

SETTLEMENT AGREEMENT

BETWEEN DREW BRADY COMPANY INC. and GABRIEL ESPINOSA

1. INTRODUCTION

1.1 The Parties. This Settlement Agreement is entered into by and between Gabriel Espinosa (“Espinosa”) and Drew Brady Company Inc. (“Drew Brady”). Together, Espinosa and Drew Brady are collectively referred to as the “Parties.” Espinosa is an individual that resides in the State of California, and seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Espinosa alleges that Drew Brady is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code § 25249.6, et seq. (“Proposition 65”).

1.2 General Allegations. Espinosa alleges that Drew Brady manufactures, imports, sells, or distributes for sale Heat Holders® Oversized Luxury Throws in the State of California, and that Drew Brady has exposed individuals in the State of California to the chemicals di(2-ethylhexyl) phthalate (DEHP) and diisononyl phthalate (DINP) from the clear plastic packaging of its Heat Holders® Oversized Luxury Throws without first providing consumers of the product with a clear and reasonable warning as required pursuant to Proposition 65. DEHP is listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer and reproductive toxicity. DINP is listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer.

1.3 Product Description. The products covered by this Settlement Agreement are Heat Holders® Oversized Luxury Throws and the clear plastic packaging for the Heat Holders® Oversized Luxury Throws (the “Products”) that have been imported, distributed, offered for sale and/or sold in California by Drew Brady.

1.4 Notice of Violation. On February 26, 2019, Espinosa served Drew Brady and various public enforcement agencies with a document entitled “Notice of Violation of California Health & Safety Code § 25249.6, et seq.” (the “Notice”). The Notice provided Drew Brady and such others, including public enforcers, with notice that Espinosa alleged that Drew Brady was in violation of

California Health & Safety Code § 25249.6, for failing to warn California consumers that use of the clear plastic packaging for the Products will expose them to DEHP and DINP. No public enforcer has diligently prosecuted the allegations set forth in the Notice.

1.5 No Admission. Drew Brady denies the material factual and legal allegations contained in the Notice and maintains that, to the best of its knowledge, all products that are or have been sold and distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Drew Brady of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Drew Brady of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Drew Brady. However, this § 1.5 shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement. Notwithstanding the allegations in the Notice, Drew Brady maintains that it has not knowingly manufactured, or caused to be manufactured, the Products for sale in California in violation of Proposition 65.

1.6 Effective Date. For purposes of this Settlement Agreement, the term “Effective Date” shall mean the date this Agreement is last executed by the Parties.

The warning requirement set forth in §§ 2.3 and 2.4 shall not apply to any Reformulated Product.

2.2 Reformulation Standard. “Reformulated Products” shall mean the clear plastic packaging for the Products that contain concentrations less than or equal to 0.1% (1,000 parts per million (ppm)) of DEHP and/or DINP when analyzed pursuant to U.S. Environmental Protection

As of the Effective Date, and continuing thereafter, a clear and reasonable exposure warning as set forth in this §§ 2.3 and 2.4 must be provided for all Products that Drew Brady manufactures, imports, distributes, sells, or offers for sale in California that are not Reformulated Products. There shall be no obligation for Drew Brady to provide an exposure warning for Products that entered the stream of commerce prior to the Effective Date. 5. RELEASE OF ALL CLAIMS

5.1 Release of Drew Brady and Downstream Customers and Entities. This Settlement Agreement is a full, final and binding resolution between Espinosa, acting on his own behalf, and Drew Brady, of any violation of Proposition 65 that was or could have been asserted by Espinosa or on behalf of his past and current agents, representatives, attorneys, successors, and/or assigns ("Releasors") for failure to provide warnings for alleged exposures to DEHP and DINP contained in the Products, and Releasors hereby release any such claims against (a) Drew Brady and each of Drew Brady's past and present parents, subsidiaries, affiliated entities, divisions, predecessors, successors and assigns and each of their respective owners, board members, trustees, managers, members, shareholders, marketplaces, directors, officers, agents, employees, attorneys, insurers, auditors, accountants, experts, stockholders, representatives, partners, successors and assignees, and any other persons acting on their behalf, and (b) each entity to whom Drew Brady directly or indirectly distributes or sells the Products, including but not limited to, downstream distributors, wholesalers, customers, retailers, including but not limited to Big 5 Corporation, and each of their respective past and present subsidiaries, affiliates and parents, franchisees, cooperative members and licensees, divisions, predecessors, successors and assigns and each of their respective owners, officers, directors, board members, trustees, shareholders, managers, members, employees, agents, attorneys, insurers, auditors, accountants, experts, stockholders, representatives, partners, and any other persons acting on their behalf (collectively, the "Releasees"), from all claims that have been, could have been, or may in the future be asserted against any Releasee for violations of Proposition 65 through the Effective Date based on their failure to warn of alleged exposure to the chemicals DEHP and DINP from use of the Products.

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to §§ 3 and 4 above, Espinosa, on behalf of himself, his past and current agents, representatives, attorneys, successors and/or assignees, hereby covenants not to sue and waives any right to institute, participate in, directly or indirectly, any form of legal action and releases all claims that he may have, including without limitation, all actions and causes of action in law and in equity, all obligations, expenses (including without limitation all attorneys' fees, expert fees, and investigation fees, and costs), damages, losses, liabilities and demands against any of the Releasees of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of the alleged or actual exposure to the chemicals DEHP and DINP in the Products.

5.2 Drew Brady's Release of Espinosa. Drew Brady, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waive any and all claims against Espinosa, his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Espinosa and/or his attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with respect to the Products.

5.3 California Civil Code § 1542. It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Products will develop or be discovered. Espinosa on behalf of himself only, on one hand, and Drew Brady, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims up through the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in §§ 5.1 and 5.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Espinosa and Drew Brady each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5.4 Deemed Compliance with Proposition 65. Compliance by Drew Brady with this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposure to DEHP and DINP from use of the Products.

5.5. Public Benefit. It is Drew Brady's understanding that the commitments it has agreed to herein, and actions to be taken by Drew Brady under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of Drew Brady that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to Drew Brady's failure to provide a warning concerning alleged exposures to DEHP and DINP prior to use of the Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Products addressed in this Settlement Agreement, provided that Drew Brady are in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected but only to the extent the deletion of the provision deemed unenforceable does not materially affect, or otherwise result in the effect of the Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the law of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable or limited by reason of law generally, or as to the Products, Drew Brady shall provide written notice to Espinosa of any asserted change in the law, and shall have no further

obligations pursuant to this Settlement Agreement with respect to, and to the extent that, a Product is so affected.

8. NOTICES

Espinosa agrees to comply with the reporting requirements referenced in Health & Safety Code § 25249.7(f).

11. MODIFICATION

This Settlement Agreement may be modified only by a written agreement of the Parties.
