

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1. Ecological Alliance, LLC and Taylor Nation, LLC

This Settlement Agreement ("Agreement") is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and Taylor Nation, LLC ("TNA"), on the other hand, with Ecological and TNA collectively referred to as the "Parties."

1.2. General Allegations

Ecological alleges that TNA manufactured and distributed and offered for sale in the State of California stadium tote bags containing Diisononyl phthalate [DINP] and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed DINP under Proposition 65 as a chemical known to the State of California to cause cancer.

1.3. Product Description

The products that are covered by this Settlement Agreement are defined as stadium tote bags that TNA has or caused to be sold, offered for sale or distributed in California and that contain DINP. All such items shall be referred to herein as the "Products."

1.4. Notice of Violation

On January 3, 2019, Ecological served TNA and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" ("Notice") that provided TNA and such public enforcers with notice that TNA was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the "Stadium Tote

Bag” sold in 2018 exposed users in California to DINP. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission

The parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning TNA's compliance with Proposition 65. Specifically, TNA denies the material factual and legal allegations contained in Ecological's Notice and maintains that, as an entity employing fewer than ten (10) employees, it is not subject to Proposition 65 regulation, and notwithstanding that fact has neither knowingly nor intentionally introduced Products containing non-compliant levels of DINP into the stream of commerce in California. Nothing in this Settlement Agreement shall be construed as an admission by TNA of any fact, finding, issue of law, violation of law, or that it is subject to Proposition 65 in connection with the alleged violations in the pending matter or otherwise; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by TNA of any fact, finding, conclusion, issue of law, violation of law, or that it is subject to Proposition 65 in connection with the alleged violations in the pending matter or otherwise, such being specifically denied by TNA. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of TNA under this Settlement Agreement.

1.6. Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

2. **INJUNCTIVE RELIEF: WARNING**

2.1. **Warning**

No later than 90 days after the Effective Date, TNA shall only sell or offer for sale in California Products that are accompanied by a warning as described in Section 2.2 below unless the Product contains no more than 1,000 parts per million DINP. The warning requirement shall not apply to Products that are already in the stream of commerce as of the Effective Date or that TNA places into the stream of commerce within 90 days of the Effective Date.

2.2. **Warning Language**

Where required, TNA shall provide Proposition 65 warnings as follows:

(a) TNA may use any of the following warning statements in full compliance with this Section:

(1) **WARNING:** This product can expose you to chemicals including Diisononyl phthalate (DINP), which is known to the State of California to cause cancer. For more info go to www.P65Warnings.ca.gov.

(2) **WARNING:** Cancer– www.P65Warnings.ca.gov.

(b) The warning shall also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the sign, label or shelf tag for the product is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word "WARNING".

(c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(d) If Proposition 65 warnings for DINP or the Products should no longer be required, TNA shall have no further obligations pursuant to this Settlement Agreement.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, TNA shall pay a total of \$500 in civil penalties in accordance with this Section. The penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Ecological. Ecological's counsel shall be responsible for delivering OEHHA's and Ecological's portions of any penalty payment made under this Settlement Agreement.

4. REIMBURSEMENT OF FEES AND COSTS

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, TNA shall reimburse Ecological's counsel for fees and costs, incurred as a result of investigating and bringing this matter to TNA's attention. TNA shall pay Ecological's counsel an all-inclusive and final sum of \$19,000 for all attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice. No further costs, expenses, reimbursements, or fees shall be owed by TNA to Ecological or its counsel once this payment

has been made, and neither TNA nor Ecological shall demand any monetary or non-monetary consideration other than the consideration expressly set forth in this Agreement.

5. PAYMENT INFORMATION

By April 8, 2019, TNA shall make a total payment, incorporating the sums outlined above, of Nineteen Thousand Five Hundred Dollars (\$19,500.00) for the civil penalties and attorney's fees / costs by wire transfer to Plaintiff's counsel Custodio & Dubey LLP, with the understanding that such payment deadline will only apply if the Agreement is executed by both parties as of the close of business on March 21, 2019:

Bank: Bank of America, N.A.

Routing No.: 026009593

Account No.: 325054144600

Beneficiary: Custodio & Dubey LLP

Other than this payment, each side is to bear its own attorneys' fees and costs.

6. RELEASE OF ALL CLAIMS

6.1. Release of TNA, Downstream Customers and Upstream Vendors

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to Sections 3 and 4 above, Ecological, in its representative capacity, and on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives all rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims relating to the Products, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses (including, but not limited to, investigation fees, expert fees and attorneys' fees) of any nature whatsoever, whether known or unknown,

fixed or contingent (collectively "Claims"), against (a) TNA, (b) Swift Merchandising, Inc., (c) 13 Management LLC, (d) Firefly Entertainment, Inc., (e) each of TNA's downstream distributors, wholesalers, vendors, licensors, licensees, auctioneers, retailers, franchisees, dealers, shareholders, cooperative members, customers, owners, purchasers, users, and (f) TNA's parent companies, corporate affiliates, subsidiaries, and their respective officers, directors, attorneys, representatives, shareholders, agents, and employees, and sister and parent entities. (collectively "Releasees").

Ecological also, in its capacity, on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees and *not* in its representative capacity, provides a general release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities and demands of any nature, character or kind, known or unknown, suspected or unsuspected, against TNA and the Releasees. Ecological acknowledges that it is familiar with California Civil Code section 1542, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Ecological, in its capacity only, and on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of California Civil Code section 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.

6.2. TNA's Release of Ecological
