed by an
independent third party laboratory certified by the California Environmental Laboratory
Accreditation Program or an independent third-party laboratory that is registered with the
United States Food & Drug Administration.

3.4.5 Nothing in this Consent Judgment shall limit 1 UP NUTRITION's
ability to conduct, or require that others conduct, additional testing of the Covered Products,
including the raw materials used in their manufacture.

3.4.6 Within thirty (30) days of ERC's written request, 1 UP NUTRITION shall
deliver lab reports obtained pursuant to Section 3.4 to ERC. 1 UP NUTRITION shall retain all
test results and documentation for a period of five years from the date of each test.

28

3.4.7 Except for the requirements of Section 3.1.3, as applicable, the

requirements of Section 3.4.1 of this Consent Judgment shall not apply to any Covered Product for which a Warning is provided, continuously and without interruption from the Effective Date, in accordance with Section 3. In the event a Warning is provided after the Effective Date but 1 UP NUTRITION thereafter ceases to provide the Warning, the requirements of Section 3.4.1 of this Consent Judgment shall apply beginning one year after the date the Warning ceases to be provided, unless 1 UP NUTRITION can show to the satisfaction of ERC that the cessation in providing the Warning was a temporary error that was resolved when discovered.

4.1 In full satisfaction of all potential civil penalties, additional settlement payments, attorney's fees, and costs, 1 UP NUTRITION shall make a total payment of \$110,000.00 ("Total Settlement Amount") to ERC in four periodic payments (the "Periodic Payments") according to the following payment schedule ("Due Dates"):

- Payment 1 -- \$27,500.00 within 5 days of the Effective Date
- Payment 2 -- \$27,500.00 within 35 days of the Effective Date
- Payment 3 -- \$27,500.00 within 65 days of the Effective Date
- Payment 4 -- \$27,500.00 within 95 days of the Effective Date

1 UP NUTRITION shall make these payment by wire transfer to ERC's account, for which ERC will give 1 UP NUTRITION the necessary account information. The Total Settlement Amount shall be apportioned as follows:

4.2 \$33,245.72 shall be considered a civil penalty pursuant to California Health and Safety Code section 25249.7(b)(1). ERC shall remit 75% (\$24,934.29) of the civil penalty to the Office of Environmental Health Hazard Assessment ("OEHHA") for deposit in the Safe Drinking Water and Toxic Enforcement Fund in accordance with California Health and Safety Code section 25249.12(c). ERC will retain the remaining 25% (\$8,311.43) of the civil penalty.

4.3 \$6,499.86 shall be distributed to ERC as reimbursement to ERC for reasonable
costs incurred in bringing this action.

4.4 \$24,934.25 shall be distributed to ERC as an Additional Settlement Payment ("ASP"), pursuant to California Code of Regulations, title 11, sections 3203, subdivision (d) and

Page 9 of 18 STIPULATED CONSENT JUDGMENT

3204. ERC will utilize the ASP for activities that address the same public harm as allegedly 1 2 caused by Defendant in this matter. These activities are detailed below and support ERC's overarching goal of reducing and/or eliminating hazardous and toxic chemicals in dietary 3 supplement products in California. ERC's activities have had, and will continue to have, a direct 4 and primary effect within the State of California because California consumers will be benefitted 5 by the reduction and/or elimination of exposure to lead and/or cadmium in dietary supplements 6 and/or by providing clear and reasonable warnings to California consumers prior to ingestion of 7 8 the products.

9 Based on a review of past years' actual budgets, ERC is providing the following list of activities ERC engages in to protect California consumers through Proposition 65 citizen 10 enforcement, along with a breakdown of how ASP funds will be utilized to facilitate those 11 activities: (1) ENFORCEMENT (65-80%): obtaining, shipping, analyzing, and testing dietary 12 13 supplement products that may contain lead and/or cadmium and are sold to California consumers. This work includes continued monitoring and enforcement of past consent judgments 14 and settlements to ensure companies are in compliance with their obligations thereunder, with a 15 16 specific focus on those judgments and settlements concerning lead and/or cadmium. This work also includes investigation of new companies that ERC does not obtain any recovery through 17 18 settlement or judgment; (2) VOLUNTARY COMPLIANCE PROGRAM (10-20%): maintaining ERC's Voluntary Compliance Program by acquiring products from companies, developing and 19 maintaining a case file, testing products from these companies, providing the test results and 20 21 supporting documentation to the companies, and offering guidance in warning or implementing a self-testing program for lead and/or cadmium in dietary supplement products; and (3) "GOT 22 LEAD" PROGRAM (up to 5%): maintaining ERC's "Got Lead?" Program which reduces the 23 numbers of contaminated products that reach California consumers by providing access to free 24 25 testing for lead in dietary supplement products (Products submitted to the program are screened for ingredients which are suspected to be contaminated, and then may be purchased by ERC, 26 catalogued, sent to a qualified laboratory for testing, and the results shared with the consumer 27 28 that submitted the product).

