

SETTLEMENT AND RELEASE AGREEMENT

1. **INTRODUCTION**

1.1. **Ecological Alliance, LLC and Micro Electronics, Inc.**

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and Micro Electronics, Inc., and all of its wholly owned subsidiaries including, without limitation, International Products Sourcing Group, Inc. (collectively, "Micro Electronics"), on the other hand, with Ecological and Micro Electronics collectively referred to as the "Parties."

1.2. **General Allegations**

Ecological alleges that Micro Electronics distributed and offered for sale in the State of California screwdriver sets containing Diisononyl phthalate [DINP] and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed DINP under Proposition 65 as a chemical known to the State of California to cause cancer.

1.3. **Product Description**

The products that are covered by this Settlement Agreement are defined as screwdriver sets that Micro Electronics has or caused to be sold, offered for sale or distributed in California and that allegedly contain DINP. All such items shall be referred to herein as the "Products."

1.4. **Notice of Violation**

On January 2, 2019, Ecological served International Products Sourcing Group, Inc., Micro Electronics, and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day

Notice of Violation" ("Notice") that provided Micro Electronics and such public enforcers with notice that Micro Electronics was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to DINP. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission

The parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Micro Electronics's compliance with Proposition 65. Specifically, Micro Electronics denies the material factual and legal allegations contained in Ecological's Notice and maintains, to the best of its knowledge and belief, that all Products that it has offered for sale and distribution in California have been and are in compliance with Proposition 65 and any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Micro Electronics of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Micro Electronics of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Micro Electronics. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Micro Electronics under this Settlement Agreement.

1.6. Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

2. INJUNCTIVE RELIEF: WARNING

2.1. Warning

No later than 90 days after the Effective Date, Micro Electronics shall only sell or offer for sale in California Products that are accompanied by a warning as described in Section 2.2 below unless the Product contains no more than 1,000 parts per million DINP. The warning requirement shall not apply to Products that are already in the stream of commerce as of the Effective Date or that Micro Electronics places into the stream of commerce within 90 days of the Effective Date.

2.2. Warning Language

Where required, Micro Electronics shall provide Proposition 65 warnings on the Products as follows:

(a) Micro Electronics may use any of the following warning statements in full compliance with this Section:

(1) **WARNING:** This product can expose you to chemicals including Diisononyl phthalate (DINP), which is known to the State of California to cause cancer. For more info go to www.P65Warnings.ca.gov.

(2) **WARNING:** Cancer— www.P65Warnings.ca.gov.

(b) The warning shall also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the sign, label or shelf tag for the product is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the

text of the warning, in a size no smaller than the height of the word "WARNING".

(c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(d) If Proposition 65 warnings for DINP or the Products should no longer be required, Micro Electronics shall have no further obligations pursuant to this Settlement Agreement.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, Micro Electronics shall pay a total of \$500 in civil penalties in accordance with this Section. The penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Ecological. Ecological's counsel shall be responsible for delivering OEHHA's and Ecological's portions of any penalty payment made under this Settlement Agreement.

4. REIMBURSEMENT OF FEES AND COSTS

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Micro Electronics shall reimburse Ecological's counsel for fees and costs, incurred as a result of investigating and bringing this matter to Micro Electronics's attention. Micro

Electronics shall pay Ecological's counsel \$11,000 for all attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice.

Ecological acknowledges that it is familiar with California Civil Code section 1542, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Ecological, in its capacity only, and on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of California Civil Code section 1542 as well as under any other state or federal
