

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Kim Embry (“Embry”), on the one hand, and Dick’s Sporting Goods, Inc. and ASLI, dba DBX (collectively, “DSG”), on the other hand, with Embry and DSG each individually referred to as a “Party” and collectively as the “Parties.” Embry is an individual residing in the State of California who seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. DSG employs ten or more individuals and is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code § 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

Embry alleges that DSG manufactures, sells, and / or distributes for sale in California, a “tow harness” that contain Di(2-ethylhexyl) phthalate (“DEHP”) and that it does so without first providing a health hazard warning required by Proposition 65. DEHP is regulated under Proposition 65 as a chemical known to cause cancer and birth defects or other reproductive harm.

1.3 Product Description

The product covered by this Settlement Agreement is defined as, and expressly limited to, DBX Tow Demon Harness Cable, that contains DEHP and that is manufactured, sold or distributed for sale in California by DSG.

1.4 Notice of Violation

On February 22, 2019, Embry served DSG, the California Attorney General and other requisite public enforcers with a 60-Day Notice of Violation (“Notice”), alleging that DSG violated Proposition 65 when it failed to warn its customers and consumers in California of the health risks associated with exposures to DEHP from the Product. To the best of the Parties’ knowledge, no public enforcer has commenced and is diligently prosecuting an action to enforce the violations alleged in the Notice.

SETTLEMENT AGREEMENT

1.5 No Admission

DSG denies the material, factual, and legal allegations in the Notice and maintains that all of the product it sold and/or distributed for sale in California, including the Product, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by DSG of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by DSG of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by DSG. This Section shall not, however, diminish or otherwise affect DSG's obligations, responsibilities and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean ninety (90) days following the execution of this Settlement Agreement by the Parties.

2. INJUNCTIVE RELIEF

2.1 Clear and Reasonable Warnings

Commencing on the Effective Date, and continuing thereafter, DSG agrees to only manufacture for sale, purchase for sale, import for sale, or distribute for sale in or into California the Product that is sold with a health hazard warning as provided for in Section 2.2.

2.2 General Warning Requirements

DSG agrees that each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Product the warning applies, so as to minimize the risk of consumer confusion.

For purposes of this Settlement Agreement, a clear and reasonable warning for the Product shall consist of a warning affixed to the packaging, label, tag, or directly to each Product sold in California by DSG that contains the following statements:

SETTLEMENT AGREEMENT

The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word “WARNING”. The same warning shall be posted on any websites where the Product is sold in California.

2.3 Grace Period for Existing Inventory of Products

The injunctive requirements of Section 2 shall not apply to Products that are already in the stream of commerce as of the Effective Date, which Products are expressly subject to the releases provided in Section 4.1.

4. CLAIMS COVERED AND RELEASED

4.1 Embry's Release of DSG

This Settlement Agreement is a full, final, and binding resolution between Embry, on her own behalf and not on behalf of the public, and DSG of any violation of Proposition 65 that was or could have been asserted by Embry, on her own behalf, on behalf of her past and current agents, representatives, attorneys, successors and assignees, against DSG and each of its respective parents, subsidiaries, affiliated entities under common ownership, directors, officers, members, employees, attorneys, each upstream entity from whom the Product was purchased by DSG, and each entity to whom DSG directly or indirectly distributes or sells the Product, including, but not limited to, its downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members and licensees ("Releasees"), based on the failure to warn about exposures to DEHP in the Product manufactured, sold or distributed for sale in California by DSG before the Effective Date, as alleged in the Notice.

SETTLEMENT AGREEMENT

In further consideration of the promises and agreements herein contained, Embry on her own behalf and not on behalf of the public, on behalf of her past and current agents, representatives, attorneys, successors and assignees hereby waives any and all rights she may have to institute or participate in, directly or indirectly, any form of legal action and releases all claims against DSG and Releasees including, without limitation, all actions and causes of action, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses including, but not exclusively, investigation fees, expert fees and attorney fees arising under Proposition 65 with respect to the alleged or actual failure to warn about exposures to DEHP in the Product manufactured, distributed, sold or offered for sale DSG, before the Effective Date.

The Parties acknowledge that the claims released in Sections 4.1 and 4.2 may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.