Page 10 of 18

STIPULATED CONSENT JUDGMENT

ERC shall be fully accountable in that it will maintain adequate records to document and will be able to demonstrate how the ASP funds will be spent and can assure that the funds are being spent only for the proper, designated purposes described in this Consent Judgment. ERC shall provide the Attorney General, within thirty days of any request, copies of documentation demonstrating how such funds have been spent.

4.5 \$17,294.70 shall be distributed to Aqua Terra Aeris Law Group as reimbursement of ERC's attorney's fees, while \$28,025.47 shall be distributed to ERC for its in-house legal fees. Except as explicitly provided herein, each Party shall bear its own fees and costs.

9 4.6 In the event that 1 UP NUTRITION fails to remit the Periodic Payments owed 10 pursuant to Section 4.1 of this Consent Judgment on or before the applicable Due Date, 1 UP 11 NUTRITION shall be deemed to be in material breach of its obligations under this Consent 12 Judgment. ERC shall provide written notice of the delinquency to 1 UP NUTRITION and its 13 attorney, Charles C. Weller, via electronic mail and certified mail. If 1 UP NUTRITION fails to deliver the delinquent pyament within ten (10) days of the certified mailing or seven (7) 14 15 days from receipt of the certified mailing, whichever date is later, the Total Settlement Amount, 16 less any amounts previously paid pursuant to Section 4.1, shall be immediately due and owing 17 and shall accrue interest at the statutory judgment interest rate provided in the California Code 18 of Civil Procedure section 685.010. Additionally, 1 UP NUTRITION agrees to pay ERC's 19 reasonable attorney's fees and costs for any efforts to collect the payment(s) due under this 20 Consent Judgment.

MODIFICATION OF CONSENT JUDGMENT

5.1 This Consent Judgment may be modified only as to injunctive terms (i) by written stipulation of the Parties and upon entry by the Court of a modified consent judgment or (ii) by motion of either Party pursuant to Section 5.3 or 5.4 and upon entry by the Court of a modified consent judgment.

If 1 UP NUTRITION seeks to modify this Consent Judgment under Section 5.1,
then 1 UP NUTRITION must provide written notice to ERC of its intent ("Notice of Intent"). If
ERC seeks to meet and confer regarding the proposed modification in the Notice of Intent, then

Page 11 of 18 STIPULATED CONSENT JUDGMENT

1 ERC must provide written notice to 1 UP NUTRITION within thirty (30) days of receiving the 2 Notice of Intent. If ERC notifies 1 UP NUTRITION in a timely manner of ERC's intent to 3 meet and confer, then the Parties shall meet and confer in good faith as required in this Section. 4 The Parties shall meet in person or via telephone within thirty (30) days of ERC's notification 5 of its intent to meet and confer. Within thirty (30) days of such meeting, if ERC disputes the 6 proposed modification, ERC shall provide to 1 UP NUTRITION a written basis for its position. 7 The Parties shall continue to meet and confer for an additional thirty (30) days in an effort to 8 resolve any remaining disputes. Should it become necessary, the Parties may agree in writing 9 to different deadlines for the meet-and-confer period.

5.3 Where the meet-and-confer process does not lead to a joint motion or
application in support of a modification of the Consent Judgment, then either Party may seek
judicial relief on its own. In any such contested court proceeding, ERC may seek costs and any
attorney's fees incurred in opposing the motion pursuant to California Code of Civil Procedure
section 1021.5.

6. RETENTION OF JURISDICTION, ENFORCEMENT OF CONSENT JUDGMENT

17 6.1 This Court shall retain jurisdiction of this matter to enforce, modify, or terminate
18 this Consent Judgment.

19 6.2 If ERC alleges that any Covered Product fails to qualify as a Conforming 20 Covered Product (for which ERC alleges that no Warning has been provided), then ERC shall 21 inform 1 UP NUTRITION in a reasonably prompt manner of its test results, including 22 information sufficient to permit 1 UP NUTRITION to identify the Covered Products at issue. 1 23 UP NUTRITION shall, within thirty (30) days following such notice, provide ERC with testing 24 information, from an independent third-party laboratory meeting the requirements of Sections 25 3.4.3 and 3.4.4, demonstrating 1 UP NUTRITION's compliance with the Consent Judgment. 26 The Parties shall first attempt to resolve the matter prior to ERC taking any further legal action.

