

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1. Ecological Alliance, LLC and American Textile Co.

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and American Textile Company, Inc. ("American Textile"), on the other hand, with Ecological and American Textile collectively referred to as the "Parties."

1.2. General Allegations

Ecological alleges that American Textile manufactured and distributed and offered for sale in the State of California zippered pillow encasements containing Di(2-ethylhexyl)phthalate ("DEHP"), and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed DEHP under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

1.3. Product Description

The products that are covered by this Settlement Agreement are defined as zippered pillow encasements (including the packaging) that American Textile has sold, offered for sale or distributed in California and that contain DEHP. All such items shall be referred to herein as the "Products."

1.4. Notice of Violation

On January 15, 2019, Ecological served Tuesday Morning, Inc. and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" ("Notice") that

provided American Textile and such public enforcers with notice that American Textile was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed consumers and customers in California to DEHP. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning American Textile's compliance with Proposition 65. American Textile denies the material factual and legal allegations contained in Ecological's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by American Textile of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by American Textile of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by American Textile on its behalf. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of American Textile under this Settlement Agreement.

1.6. Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

2. INJUNCTIVE RELIEF: REFORMULATION AND WARNINGS

As of the Effective Date, American Textile shall manufacture, import, or otherwise source for authorized sale in California only Reformulated Products, as defined pursuant to Section 2.1 below, unless such Products are labeled with a clear and reasonable Proposition 65 warning pursuant to Section 2.2 below. Products that were supplied to third parties by American Textile prior to the Effective Date shall be deemed exempted from the requirements of this Section 2 and shall be permitted to be sold through as previously manufactured, packaged and labeled.

2.1. Reformulation Standards

“Reformulated Products” are defined as those Products containing DEHP in concentrations less than 0.1 percent (1,000 parts per million) when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or any other methodology utilized by federal or state agencies for the purpose of determining the DEHP content in a solid substance.

2.2. Warning Language

Where required, American Textile shall provide Proposition 65 warnings on the Product’s label as follows:

- (a) American Textile may use either of the following warning statements in full compliance with this Section:

- (1) **WARNING:** This product can expose you to chemicals including DEHP, which are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov

(2) **WARNING: Cancer and Reproductive Harm –**

www.P65Warnings.ca.gov.

(b) If American Textile uses either of the above warning statements to effectuate its compliance, it shall also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the label is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word “WARNING.”

(c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(d) American Textile shall be deemed to be in compliance with this Settlement Agreement by either adhering to Section 2 of this Settlement Agreement or by complying with the Article 6 clear and reasonable warning requirements adopted by OEHHA.

(e) If Proposition 65 warnings for DEHP should no longer be required, American Textile shall have no further obligations pursuant to this Settlement Agreement.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement and because it previously began to implement Proposition 65 warnings for the Products, American Textile shall pay a total of \$100 in civil penalties in accordance with this Section. The penalty payment will

be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Ecological. Ecological's counsel shall be responsible for delivering OEHHA's portion of any penalty payment made under this Settlement Agreement.

4. REIMBURSEMENT OF FEES AND COSTS

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, American Textile shall reimburse Ecological's counsel for fees and costs, incurred as a result of investigating and bringing this matter to American Textile's attention. American Textile shall pay Ecological's counsel \$10,000 for all attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice.

5. PAYMENT INFORMATION

American Textile shall make two separate civil penalty payments to 1) OEHHA in the amount of Seventy Five Dollars (\$75) and 2) Ecological in the amount of Twenty Five Dollars (\$25). American Textile shall make a payment of Ten Thousand Dollars (\$10,000) for attorney's fees / costs by check or wire transfer to Plaintiff's counsel Custodio & Dubey LLP:

Other than these payments, each side is to bear its own attorneys' fees and costs.

Custodio & Dubey agrees to provide IRS W-9 forms for Ecological and Custodio & Dubey. American Textile agrees to provide IRS 1099 forms for its payments to each of the payees under this settlement agreement.

6.1. Release of American Textile, Downstream Customers and Upstream Vendors

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to Sections 3 and 4 above, Ecological, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives all rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims that could have been, have been or may in the future be asserted relating to the Products, including, without limitation, all notices of violation, actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses (including, but not limited to, investigation fees, expert fees and attorneys' fees) of any nature whatsoever, whether known or unknown, fixed or contingent (collectively "Claims"), against (a) American Textile, (b) each of American Textile's downstream distributors (including but not limited to Tuesday Morning, Inc.), wholesalers, vendors, licensors, licensees, auctioneers, retailers, franchisees, dealers, shareholders, cooperative members, customers, owners, purchasers, users, and each of their respective past and present subsidiaries, affiliates and parents, franchisees, cooperative members and licensees, divisions, predecessors, successors and assigns and each of their respective owners, officers, directors, board members, trustees, shareholders, managers, members, employees, agents, attorneys, insurers, auditors, accountants, experts, stockholders, representatives, partners, and any other persons acting on their behalf, and

Ecological acknowledges that it is familiar with California Civil Code section 1542, which provides as follows:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

Ecological, in its capacity only, and on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of California Civil Code section 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.