APPLICATION OF CONSENT JUDGMENT

This Consent Judgment may apply to, be binding upon, and benefit the Parties and their

respective officers, directors, shareholders, employees, agents, parent companies, subsidiaries,
 divisions, franchisees, licensees, customers (excluding private labelers), distributors, wholesalers,
 retailers, predecessors, successors, and assigns. This Consent Judgment shall have no
 application to any Covered Product which is distributed or sold exclusively outside the State of
 California and which is not used by California consumers.

8.

BINDING EFFECT, CLAIMS COVERED AND RELEASED

7 8.1 This Consent Judgment is a full, final, and binding resolution between ERC, 8 on behalf of itself and in the public interest, and 1 UP NUTRITION and its respective officers, 9 directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, suppliers, 10 franchisees, licensees, customers (not including private label customers of 1 UP NUTRITION), 11 distributors, wholesalers, retailers, and all other upstream and downstream entities in the 12 distribution chain of any Covered Product, and the predecessors, successors, and assigns of any 13 of them (collectively, "Released Parties"). ERC, on behalf of itself and in the public interest, 14 hereby fully releases and discharges the Released Parties from any and all claims, actions, 15 causes of action, suits, demands, liabilities, damages, penalties, fees, costs, and expenses 16 asserted, or that could have been asserted from the handling, use, or consumption of the 17 Covered Products, as to any alleged violation of Proposition 65 or its implementing regulations 18 arising from the failure to provide Proposition 65 warnings on the Covered Products regarding 19 lead and/or cadmium up to and including the Effective Date.

8.2 ERC on its own behalf only, and 1 UP NUTRITION on its own behalf only,
further waive and release any and all claims they may have against each other for all actions or
statements made or undertaken in the course of seeking or opposing enforcement of Proposition
65 in connection with the Notice and Complaint up through and including the Effective Date,
provided, however, that nothing in Section 8 shall affect or limit any Party's right to seek to
enforce the terms of this Consent Judgment.

8.3 It is possible that other claims not known to the Parties, arising out of the facts
alleged in the Notice and Complaint, and relating to the Covered Products, will develop or be
discovered. ERC on behalf of itself only, and 1 UP NUTRITION on behalf of itself only,

Page 13 of 18 STIPULATED CONSENT JUDGMENT

acknowledge that this Consent Judgment is expressly intended to cover and include all such
 claims up through and including the Effective Date, including all rights of action therefore.
 ERC and 1 UP NUTRITION acknowledge that the claims released in Sections 8.1 and 8.2
 above may include unknown claims, and nevertheless waive California Civil Code section
 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

10 ERC on behalf of itself only, and 1 UP NUTRITION on behalf of itself only, acknowledge and
11 understand the significance and consequences of this specific waiver of California Civil Code
12 section 1542.

8.4 Compliance with the terms of this Consent Judgment shall be deemed to
constitute compliance with Proposition 65 by any release regarding alleged exposures to lead
and/or cadmium in the Covered Products as set forth in the Notice and Complaint.

16 8.5 Nothing in this Consent Judgment is intended to apply to any occupational or
17 environmental exposures arising under Proposition 65, nor shall it apply to any of 1 UP
18 NUTRITION's products other than the Covered Products.

9. SEVERABILITY OF UNENFORCEABLE PROVISIONS

In the event that any of the provisions of this Consent Judgment are held by a court to be unenforceable, the validity of the remaining enforceable provisions shall not be adversely affected.

The terms of this Consent Judgment have been reviewed by the respective counsel for each 4 5 Party prior to its signing, and each Party has had an opportunity to fully discuss the terms and 6 conditions with legal counsel. The Parties agree that, in any subsequent interpretation and 7 construction of this Consent Judgment, no inference, assumption, or presumption shall be drawn, and no provision of this Consent Judgment shall be construed against any Party, based on the fact 8 9 that one of the Parties and/or one of the Parties' legal counsel prepared and/or drafted all or any portion of the Consent Judgment. It is conclusively presumed that all of the Parties participated 10 equally in the preparation and drafting of this Consent Judgment. 11

Judgment entered by the Court, the Parties shall meet and confer in person, by telephone, and/or in

filed in the absence of such a good faith attempt to resolve the dispute beforehand.

16. ENFORCEMENT
